Lincoln, Rochelle Yokoshima, Super Brother, Nico, and I went after Lucius, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Lucius, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Rochelle Yokoshima did the same by firing orange, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Eman Reynolds, Super Brother, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was really pissing Lucius off.

Suddenly, Lincoln's enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and four massive halos of rainbow energy with intricate designs formed behind him and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Lucius and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln charged and smashed his rainbow energy infused left fist into the stomach of Lucius and a cluster of

rainbow, white, golden yellow, and blue heavenly flames exploded out behind him. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 620'11" massive, wide, double-edged gold blade of his massive greatsword.

RRGH!

And he also flexed his muscles even more which really aroused his harem even more, and at the same time, Lucius began growing weaker as all his powers were being sucked out of him one at a time and was pumped into Lincoln.

Lucius: (Groans) He's sucking me dry, I can't take much more of this!

Then, when Lincoln was done and the stingers changed back, nothing was left of Lucius, and Lincoln sucked out all of Lucius' remaining energy in his soul and banished him to The Black Abyss, and we let out a loud and massive roar of dominance and power as we pounded our chests like three Alpha Male gorillas and we flexed our massive muscles as fire burst out of our massive biceps and massive muscles!

We cheered as we holstered our weapons and powered down and Rochelle Yokoshima's new body, clothes, weapons, jewelry, Third Eye, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long orange wolf tails, large gold halo and large gold Yata no Kagami mirror with gold flame ring-shaped frame around it with embedded orange gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold flame ring-shaped frames around them with embedded orange gems behind the gold rings behind her head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large orange planets orbiting around her legs, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 smaller orange planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized orange planets orbiting around her wrists and ankles, and enormous orange angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large orange angel wings underneath her enormous orange angel wings are permanent.

Rochelle Yokoshima: And this where it ends for you, Lucius, and this is goodbye and good riddance. Thanks for helping me get rid of Lucius, Lincoln. You too, guys.

Lincoln: (Fiery Godly Voice) (Smiles Warmly) You're welcome, Rochelle.

Me and Nico: Our pleasure, Rochelle.

Suddenly, Rochelle Yokoshima wrapped her arms around Lincoln's waist as he lifted her up to his face as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Rochelle Yokoshima'a face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Rochelle Yokoshima sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Suddenly, we saw something appear in Lincoln's large gold halo behind his head: it's a second smaller halo with intricate designs made out of light and The Sun and The Moon in it, and six gold halos with smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and behind his left and right thighs.

I made a mirror and showed it to Lincoln!

Lincoln: (Heavenly Godly Voice) Whoa! Now, this is what I call an upgrade.

Nico: (Fiery Godly Voice) You said it! Plus, The Sun and The Moon symbolizes you, Lincoln: The Sun and The Moon of The Elemental Storm.

Me: (Fiery Godly Voice) That's for sure. So, Lincoln, who's the next girl we're meeting on your next rescue tomorrow?

Suddenly, we saw the symbol of The Volcanic Laval Masters of Courage and Laval Archer.

Lincoln: (GASPS) The symbol of The Volcanic Laval Masters of Courage and Laval Archer

Adara Vulcania: There's only one person who fits this: Calida Vulcania, Avatar and Gene-Slammer of Laval Archer, and you guys are going to love meeting her, Calida Vulcania, Avatar and Gene-Slammer of Laval Archer, is

Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lava Archer. She's The Volcanic Lava Archer Master and member of The Volcanic Laval Masters of Courage, a group of courageous girls who are the Avatars and Gene-Slammers of The Laval Duel Monsters and they're born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and their goal is to protect and defend Lincoln from his enemies, and they are the bravest, strongest, and courageous of Lincoln's Guardian Angels. No one was able to defeat them in battle, and if they dared to anger them, they were going to get burned in a pretty nasty way. Calida Vulcania came to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Archer, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Pyrokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Archer, and Lincoln was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a fire greatsword and he also gave her a phoenix tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lynn and Lola a lot with using lava and fire, and Calida Vulcania hates Flip with a passion because that moron almost tried to scam her family and almost cost them their home and all their savings. Calida got super enraged and angry, she fired a massive blast of fire at that mutant, and the blast of fire scorched off all his sweat-stained smelly clothes leaving him butt-naked, and the cops got called, and they arrested Flip again and took him back to prison!

WE GASPED!

Me: (Fiery Godly Voice) Thank goodness that didn't happen!

Lynn: Flip had it coming, after all the scams that moron had done in the past, if we didn't stop him and send him to The Black Abyss last year, someone else was bound to get scammed!

Lego Flash: So, let me see if I got this right. After the Crime Syndicate sent us to Apokolips, they replaced us as our Earth's heroes and Team Buktu was helping them. And you guys, with the help of the bad guys, played the part of the villains to oppose them. Did I miss anything?

Mummy: Just that Team Buktu went rogue yesterday.

Shendu: Other then that, you're good.

Me: That's pretty much the whole thing in a nutshell.

Lego Superman: Meet us at the Watchtower tomorrow to discuss our next move.

Killer Shrike: Sounds like a plan.

Me: Yeah. Sorry you guys missed out on a lot these last 8 days.

Nico: Yeah.

Bane: We also know that Darkseid's involved somehow.

Me: Yep.

Calamitous: What can he be looking for in all this?

Ebon: I got the feeling the answer's closer then we think.

During all this, Lego Harley was playing with her box that she had during this whole adventure.

Me: What's in the box Harley?

Lego Harley: Oh something interesitng.

Me: Can you show us later?

Lego Harley: Sure can.

Nico: Great job today everyone and J.D. I did not expect the Utrom Tribunal to help too.

Me: Evil Sasuke fights were not just limited to Earth but to all over the universe too. So many planets were involved and I had to have the Utrom Tribunal come to be part of this too.

Nico: I see your point. But great job today guys.

Lego Superman: Yeah now we can patch things up with you guys.

Me: You sure can.

Jonny 2X4: (To the Viewers) Now we're ready for my day tomorrow guys!

Me: We sure are. You guys go ahead. I got to file my report.

Nico: Oh yeah. Always comes first.

I filed my report and received Triple Z-Rank Mission Credit. Also Nico's friends got credit too.

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: I can't believe Evil Sasuke escaped!

Anna Anyanova: Caleb's poisonous darkness caused him to split in two, and we took the one with The Curse Mark on him and got him executed, and tomorrow, we're going to kill Team Buktu once and for all, and get ready for when we face off against Darkseid. But, at long last, we are finally rid of Alecto Slytherin once and for all.

?: That's for sure.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters of the now expanded hot springs was Lincoln in the hot waters, but they also saw his towel was on the rack along with his orange speedo, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice)(Flexes his massive arms and his massive biceps bulged even more with more veins forming)(Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Lily the Mermaid: (Rubs Lincoln's massive pecs)(Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fesstertox's Perfect Gene-Slammer serum and Perfect God serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility and fertility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his towel around his waist about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice) (Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Alexander Avalon: So far so good. We took down The Dark Little Card, but tomorrow, I got a feeling we're going to take on the dark version of The Mirror Card, this thing caused trouble for Sakura, and Tory got hurt big time.

Alexander Avalon went back inside: the hunt for The Dark Clow Cards was still on, and tomorrow, the final showdown against Team Buktu was about to begin, and we would make those monsters pay for their crimes and soon, we would make Darkseid pay for all his crimes!

DC SUPERVILLAINS PART 9

Part 9: END OF TEAM BUKTU

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: he saw a beautiful planet that's like Heaven and Paradise times infinity and is like 999,999,999,999,999,999,999,999,999,999,999,999,999 Gardens of Eden times infinity, and is a place of true beauty and heavenly light, and protected by powerful omnipotent angels, the males who spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of light, purity, The Seven Heavenly Virtues, Holy Light, Holy Arts, Light Magic, and the immense omnipotent powers of God, The Angels, and Archangels of Heaven times infinity, and the ability to grow even stronger, but she was also born with angel wings, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of light, purity, The Seven Heavenly Virtues, Holy Light, Holy Arts, Light Magic, and the immense omnipotent powers of God, The Angels, and

Archangels of Heaven times infinity, and the ability to grow even stronger, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to Heavenairaira where he would meet The Heavenairairans and when he'd arrived, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the male Heavenairairans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of light, purity, The Seven Heavenly Virtues, Holy Light, Holy Fire, Holy Arts, Light Magic, and the immense omnipotent powers of God, The Angels, and Archangels of Heaven times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb Heavenairaira and its core into his body and Heavenairaira's Sun into his body to preserve their legacy.

Lincoln woke up.

Lincoln: Holy moly, what on Earth Omega was that?!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) No way, that world you saw, that was Heavenairaira, a beautiful planet that's like Heaven and Paradise times infinity and is like 999,999,999,999,999,999,999,999,999,999,999,999,999 Gardens of Eden times infinity, and is a place of true beauty and heavenly light and protected by powerful omnipotent angels called The Heavenairairans, the males who'd spent their lives fighting proved their manly virile dominance and had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of light, purity, The Seven Heavenly Virtues, Holy Light, Holy Arts, Light Magic, and the immense omnipotent powers of God, The Angels, and Archangels of Heaven times infinity, and the ability to grow even stronger, but she was also born with angel wings, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of light, purity, The Seven Heavenly Virtues, Holy Light, Holy Arts, Light Magic, and the immense omnipotent powers of God, The Angels, and Archangels of Heaven times infinity, and the ability to grow even stronger, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to Heavenairaira where he would meet The Heavenairairans and when he'd arrived, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the male Heavenairairans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of light, purity, The Seven Heavenly Virtues, Holy Light, Holy Fire, Holy Arts, Light Magic, and the immense omnipotent powers of God, The Angels, and Archangels of Heaven times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb Heavenairaira and its core into his body and Heavenairaira's Sun into his body to preserve their legacy.

Lincoln: That's incredible!

Lincoln got up and got dressed, and he left a note explaining it, and he headed off to Heavenairaira.

Lincoln landed on Planet Heavenairaira, and it was everything he saw in his dream and his rainbow energy aura exploded as he grew stronger.

Lincoln: Wow! So, this is Heavenairaira, it truly is a beautiful planet that's like Heaven and Paradise times infinity and is like 999,999,999,999,999,999,999,999,999,999,999,999,999 Gardens of Eden times infinity and is a place of true beauty and heavenly light.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) It's still as beautiful as ever.

?: (Strong Manly Voice)(Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw a strong-looking man who was really tall at 620'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, he was shirtless with a rainbow sun and moon on his chest, he has long blonde hair going down to his shoulders, dark blue eyes, he has on a rainbow-colored loincloth, and black sandals, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Henry Heavenairaira, King of The Heavenairairans of Planet Heavenairaira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?!

Lincoln: I do, he's the father of my Guardian Angel, Hailey Heavenairaira. (GASPS) Now, I remember, I've been here before to Heavenairaira eight years ago.

Then, all of the other male Heavenairairans came to Lincoln.

Henry Heavenairaira: That's correct, you came here eight years ago when my daughter wanted to introduce me to you. (Smiles) You've grown that much stronger and taller, you're just as tall as me, and you're also even more muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man she and the others had helped you become.

Lincoln had an embarrassed blush on his cheeks and muzzle as Alan chuckled.

Lincoln: And there's something I need to tell you.

Henry Heavenairaira: I know. You had the dream, it's time.

Lincoln: Yes, it is.

Suddenly, Henry Heavenairaira chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Henry Heavenairaira: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Henry Heavenairaira and the other septillion male Heavenairairans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of light, purity, The Seven Heavenly Virtues, Holy Light, Holy Fire, Holy Arts, Light Magic, and the immense omnipotent powers of God, The Angels, and Archangels of Heaven times infinity, and the ability to grow even stronger, and incredible godly powers and immense excessive virility and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH!

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura was raging like a really massive wildfire and he has another holy white aura with golden yellow light surrounding him with heavenly lights shining down on him as he pounded his chest like a gorilla.

Lincoln: Whoa...! This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed on his massive biceps and the image of cannons firing formed on his massive pecs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome!

Alan Almightairaira: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels, now there's one last thing for you to do, Lincoln.

Lincoln flew deeper and deeper into the planet, and he found it: the core of Planet Heavenairaira, the inner and outer cores of the planet and the million other planets consisted primarily of iron and nickel and are extremely white hot with the temperature at more than 999,999,999,999,999,999,999,999,999,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the core of Planet Heavenairaira, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core and the planet itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,9

99,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Heavenairaira's massive Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his

999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Lily the Mermaid: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks)(Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever and full of even more infinite energy.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-

times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him, but it suddenly became even stronger due to the powers of the Eroticairans of Planet Eroticaira he has and his primal urges went wild.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) (Thinking) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them and they were on his bed.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: That was the surprise you had planned for us. But, you're gonna have to explain it tomorrow.

Lincoln: I will. (Smirks Seductively) Now, then, where were we?

Lincoln and his harem had another intense and passionate lovemaking session, and they went back to sleep a few hours later.

At 3:17 AM, Sebastian was sleeping.

But then...

TING!

Sebastian woke up and gasped!

Sebastian Mendez: Oh no! Sarah's in trouble!

Sebastian went to my room.

Sebastian Mendez: J.D. wake up!

Me: (Groggy) Huh? Sebastian what's wrong?

Sebastian Mendez: I just saw Sarah Reginald! She's about to kill herself!

WE GASPED!

Me: OH SHIT! I had a feeling this was about to happen! Thanks Sebastian! Get Nico and hurry!

Sebastian Mendez: RIGHT!

I ran fast to her room!

Me: COMPUTER CODE BLACK EMERGENCY! CODE BLACK EMERGENCY!

The Suicide Alarm went off.

I ran fast.

Nico woke up.

Nico: What the?

Sebastian came in.

Sebastian Mendez: Nico! It's Sarah Reginald! She's about to kill herself!

THEY GASPED!

Nico: Thanks for telling me Sebastian!

Nico ran fast and caught up with me and we rushed to Sarah's room door and opened the door and saw her about to kick a chair away as she had a noose around her neck!

I flew fast and summoned my Keyblade and just as she kicked it...

SLASH!

I cut the rope and saved her and Nico caught her.

Nico: WHEW! Sarah what the fuck are you trying to do!?

Sarah Reginald: I DON'T DESERVE TO LIVE ANYMORE NICO! I WILL NEVER BE ANYTHING MORE THAN A WORTHLESS PIECE OF SHIT LOSER AND AN OUTCAST THAT WILL BE THE DAUGHTER OF A HEARTLESS SERIAL KILLER! (CRYING)

Nico: Sarah that's not true! That's not true! You are nothing like your father! Your father did all those crimes! Not you! The blood of those people are on his hands only.

Me: Yeah! Your father killed all those people and you are not to blame for it. He was a monster and you are not.

Sarah Tinsley: Sarah listen to me. My father was like yours. He was a monster and he tried to make me do everything he did too. I was once an outcast too. He made me one because I was his daughter and wanted me to kill people too. But I would never do so. Sarah don't throw away your life like this.

Nico: Sarah look, I once thought like you myself because of the 20 Days of Darkness and because of Ken's death. There wasn't a year that went by that I wouldn't think about wanting to kill myself because of those events. I buried that part of my life as long as I could. Until I joined the team. J.D. and his friends have been there for me and helped me get out of that part of my grief and saved me from myself. I will always be indebted to them always because they are good friends. They cared for me and helped me in my time of need. And they also helped Lincoln do that too. Now we can do the same for you too. Sarah listen, don't ruin your life all because of everything your father did. I'll call a meeting in front of the estate with everyone in the city and we'll give them a good talking to first thing in the morning after breakfast. J.D. will talk to them and so will Sarah Tinsley. But for now lets get some sleep okay?

Sarah Reginald: (Sniffles) Okay.

They got some sleep.

Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

J.D. 2: This was no ordinary planet. Lincoln, do you have a book about the world you went to?

Lincoln ran to his room and flew to the top of his massive vast collection of libraries and found the very book and brought it to J.D. 2.

J.D. 2: I knew it.

He opened the book, and we saw it: the planet Lincoln saw in his dream.

Me: Whoa! what is that place?

J.D. 2: This, J.D., is Heavenairaira, a beautiful planet that's like Heaven and Paradise times infinity and is like 999,999,999,999,999,999,999,999,999,999,999,999,999 Gardens of Eden times infinity, and is a place of true beauty and heavenly light and protected by powerful omnipotent angels called The Heavenairairans, the males who'd spent their lives fighting proved their manly virile dominance and had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of light, purity, The Seven Heavenly Virtues, Holy Light, Holy Arts, Light Magic, and the immense omnipotent powers of

God, The Angels, and Archangels of Heaven times infinity, and the ability to grow even stronger, but she was also born with angel wings, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of light, purity, The Seven Heavenly Virtues, Holy Light, Holy Arts, Light Magic, and the immense omnipotent powers of God, The Angels, and Archangels of Heaven times infinity, and the ability to grow even stronger, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to Heavenairaira where he would meet The Heavenairairans and when he'd arrived, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the male Heavenairairans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of light, purity, The Seven Heavenly Virtues, Holy Light, Holy Fire, Holy Arts, Light Magic, and the immense omnipotent powers of God, The Angels, and Archangels of Heaven times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb Heavenairaira and its core into his body and Heavenairaira's Sun into his body to preserve their legacy.

He finished and returned the book to Lincoln's room, but we were immediately stunned.

Me: Oh man, I don't even know what to say! That's incredible! And Lincoln, you'd been to Heavenairaira before?!

Henry Heavenairaira: (Through the rainbow Thunderbird and animals on Lincoln's forehead) That is correct, J.D., Lincoln came to Heavenairaira eight years ago a week before you arrived to Michigan, and years later, I saw the kind of man he would grow up to become.

J.D. 2: Henry Heavenairaira! Your Majesty, it's been vast eons since we last met.

Suddenly, Lincoln's large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo and smaller halo with intricate designs made of light and The Sun and The Moon in it behind his head and the four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed with holy white light and golden yellow energy as it surrounded them.

And when the light faded, they were transformed: Lincoln's large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo and smaller halo with intricate designs made of light and The Sun and The Moon in it behind his head transformed into Amaterasu's Heavenly Mirror of Four Holy Beasts, a large gold round Yata no Kagami-Shinjū-kyō-TLV-Chinese Mirror with a wolf howling at The Sun and Moon surrounded by images of gods and beasts from Chinese and Japanese myth on the reflective side and on the back of the large mirror is The Black Tortoise of The North, The Vermillion Bird of The South, The Azure Dragon of The East, and The White Tiger of The West accompanied by The Qilin, The Fenghuang, Yinglong, and The Spirit Turtle surrounding a Yin-Yang symbol with gold sun ring-shaped frame around the mirror and embedded colored gems.

And the four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner were also transformed into four large orbiting Amaterasu's Heavenly Mirrors of Four Holy Beasts, four large gold round Yata no Kagami-Shinjū-kyō-TLV-Chinese Mirrors with a wolf howling at The Sun and Moon surrounded by images of gods and beasts from Chinese and Japanese myth on the reflective side and on the back of the large mirrors are The Black Tortoise of The North, The Vermillion Bird of The South, The Azure Dragon of The East, and The White Tiger of The West accompanied by The Qilin, The Fenghuang, Yinglong, and The Spirit Turtle surrounding a Yin-Yang symbol with four gold sun ring-shaped frames around the four large mirrors and embedded colored gems.

Me: WOW! Your Yata no Kagami mirrors also gained an evolution as well!

Lincoln: They did.

Amaterasu: (Through the rainbow Thunderbird and animals on Lincoln's forehead) This was due to your permanent purification as well, the large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded colored gems behind the large gold halo and smaller halo with intricate designs made of light and The Sun and The Moon in it behind your head and the four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner have evolved into Amaterasu's Heavenly Mirrors of Four

Holy Beasts, these mirrors were created thanks to the fusion of your Yata no Kagami Mirrors and The Mirrors of The Chinese Gods and Immortals you got on your birthday, and the result of your eternal purification, and these also have combined all the powers of your Yata no Kagami mirrors and The Mirrors of The Chinese Gods and Immortals.

Then, we saw Lincoln's four large Amaterasu's Heavenly Mirrors of Four Holy Beasts fire four beams of golden yellow light that went through the four large orbiting gold rings and they hit a training dummy and it burned to ashes. Then, they fired four colored beams of energy that turn into The Black Tortoise of The North, The Vermillion Bird of The South, The Azure Dragon of The East, and The White Tiger of The West and they slammed into the jerks and exploded with incredible power.

Nico: Incredible!

Me: Wow!

Super Brother: Impressive.

Suddenly, we saw something appear in Super Brother's large gold halo behind his head: it's a second smaller halo with intricate designs made out of light and The Sun and The Moon in it and six gold halos and in them are second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs.

Suddenly, Super Brother's large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo and smaller halo with intricate designs made of light and The Sun and The Moon in it behind his head and the four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed with holy white light and golden yellow energy as it surrounded them.

And when the light faded, they were transformed: Super Brother's large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo and smaller halo with intricate designs made of light and The Sun and The Moon in it behind his head transformed into Amaterasu's Heavenly Mirror of Four Holy Beasts, a large gold round Yata no Kagami-Shinjū-kyō-TLV-Chinese Mirror with a wolf howling at The Sun and Moon surrounded by images of gods and beasts from Chinese and Japanese myth on the reflective side and on the back of the large mirror is The Black Tortoise of The North, The Vermillion Bird of The South, The Azure Dragon of The East, and The White Tiger of The West accompanied by The Qilin, The Fenghuang, Yinglong, and The Spirit Turtle surrounding a Yin-Yang symbol with gold sun ring-shaped frame around the mirror and embedded colored gems.

And the four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner were also transformed into four large orbiting Amaterasu's Heavenly Mirrors of Four Holy Beasts, four large gold round Yata no Kagami-Shinjū-kyō-TLV-Chinese Mirrors with a wolf howling at The Sun and Moon surrounded by images of gods and beasts from Chinese and Japanese myth on the reflective side and on the back of the large mirrors are The Black Tortoise of The North, The Vermillion Bird of The South, The Azure Dragon of The East, and The White Tiger of The West accompanied by The Qilin, The Fenghuang, Yinglong, and The Spirit Turtle surrounding a Yin-Yang symbol with four gold sun ring-shaped frames around the four large mirrors and embedded colored gems.

Super Brother: What the? I also...!

Me: (Smirks) You did transform like Lincoln. Hey, are we also going to get the...?

Nico: We'll have to wait and see though.

Jonny woke up to see Grimer staring at him.

Grimer: Morning Jonny, morning Plank.

Jonny: Morning Grimer.

Grimer: Time for breakfast!

Jonny 2X4: Oh boy!

He went to get dressed and went to the table.

Me: Morning Jonny. Morning Plank.

Jonny 2X4: Morning guys.

We gave them pancakes.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his large gold halo and smaller halo with intricate designs made of light and The Sun and The Moon in it in the center and large gold Amaterasu's

Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Zeref, he's on Fiore and he's coming to kill Natsu!

Natsu: Zeref's back?! What the Hell?!

Me: Looks like one of your most dangerous enemies is on the loose, Natsu.

Nico: It hadn't been that long since we killed Tartaros and banished him to The Black Abyss on Fiore.

Lincoln: And here's the scary part, he's also Natsu's brother.

Me and Nico: SAY WHAT?!

OUR MOUTHS OPENED REALLY WIDE AND OUR SKULLS DID A 360 SPIN BEFORE WE CLOSED OUR MOUTHS!

Nico: Oh God!

Me: An evil dark mage who's also Natsu's brother as well?! Damn! But, this is also the perfect test for me to unleash the ultimate extent of my new power on him, I'm going to kill him with the ultimate extent of my new power!

Eli: Awesome.

Lincoln: But, this also means Zeraf is going to unleash his ultimate power too, so we teleport to the planet Dllgan, and Zeraf will use his Fairy Heart form he had, so you're going to really go all out on him minus the Apeshit power explosions.

Me: Yep, it's going to be super explosive! And after you'll need to weaken him by sucking out all his powers and abilities, Lincoln.

Lincoln: Got it. Alright, team, let's finish breakfast and head to Fiore. Zeraf Dragneel, your time is finally up.

Nico: Right.

Me: First we got to address the people of the city.

We finished our breakfast

Later after breakfast we had everyone gathered in the city square.

Me: Good morning citizens of Gotham Royal York. I apologize for having you all come out here so early and most of you are in your pajamas and are still eating breakfast and some of you are still sleepy.

Citizens are yawning and tired.

Me: And for that I apologize for this early meeting. Anyway I know it's early but the reason I called you all here is because I have something to say about our friend Sarah Reginald here. I want you all to know that YOU ALL SHOULD BE ASHAMED OF YOURSELVES!

They gasped!

Me: Sarah Reginald went through a really nasty and hellish time because of her father! Her father was a heartless serial killer and she went through shit because of him! He killed 211 people including her own mother and the police arrived to see that he killed her! He was a monster and he killed her mother right in front of her and it devastated her and made her a crying mess! But after that she was gene-slammed into a Wall of Tears from Magic The Gathering. When word about her father being executed reached her she was relieved but still a mess because she misses her mom! Her mom was the only person in the world she loved and her father made her life hell and he took that away from her! And I'm sure that you know why you don't want to see her and that is because you fear she is like her father right? Well newsflash for you! She ISN'T Like her father! She would never harm another people like that! Sarah would never harm another soul like her father did! Her father got what he deserved and the blood of all those people is in his hands! Not hers! And there is someone else that went through the same ordeal as she did.

I had Sarah Tinsley take the podium.

Sarah Tinsley: My name is Sarah Tinsley and you may know me as the gene-slammer of Elemental HERO Chaos Neos and also I know how Sarah Reginald feels too. Because my father Gabriel Tinsley was a serial killer too. I was treated the same way as Sarah Reginald was. I was an outcast myself and I contemplating on wanting nothing more than to kill myself too! But if it weren't for Lincoln Loud and his entire family I would be a loser and an outcast. But they saved me from my own darkness and helped me get my mother back and save me from myself. Sarah Reginald here went through hell like I have so I'm asking you all. Don't treat her the same way like I have. Sarah needs help and she needs it now.

She turned it back to me.

Me: Thanks Sarah. Now earlier this morning at 3:18 AM, Sarah Reginald tried to commit suicide in her room. Our teammate Sebastian Mendez here warned me and Nico of what she was going to do and we stopped her. But we want you to stop treating her like she is garbage! Your fear and resentment for her because of how she is related to her father doesn't mean anything! It's all false! Just because she is the daughter of a serial killer doesn't mean she is one for real! She is never like that! At all! I want you all to apologize to Sarah and treat her with kindness and love and help her get better! She needs a lot of help and needs it now! So please I ask you citizens. From out of the kindness and love in your hearts be there for her and help her.

They realized that I was right. And they were guilty and came up to her and hugged and comforted her and agreed to help her and then they cheered and hugged and loved her.

We headed out to Fiore to help Alizarin Bubblegum unlock her Rainbow Power and kill Zeraf Dragneel and send him to The Black Abyss forever.

Ymir: This is a really cool place.

Me: It sure is.

Lucy Heartfilia: Fairy Tail is an amazing guild.

Qin: It sure is.

Nico: Yeah.

Goop: (Gurgling Voice) I'm ready to kick some butt for this.

Nico: Goop, I want to thank you, Slime Monster, and your teams for coming

Goop: No problem Nico. I'm ready for some action!

Natsu: YOU SHUT UP GRAY! I AM GOING TO BURN YOU INTO DUST!

Gray: I WILL FREEZE YOU SOLID FIRE BOY!

They had their aura's flared up!

Eli: Allow me.

Eli went over and grabbed them.

Eli: Pardon me you two but I must discipline the nannygoats!

KRABLANG!

Eli bashed their heads together!

Natsu and Gray: OW!

Erza: I was going to do that but thanks Eli.

Eli: You're welcome Erza.

Me: Natsu and Grey have been fighting like that since they first joined Fairy Tail. But it doesn't surprise me though since Fire and Ice have been going at it since the beginning of time.

J.D. 2: Kind of like how my ancestors have been fighting in that nasty war before the Big Bang.

Me: Yeah.

Dark Magician Girl: Those two need to stop fighting though.

Me: I know Dark Magician Girl. But with those two thickskulled morons there's no telling what they can do.

Nico: Dark Magician Girl, what do you like to do in your free time?

Dark Magician Girl: Well I like doing magic acts at parties and even perform stage shows. I also help Syrus in raising our kids.

Syrus Truesdale: It's really great being a father.

Me: It sure is.

Qin: We're so happy for you both though.

Dark Magician Girl: I know and it's fun.

Laney: I agree there too.

She went and sat down and then...

LOUD FART!

Laney: WHOA!

Laney sat on a whoopee cushion!

Laney: LUAN!

Luan: (LAUGHS) That wasn't me! But that was a Gas! (LAUGHS) Get it? But seriously it wasn't me this time.

Toon Dark Magician Girl: (LAUGHS) That was me! Sorry I couldn't resist!

Nico: (LAUGHS) The Toon monsters are funny!

Laney: (LAUGHS) That was a good one!

Qin: Those Toon monsters Pegasus made always crack me up!

Laney: They sure do.

Nico: You two will make great parents

Dark Magician Girl: I know we will and we are.

Me: Yeah!

Ymir: So what is the history of this Zeraf guy?

Me: He is one nasty monster.

Natsu: He's my brother and he is pure evil.

Me: Yeah Natsu told me how dangerous he is and how much of a terror he is to all of Fairy Tail and all the Guilds and beyond.

I went over his history and it was not pretty.

When it was done, everyone that hadnt heard about it was shocked and horrified!

Twilight Sparkle: Oh man! He is really dangerous!

Xenia: He's like a cancer to everyone in Fiore and beyond!

Me: Yeah and for 400 years he lived and has terrorized and destroyed everything he touched with his dark magic. That's why we're going to destroy him forever.

Nico: Yep.

Natsu: Thanks guys.

Mirajane: We know you all can do it guys.

Juvia: We have faith in you. Especially you Linky.

Lincoln: Thanks girls.

Me: We appreciate that.

Horsea: We sure do.

Poliwag was comforting Sarah Reginald and he was rubbing her back with his tail.

Poliwag: Are you okay Sarah?

Sarah Reginald: I'm so sorry guys. I can't believe my sadness was so bad. All because of my father.

Me: What was your dad's name?

Sarah Reginald: Terrance Reginald.

I GASPED WHEN I HEARD THAT NAME!

Me: Terrance Reginald! Oh dear god! I remember him!

Nico: You do?

Me: Yes. He was the most insane and most fucked up serial killer I've ever met.

Nico: You didn't tell us that.

Me: He was that dangerous Nico. Over 20 years ago he escaped from the Atascadaro State Hospital in California and was on the run ever since. People didn't know that a dangerous Psychotic Killer was on the loose as people across 21 states were being killed. But 6 months ago before Anti-Monitor and his goons showed up, I intercepted a domestic disturbance in the northern side of the city and flew out and I found him stabbing his wife numerous times with a knife while laughing like a fucked up maniac. I kicked him in his face and knocked him out and arrested him. The FBI and the police came and took him away. Sarah came and cried in my chest.

Nico: So you killed him!?

Me: Yes. He was found guilty of his crimes and executed. But before he died, he swore revenge and vowed that in 6 months he would come back from the dead and get revenge on me and kill everyone.

Nico: He wasn't kidding

Me: Nope. He wasn't.

Sarah Reginald then had a look of determination and avenging justice on her face.

Sarah Reginald: And I am not going to cry anymore! It's time I did something other than just feel sorry for myself! I'm going to face my father and kill him and avenge all those he hurt!

Nico: WHOA!

Me: Go get him Sarah! He will appear probably when we have the next bonding session.

Nico: Yep.

Xenia: This will be brutal.

Laney: Yeah.

Sarah Reginald: I am going to avenge you mom and I won't let this monster hurt anyone else ever again! I am not the daughter of a serial killer! I am the daughter of a kind woman who had a heart of gold! And as of now I RENOUNCE TERRANCE REGINALD FROM MY LIFE FOREVER!

Everyone in Fairy Tail cheered for her!

Me: Wow! Way to go Sarah!

Sarah Tinsley: That's the spirit Sarah! You can do it!

Poliwag licked her!

Poliwag: You got this girl!

Sarah Reginald: Thanks guys.

Me: You've got this!

Qin: YEAH!

Xenia: We're with you all the way.

Sarah Reginald smiled.

Me: Yeah! Man yesterday was really intense!

Lola: It sure was!

Xenia: I'm glad we got rid of that Evil Sasuke!

Me: It may have been a clone but it was enough.

Nico: I didn't expect the Utrom Council to be there for this too. Its been a long time since we saw them.

Carol: 2018. Before we met Will and her friends.

Qin: Wow! I wasn't there when you guys first met them. But that was amazing.

Lola: It sure was.

Tara: That was the day when I gave birth to my kids.

Me: I remember that Tara. That was awesome.

Nico: You okay, Albedo?

Albedo: Nothing hurt but my pride.

Me: Pride can easily be fixed.

Nico: Yep. Just like a Saiyan's pride.

Vegeta: Well said Bokrua. We Saiyans have been a very prideful race and our pride is what makes us powerful.

Me: That is true Master Vegeta.

Albedo: But thanks to Vypra's power we all have Sabretooth's Accelerated healing.

Me: That's good.

Ymir: So that's how you guys keep coming back for more every usual battle.

Nico: Yep that's right.

Me: Also Caleb's rant was much better than mine for Evil Sasuke. I thought it was great.

Caleb Maxwell: I'm glad you liked it.

Nico: And Joker got a tank.

Me: A cool one. And we battled robots of the Justice League.

Nicole: Yeah like something out of one of the games I played years ago.

Lola: Wow! That was awesome! And J.D. came up with great ideas too.

Me: Have tanks like those in our arsenal and use the robots of the Justice League to fight crime in their sectors while we're on missions. 2 Birds with one stone on that.

Qin: Yeah that works perfectly.

Ino: I agree there. Man my Akuma was REALLY INSANE!

Me: Holy shit! No kidding!

Nico: And we rescued the Lego Justice League.

Me: That was big. Also we have 8 days of crap to tell them.

Nico: They are not going to like what happened.

Lincoln: I know.

Me: Now we can deal with Team Buktu once and for all.

Lincoln: Yep. We made a declaration of war on them after we killed the evil Sasuke clone.

Me: Awesome.

Nico: Sarah, can I ask what the fuck you were thinking?

Me: Yeah Sarah why?

Sarah Reginald: I was just overcome with so much grief. I wasn't thinking at all.

Sarah Tinsley: Believe me Sarah. I know how you feel. I know how hard it is to go through all that.

Sarah Reginald: I know. I'm sorry guys. I'm sorry about that.

Me: Thank goodness Sebastian warned us just in time.

Sebastian Mendez: I'm glad I did.

Poliwag licked Sarah again.

Poliwag: Don't do that again Sarah. (Does puppy eyes) Pwetty pwease?

Poromon flew on her head

Sarah Reginald: Okay guys I won't.

Me: Good.

Lincoln: Okay, guys, we're here for one intense battle, we're here in Fiore to help Alizarin Bubblegum unlock her Rainbow Power and kill Zeraf Dragneel and send him to The Black Abyss forever.

Me: We're gonna make sure he doesn't lay one hand on Natsu.

Nico: And on top of that, he's getting The Black Abyss forever.

Bai Tza heard a Pokemon cry.

Bai Tza: Look guys!

We saw a Mega Vaporeon!

Me: Cool a Mega Vaporeon! Perfect for you Bai Tza.

Bai Tza: It sure is.

Mega Vaporeon: I agree too.

Bai Tza gave her apples.

Mega Vaporeon: Thanks.

She ate them.

Bai Tza: Want to come with me?

Mega Vaporeon: I would be honored.

Me: Awesome!

But then we heard a roar and what sounded like a stampede of elephants.

Me: Uh oh!

Qin: LOOK!

We saw a HUGE ANKYLOSAURUS LIKE CREATURE COMING!

We jumped out of the way and we saw that it was a large purplish and armored ankylosaurus-like monster with a huge forward-pointing dark-purple rhino-like horn, two lines of spikes in its armored back and two curved and serrated blade-like edges on both sides, and a huge flat tail with a round shaped portion at the end that resembled a cobra's hood.

WE GASPED!

Qin: That's Richterosaurus!

Me: It looks like an Ankylosaurus!

Shanan: But it's not! It's actually an Ankylondraconian Rhinosaur from the planet Ankylodra. They are dinosaur animals of that planet.

WE GASPED!

Qin: WHOA MAN!

2012 Mikey screamed like a little girl!

2003 Mikey screamed like a little girl too!

Ed turned into Edzilla!

Edzilla: ED SMASH!

He went and punched and pulverized her all over!

Me: CHAKRA CHAIN RESTRAINT!

I fired waves of chains and restrained her.

Me: YEAH!

I took a vial and loaded it.

I then injected her and she reverted back. She was a girl with red and brown hair and olive colored eyes.

We wrapped her in a blanket and brought her over.

Edzilla: ED STRONGEST THERE IS! (ROARS)

Me: YEAH! (Sniffs) Hey I smell honey.

Nico: Weird.

Eddy: Poliwag, what's with you and licking things?

Poliwag: I just like it.

Eddy: Oh.

She woke up.

Girl: (Groans) What happened?

Me: Are you alright?

Girl: I think so.

Me: What's your name?

Gemma Vennington: Gemma Vennington.

Me: Whoa the famous honey producing family.

Qin: (DROOLS) LOVE YOUR HONEY BUNS! SO TASTY!

Gemma Vennington: (LAUGHS) Glad you like them.

Me: That explains the smell of honey on you.

Shanan: You were turned into an Ankylondraconian Rhinosaur from the planet Ankylodra.

She showed a hologram of it.

Gemma Vennington: (GASP) Oh man! I was in the middle of making caramel honey buns when these men jumped me and everything went dark.

Me: Shredder's Footsoldiers.

Qin: (DROOLS AND FOAMS AT THE MOUTH) I LOVE HONEY BUNS!

Me: Uh oh. Nico you better Control Qin. She may love honey buns as much as you like Chicken Wings, Chocolate, Cookies & Cream and Cheese.

Poromon: Honey?

Me: Gemma's family here is known far and wide for making baked goods and pastries and desserts of honey. Especially honey buns.

Gemma Vennington: Been in my family for many generations.

Poromon: Oh wow.

Qin: I can't get enough of them! THEY ARE SO GOOD!

Nico: Qin goes ABSOLUTELY cuckoo nuts for it. She loves them as much as I love eating cheese!

Me: I can see why.

Sydney: I can tell. Thank goodness you're alright Gemma.

Gemma Vennington: Me too Sydney and you as well. Is the High Mage...

Sydney: He's dead.

Me: We didn't kill him unfortunately.

Horsea hopped on Qin's head.

Horsea: Easy Qin. Easy.

Qin: Oh right sorry.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new yellow and brown clothes.

Gemma Vennington: I look amazing.

Me: You sure do.

But then a huge pile of sand dumped onto me and I was buried in it!

I popped out and spit!

Me: YUCK! HEY! What the? Where did this sand come from?

Nico: Look!

We saw a Mega Mandibuzz, Mega Palossand, Mega Fearow and Mega Omastar!

Me: WHOA! Mega Mandibuzz, Mega Palossand, Mega Fearow and Mega Omastar!

Poliwas licked the sand.

Me: Poliwag you don't want to know where that sand came from.

Poliwag: Oh.

I came out and brushed myself off.

Nico: Where did they come from?

Me: Must be some of Dark Gale's work.

Sheena: It is. The Mega Mandibuzz is someone named Ember Firestorm and she is the descendant of Sable Spirit!

WE GASPED!

Me: Whoa man!

Melody Mistmane: She's my best friend! I've been worried sick about her!

Sheena: And the rest are Qin, Eunice and Tricera Hidari.

Philip: More of our sisters! Wow!

Sheena: Qin is the Mega Palossand, Eunice is the Mega Fearow and Tricera is the Mega Omastar.

Me: Lets go help them out!

We went and did so.

Melody Mistmane: Ember calm down. It's me Melody.

Philip: Girls calm down it's us.

Mega Palossand threw sand at Horsea but she put her clone in front of her

But the sand went passed them and hit May in her face!

SPLAT SPLAT!

May: HEY! (SPITS) MY EYES!

Manaphy: Mama!

Me: Ooh I hate it when that happens!

Maria: Here May.

SpongeBob: Allow me.

He used a reef blower and blew the sand out of her face.

Horsea: I can help too.

She fired a blast of water and cleaned her off.

May: Thanks guys.

SpongeBob: No problem.

Mega Fearow went at me and I ducked and she crashed into a pile of fruits!

KRASPLAT!

Me: WHOA!

Mega Mandibuzz went at Melody.

But Melody formed a dragon of magic and it grabbed her and tied her up with vines.

Me: WHOA! Just like your ancestor.

Melody Mistmane: Learned from the best over the generations.

Me: You sure did.

Mega Omastar fired a Water gun blast and drenched May in water!

May: (SPITS) HEY!

Manaphy: Mama!

May: I'm just all wet.

Maria gave her a towel.

Me: Okay then!

I snapped my fingers and they reverted back.

Ember was a girl with red hair and purple eyes and had fire angel wings and she had Sable Spirit's cutie mark in a 2 tailed comet on her arm and Mega Palossand on her forehead.

Qin Hidari had pink hair and pink eyes and had pink angel wings and the Queen Memory and W Symbol on her forehead and arm.

Eunice had purple hair and purple eyes and had star angel wings and had the UFO Memory and W symbol on her forehead and arm.

Tricera had orange hair and orange eyes and had orange angel wings and the Triceratops Memory and W Symbol on her forehead and arm.

We wrapped them in blankets and brought them over.

Me: There.

Qin: Wow that was cool.

I saw their symbols.

Me: Queen, UFO and Triceratops. I think I know what that means.

They woke up to see Horsea's smiling face.

Ember Firestorm: (Groan) What hit me?

Qin Hidari: Huh? A Horsea?

Horsea: You attacked my clone!

Tricera Hidari: We feel like we got hit by the Weather Dopant.

Melody Mistmane: Ember are you okay?

Ember Firestorm: Melody!

She hugged her.

Melody Mistmane: I'm glad you're okay.

Philip: And you too girls.

Eunice Hidari: Brothers!

They hugged them.

Me: You were turned into a Mega Mandibuzz, Mega Palossand, Mega Fearow and Mega Omastar.

Ember Firestorm: Oh man! I was researching all about the history of my ancestor Sable Spirit in her old village.

Sable Spirit: Well you don't have to research anymore.

She came up to her.

Ember Firestorm: (GASP) Ancestor!

She hugged her.

Ember Firestorm: It's an honor to finally meet you in person. But how?

Me: I brought her back after over 1,000 years.

Melody Mistmane: Long story.

Tricera Hidari: We were battling all 5 members of NEVER when we got transformed.

Me: We have all of them in the M.O.E. And the Redemption Squad.

Qin: We sure do.

Manaphy: Also you guys hit mama! SHAME ON YOU!

Me: You hit May with Sand and Water.

Qin Hidari: Oh man! Sorry about that!

Tricera Hidari: We're sorry.

May: It's okay guys.

Manaphy: Shame!

May: Manaphy calm down.

Poromon: Qin, Eunice and Tricera What are your Rider Forms?

Qin Hidari: I am Kamen Rider Queen. I use the powers of the Queens of the world to bring down my enemies.

Me: With the powers of centuries of royalty!

Lincoln: Does that include my ancestors? Me and my family are descended from Scottish Royalty ourselves.

Qin Hidari: It does Lincoln.

Me: Wow!

Eunice Hidari: I am Kamen Rider UFO. I have the ability to transform and summon any kind of starship.

Me: Can you show us?

Eunice Hidari: Sure.

She summoned a Ferengi Marauder Ship!

Me: COOL! A Ferengi Marauder Ship! I remember those all too well.

Shanan: Me too. Awesome choice.

Eunice Hidari: And watch this.

She transformed into a ball of light and turned into the U.S.S. Enterprise!

Me: WHOA! That is cool!

She reverted back.

Eunice Hidari: What do you think?

Nico: NICE!

Tricera Hidari: And I am Kamen Rider Triceratops. I charge at my enemies with the power of a herd of Triceratops.

Cera: Wow that is really amazing!

Me: It sure is!

Horsea: That's nice.

Rarity: Lets get you all some new clothes darlings.

The fashion brigade did their thing.

Ember had red and orange clothes and a fire sword.

Qin had pink clothes and a jewel staff.

Eunice had purple clothes and a star sword

Tricera had yellow clothes and a fire hammer.

Eunice Hidari: We look amazing!

Me: You sure do.

Nico: We're not done yet.

Me: Now it's time to liberate Fiore from the terror of Zeraf forever.

Lincoln: (Sensed for Zeraf) AHA! Gotcha! I just spotted Zeraf Dragneel, he's 20 yards away, but he's sensed Natsu and he's coming for us.

Me: (CRACKS KNUCKLES AND MUSCLES BULGE) He's in for one nasty surprise. Let's tear his ass apart.

Nico: Now, you're talking!

We took off to destroy Zeraf Dragneel.

We were flying in the air, and suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the rainbow eyes of the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his large gold halo and smaller halo with intricate designs made of light and The Sun and The Moon in it in the center and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: Gotcha. (To Nico) And Nico, I already said we don't have issues with your leadership, but I think I know why you got those dark thoughts in your head. But, we'll talk about it after we get rid of Zeraf.

Suddenly, we saw our target: Zeraf Dragneel, the legendary evil dark mage and brother of Natsu Dragneel.

Zeraf: So, you've made it at last, Natsu, and now. Now, I can finally kill you, brother. Time to die!

Lincoln snapped his fingers, and in less than a second, we were on Dilgan.

Lincoln: You're not laying one hand on Natsu, you murderous dark mage. (Elemental Forces swirled around and behind him) I am The Reincarnation of Amaterasu, The Descendant of King Arthur of Camelot, The Champion of The Iroquois God of Thunder and The Gods and Goddesses, and The Champion of Friendship and Protector of Earth and loved by all. When my Cutie Mark comes to life, the elemental storms of justice will strike evil down!

Lincoln used his Rainbow Power combined with his elemental Dragon Magic powers and fired blasts of rainbow energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions and they hit Zeraf.

Lincoln used the Twelve Celestial Spirit Gate Keys, Silver Keys, Black Key, and The Phoenix Key, Dragon Key, Turtle Key, and Tiger Key, and they went into Lincoln's Bracers of The Champions of The Universe.

Me: You will pay for everything you did Zeraf.

Qin: No more lives will be sacrificed because of your hatred!

Nico: YEAH!

Natsu: You will pay for all your crimes!

Zeraf: Yeah yeah. Honestly, one of these days, you morons will look in the mirror and realize you need new lines.

Me: Well you need to die. You've lived for far too long and it's time for the Grim Reaper to collect!

Natsu: That's right! You are no brother of mine! You're just a heartless monster that doesn't care about anyone but himself!

Lincoln: Now, to use Lucy's signature spell on this monster!

Suddenly, Lincoln was surrounded by stars and the background became space itself lit by the endless stars in the sky as The Zodiac Signs and Constellations appear.

Lincoln: (Heavenly Godly Voice) Survey the Heavens, Open the Heavens...

All the stars, far and wide...

Show me thy appearance...

With such shine.

Oh Tetrabiblos...

I am the ruler of the stars...

Aspect become complete...

Open thy malevolent gate.

Oh 88 Stars of the heaven...

Shine!

Urano Metria!

Lincoln used Lucy's spell and fired blasts of stars and constellations at Zeraf and he got hit hard!

Me: WHOA!

Nico: Oh great, don't tell me you also learned the spells of The Fairy Tail Guild?

Suddenly, we saw a black aura surrounding Nico, and it's not good!

Sebastian Mendez: GIRLS, NOW!

NICO GOT POUNCED ON BY HIS HAREM AND THEY RIPPED OUT A CHIP THAT WAS ON HIS BUTT!

Nico: YOWCH!

Me: WHAT THE?! Is that a chip?!

May: Yep. This is a Negative Thought and Rebellion Chip implanted on Nico as a contingency plan by Audrey Madison when Morgana Midnight Sparkle brought her back!

WE GASPED!

Nico: (Groans) What the?! I may have had some pain, but I heard everything! (GROWLS) That bitch!

Lincoln: It's not just that, Nico. I found out you've been having dark thoughts about us and thinking we're questioning your leadership, but the truth is you've been poisoned not only by The Dark Orb's poison seeping out, but you've been poisoned by darkness caused by The Steelswarm Subjugation Coalition.

WE GASPED IN HORROR!

Me: OH GOD!

Nico: What?! (GASPS) Wait, I remembered that during our battle against Scott, someone fired a blast of darkness which hit me and I started getting poisoned by that darkness, it was none other than a plot by...!

Catherine Diamantis: Zarya Kendrick, Gene-Slammer of Steelswarm Hercules and leader of The Steelswarm Subjugation Coalition, Carly Draeger, Gene-Slammer of

Steelswarm Caller, Audrey Belial, Gene-Slammer of Steelswarm Caucastag, Selena Ashcroft, Gene-Slammer of Steelswarm Cell, Eileen Fravel, Gene-Slammer of Steelswarm Gatekeeper, Lilith Grimm, Gene-Slammer of Steelswarm Genome, Sarah Marwood, Gene-Slammer of Steelswarm Girastag, Heather Herodias, Gene-Slammer of Steelswarm Longhorn, Marlene Duvessa, Gene-Slammer of Steelswarm Mantis, Alvará Craven, Gene-Slammer of Steelswarm Moth, Elana Moros, Gene-Slammer of Steelswarm Roach, Roxanne Ondrushko, Gene-Slammer of Steelswarm Sentinel, and Marilyn Ashcroft, Gene-Slammer of Steelswarm Sting!

May: THOSE STUPID HEARTLESS CALLOUS BITCHES!

We heard the malevolent and heartless cackling of a coalition of stupid heartless bitches in the air, and we saw tornadoes of darkness appear, and as they faded, what stood in their place were thirteen girls with black hair, red eyes, red devil wings, black and red clothes, and they had the Steelswarm Subjugation Coalition symbol on their clothes and foreheads.

Catherine Diamantis: Zarya Kendrick, Carly Draeger, Audrey Belial, Selena Ashcroft, Eileen Fravel, Lilith Grimm, Sarah Marwood, Heather Herodias, Marlene Duvessa, Alvará Craven, Elana Moros, Roxanne Ondrushko, and Marilyn Ashcroft! I should've known you callous bitches would show up!

Zarya Kendrick: You and your goddamn friends ruined everything for us!

Carly Draegar: Because of you, not only did you stop our plans to destroy mankind and rule the world, you ruined our fun in destroying families and ruining their lives for our own sick twisted amusement and to satisfy our need for control, and you ruined our chance to destroy that white haired freak's family!

Me: So YOU GIRLS Are the Steelswarm Subjugation Coalition! We've heard all kinds of terrible things about you girls and how you ruined so many lives!

Carly Draeger: That is correct J.D.

I BLASTED CARLY DRAEGAR IN THE FACE WITH A FIRE BLAST!

Melanie Diamanda: You did this all to yourselves, Carly! You and your fucked-up friends were nothing more than narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for your own sick and twisted amusement and to satisfy your need for control!

Elizabeth Beaumont: But, when you threatened and tried to destroy Lincoln's family, you monsters crossed the line, and you deserved to have your lives ruined.

Giselle Greenwood: And we know you escaped yesterday after we killed Alecto Slytherin and sent his heartless butt to The Black Abyss forever and you were the ones who poisoned Nico with the poisonous darkness of Alecto Slytherin.

Roxanne Ondrushko: (CACKLING INSANELY) YES! YES WE DID! SO WE COULD SEE HIM DESTROY YOU ALL! NO ONE GETS IN OUR WAY AND HUMILIATES US AND DARES LIVE TO TELL THE TALE! (SCREECHES) NOBODY!

Zarya Kendrick: And now, we will destroy all of you and we will rule this world! YOU WILL ALL BOW BEFORE US, YOU

WORTHLESS VERMIN!

Zarya Kendrick, Carly Draeger, Audrey Belial, Selena Ashcroft, Eileen Fravel, Lilith Grimm, Sarah Marwood, Heather Herodias, Marlene Duvessa, Alvará Craven, Elana Moros, Roxanne Ondrushko, and Marilyn Ashcroft charged at us, but Lincoln trapped them in suspended animation, same with Zeraf.

Lincoln: That's it! No one does this to my friend and gets away with it!

Nico: You goddamn bitches, I'm gonna...! (GROWLS)

Lincoln placed a hand on Nico's stomach.

Lincoln: No, Nico, you're not in a condition to fight, not as long as you're still poisoned by darkness. J.D., you and the others stay here, my suspended animation power will keep Zarya and her friends in their place along with Zeraf. Nico, you're coming with me.

Nico: To where?

Lincoln: To the very place where we got purified forever: The Palace of Eternal Purification.

Lincoln recited the incantation, and then, a beam of heavenly light appeared from the ground and surrounded him and Nico, and when the column of light faded, they were back at The World Tree Estate and they headed to The Palace of Eternal Purification, the massive pure white building that looked like The Parthenon of Ancient Greece and The Pantheon of Ancient Rome, but twenty times larger with large white angel statues out in front that look like they're guarding the building and many more that are standing to the sides.

Nico: So, that's...?!

Lincoln: The Palace of True Eternal Purification, the very place place built to help those forever scarred by darkness be purified of all darkness, trauma, pain, and despair. 13.7 billion years, many people who came here have had their hearts purified and their minds and souls completely cleansed of all darkness, trauma, pain, despair, and all sorts of negative emotions, and the very place where I went to so that I could be rid of the last of Dark Chase Young's essence and be eternally purified for good and where J.D. was purified for good as well.

Nico knew in his heart that it needs to be done, or it'll be too late.

Nico: Lincoln, open the doors, I'm going in!

Lincoln opened the doors and Nico went in alone as the doors closed. As he walked throughout the building, the inside of the building was also twenty times larger than The Parthenon of Ancient Greece and The Pantheon of Ancient Rome, and inside, there were rows of ancient brave Houvoan warriors and angels, and there in the center stood a statue of Princess Ankhstarena.

Nico: (Amazed) Wow...!

Suddenly, the circle in the center in front of Princess Ankhstarena's statue glowed.

?: (Powerful Voice) Step forward.

Nico obeyed the powerful voice, and he stepped into the circle in the center in front of the statue of Princess Ankhstarena.

?: (Powerful Voice) You are indeed a strong warrior, but you also carry so much excessive negativity and darkness because of scars inflicted on you mentally. Do not worry, you shall be cleansed and purified at once.

Then, the oil basins were suddenly lit on fire along with torches with pure white flames, and then, Nico was suddenly being lifted off the ground and Nico was floating in mid-air. Then, Nico was then enveloped inside a white ball of light, and then, he felt his body coursing with white hot fire: this was the very ritual used to cleanse and purify fully all of those forever hurt and scarred by darkness and negativity.

Nico: (GRUNTS) (Thinking) Oh man, this feels really hot! It feels like liquid white hot fire is being injected into my body and it's really coursing through every fiber of my being! (GROWLS) Wait, I also feel something dark being sucked out of me!

Then, massive visible strains of dark energy were suddenly being pulled and sucked out right out of Lincoln: it was the very darkness and negativity brought on by the years of painful mental scars, vicious beatings, and many other horrifying things Nico went through and what's been happening now after Zarya Kendrick and her friends were ratted out as the culprits for poisoning him were also being sucked out of him and it was all gathering into a very massive ball of dark energy that was gathering in the center!

Then, the memories of all the good times I'd had throughout his life and the many years of joy and happiness along with his arrival to Michigan and joining Team Loud Phoenix Storm began flooding his mind: he saw that he was and always will be a true noble hero with a pure heart and soul who always lifts the darkness of all those around me with a smile and always helps those in need and brings down evil with the flames of justice, and that it was finally time to let go of the darkness that haunts him.

Then, The Dark Orb inside Nico was ripped out of his stomach and went into the dark energy ball along with its residual poison inside him, and Nico's stomach healed and sealed back up.

Suddenly, Nico felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and my enormous yellow angel wings and twelve sets of large yellow angel wings underneath his enormous yellow angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings on his eleven massive and long brown wolf tails and a rainbow sun and moon tattoo appeared on his bare chest glowed.

Nico: I am Nicholas Chan Also Known as Bokrua, The Champion of Friendship and Protector of Earth and Loved by All, Almighty Loving Son of Leandro and Aurora Chan, Almighty and Powerful Saiyan Warrior of Planet Vegeta, Destroyer of Frieza and Avenger of The Saiyans, Succeeding Leader of Team Loud Phoenix Storm, Emissary and

Champion of The Heavens, The Cosmos, The Universe, and The Multiverse and Beyond, Defender of All Life! This is who I am and always will be, and no one can take that away from me!

Finally, a heavenly white aura surrounded Nico: he was finally and fully purified of years of darkness and negativity that clouded his heart, mind, and soul. No more fear, no more darkness, and no more tears of sorrow shall be shed!

Suddenly, Nico's blue eyes with heavenly golden yellow circle surrounding them turned neon blue, and he was surrounded by a rainbow, white, golden yellow, and blue energy aura with aura energy, white, golden yellow, and blue heavenly flames, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, and Atomic Radiation surrounding the vortex, there are Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Great Old Ones, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Deer, Hippogriffs, Griffins, Perytons, Sphinxes, Manticores, Animals, and Mythological Animals, but then, it exploded out even more.

Back on Dilgan, everyone felt it from far away!

Eli: Whoa! Nico's energy and power is exploding even more!

Nebula Lanaia: What's happening?!

Me: It's Nico! (STOOD MY GROUND) WHOA! Holy shit, he's going through the same purification process Lincoln and I went through!

Suddenly, Nico let out a growl as his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body and his blue eyes and rainbow iris of his Third Eye remain the same, but the pupils turned into slits, his fangs grew longer and his rows of straight teeth remained the same, his enormous yellow angel wings and twelve sets of large yellow angel wings underneath his massive yellow angel wings remained the same, his twelve massive and long brown wolf tails and large brown wolf ears remained the same, his long wild yellow and dark blue hair going down to his upper back with multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow highlights in the bangs of his long yellow hair became wilder and his large gold halo with four large orbiting gold rings orbiting the corners behind his head remained the same along with the Yata no Kagami mirror behind the large gold halo behind my head and the four Yata no Kagami mirrors behind the four large orbiting gold rings.

SUDDENLY, AN EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSION BLASTED AND ERUPTED OUT OF NICO WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! THE EXPLOSION WAS SO INTENSELY POWERFUL THAT EVERYONE IN 900,000,000,000,000,000,000 UNIVERSES FELT IT AND THEN, IT FORMED INTO A MASSIVE JET OF RAINBOW FIRE AND IT FLEW OUT OF THE INFINITELY VAST WEB OF GALAXIES AND FORMED INTO A POWERFUL RAINBOW FIRE PHOENIX, RAINBOW FIRE GREAT APE, RAINBOW FIRE GORILLA, RAINBOW FIRE THUNDERBIRD, RAINBOW FIRE ANGEL, RAINBOW FIRE WEREWOLF, RAINBOW FIRE

?: (Powerful Manly Voice) Not quite yet. Now, there is one last thing to do.

Nico saw the very massive ball of dark energy in the center: the very darkness and negativity brought on by years of painful mental scars, vicious beatings, and many other horrifying things he went through and what's been happening now after Zarya Kendrick and her friends were exposed. Then, it started to take shape and it formed into

DARK NICO! It looked like Nico, but his hair was black hair and he had black sclera and bright red eyes full of that very darkness and negativity.

?: (Powerful Manly Voice) Now, you must slay the darkness that was once inside you, but now, has been forced out into the open.

Come then, (Aura explodes out) Let's do this!

Dark Nico: I WILL DESTROY YOU, AND THEN, I WILL DESTROY YOUR PATHETIC FAMILY AND ALL LIFE ON EARTH AND THE ENTIRE UNIVERSE!

Nico went after Dark Nico and he fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Dark Nico and they exploded with incredible power as they hit him.

Nico also attacked Dark Nico with his massive greatsword, and he mixed up his attacks with left hand punches, kicks, tail swipes from his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were brutal than ever, and he fired intense fire and elemental blasts at him and they explode with fiery and intense power.

Then, Dark Nico made a sword of darkness and we clashed with their swords, and it was fierce, but Nico overwhelmed

Dark Nico and destroyed his dark energy sword, and he was forced onto his knees.

Dark Nico: You think you've won?! You think this is the end! You will never be free, you will forever be haunted by darkness wherever you go! You will never be a true hero, you will fail and everything you worked for will also be burned to ashes!

But, Nico had a forever calm look on his face, and he never made any angry looks on his face, but he looked at Dark Nico with empathy.

It's true I suffered for years due to mental scars and losing those I held dear to my heart back in the past and I was plagued by darkness.

Nico raised his massive greatsword at Dark Nico, but then, the 620'11" massive wide, double-edged hulking gold blade was suddenly surrounded by a pure white purifying flame.

NICO REAPPEARED IN FRONT OF DARK NICO AND PIERCED HIM RIGHT IN HIS BLACK HEART WITH HIS MASSIVE GREATSWORD'S BLADE!

Then, Nico removed his massive greatsword from Dark Nico who fell to the floor, and the white purifying flame began spreading across Dark Nico's body, and he was being destroyed completely!

Nico walked away as Dark Nico exploded in white purifying flames and he was forever sent to The Black Abyss eternally forgotten. Then, outside of the temple, Lincoln saw the doors open, and Nico stepped out.

Lincoln: (Gasps) You did it, Nico, you purified yourself completely of the darkness inside you, and you also transformed!

Mine was rainbow and Zeref's was black. Our hands were locked together and the auras mixed and lightning clashed and formed in them. The storm clouds above them intensified and lightning struck at an incredible level at 400 bolts every half a second and the ground was shaking violently at an incredible level. Suddenly, from out of nowhere, an energy blast hit Zeref in the back and exploded and I headbutt him and kicked him in the stomach and sent him crashing into the ground! He exploded out with incredibly massive fury!

I punched Zeref in the stomach numerous times and kicked him in the face!

I ran at him with powerful energy blasts in my hands. Zeref tried to blast me, but I jumped over the energy blast and jumped behind him and I fired 2 powerful blasts! They hit Zeref and exploded with tremendous power!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

The inferno from the explosion was intense!

I then fired a massive barrage of energy blasts and blasted Zeref all over in a massive and incredible number of fiery explosions!

ZEREF SCREAMED IN EXCRUCIATING AGONY FROM THE BLASTS!

I then formed a rainbow energy ball.

Girl Jordan: We've been through this before and we are not going on a vacation!

Laney: We travel enough on missions so that's good enough. Also you know what lead to HIM wanting to rule the world when the Powerpuff Girls went into the future? It was them leaving for the Bahamas!

Lincoln: And when you guys sent me on vacation I didn't want to come back! So no! I am not going!

Lisa Loud: I apologize but negative. I will not take a vacation either.

Me: Nico you went through the same thing too. Need I remind you that you went crazy with those sock puppets?

Lincoln, Super Brother, and I formed a barrier, and then, James Blunt and Caleb Maxwell went after Zeref and they fired extremely powerful blasts of black and crimson red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, blood, vampire bats, demons, phoenixes, and angels, and they exploded with incredible power as they hit him. Then, they slashed at him with their massive demon fang greatswords and shot at him with their guns.

Suddenly, something appeared in James Blunt's large gold halo behind his head: it's a second smaller halo with intricate designs made out of light and The Sun and The Moon in it and six gold halos and in them are second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, my left ankle and right ankle, and beside his left and right thighs.

Suddenly, James Blunt's large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo and smaller halo with intricate designs made of light and The Sun and The Moon in it behind his head and the four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed with holy white light and golden yellow energy as it surrounded them.

And when the light faded, they were transformed: his large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo and smaller halo with intricate designs made of light and The Sun and The Moon in it behind his head transformed into Amaterasu's Heavenly Mirror of Four Holy Beasts, a large gold round Yata no Kagami-Shinjū-kyō-TLV-Chinese Mirror with a wolf howling at The Sun and Moon surrounded by images of gods and beasts from Chinese and Japanese myth on the reflective side and on the back of the large mirror is The Black Tortoise of The North, The Vermillion Bird of The South, The Azure Dragon of The East, and The White Tiger of The West accompanied by The Qilin, The Fenghuang, Yinglong, and The Spirit Turtle surrounding a Yin-Yang symbol with gold crescent moon ring-shaped frame around the mirror and embedded colored gems.

Lincoln also attacked him with his massive greatsword, and he mixed up his attacks with left hand punches, kicks, tail swipes from his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were more brutal than ever, and he let his massive white wolf with massive white angel wings companion also attack him too with incredible fury and he fired intense fire and elemental blasts at him and they explode with fiery and intense power.

Then, Lincoln fired 999 massive balls of fire from his left hand and they orbited around Zeref and they collided and exploded as they hit him, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more and the immense divine powers of the Ancient Gods and Goddesses.

He even slashed Zeref in the stomach with his left hand's gold-armored dragon claws and his massive greatsword leaving bloody and brutal claw marks on the stomach, and the wounds got cauterized because of the intense heating up of his gold-armored dragon claws and his left hand's finger claws and massive greatsword!

Arpina Infernaira: Ooh! Now, that's just brutal.

Finally, Lincoln formed a massive blue fireball in his left hand and he threw it down, and it sunk into the ground unleashing a storm of lightning bolts and raging blue fire, and...!

KRABOOM!

IT EXPLODED IN A MASSIVE FIERY EXPLOSION OF BLUE FIRE AS THE PILLAR ROSE INTO THE AIR AND THE EXPLOSION HITS ZEREF, AND SEVEREAL PILLARS OF BLUE FIRE ROSE FROM THE GROUND AND HIT HIM AND HE GOT BURNED SEVERELY!

But one and the same

Like starlight and moonshine

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

'Cause there is nopony quite like you

So let your magic run wild

Let your magic run wild

If you could only see everything you could be

You would spend your whole life shinin'

Let your magic run wild

Let your magic run wild

(Now it's the time to light up the sky)

Let your magic run wild

(Now it's the time)

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into the stomach of Zeref and a cluster of rainbow, white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 620'11" massive, wide, double-edged gold blade of his massive greatsword, I formed a very massive glowing rainbow energy blade surrounding the 620'11" massive, wide, double-edged gold blade of my massive greatsword, and Nico formed a very massive glowing rainbow energy blade surrounding the 620'11" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and I: NOW, GO TO HELL, ZEREF!

Lincoln, Nico, and I did one final powerful energy slash that hit Zeref hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Zeref was on his last legs and he was really really mangled.

Finally, Lincoln, Nico, and I fired massive rainbow energy beams at Zeref and they exploded as he was destroyed forever, and he was banished to The Black Abyss. We cheered as we holstered our weapons and powered down, and Nico's new body, clothes, jewelry, Third Eye, larger brown wolf ears, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and longer brown wolf tails, large gold halo and large Amaterasu's Heavenly Mirror of The Four Holy Beasts with sun ring-shaped frame with embedded colored gems behind the large gold halo and second smaller halo of light behind his head and four large orbiting gold rings on each corner with four large Amaterasu's Heavenly Mirrors of The Four Holy Beasts with sun ring-shaped frames with embedded colored gems on each corner behind the four large orbiting gold rings, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large planets orbiting around is legs, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 smaller planets orbiting around is waist, smaller planets orbiting around his fingers, medium sized planets orbiting around is wrists and ankles and enormous yellow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,9

99,999 sets of large yellow angel wings underneath his enormous yellow angel wings are permanent.

We then returned home. At Fairy Tail Guild a massive party was held!

Nico: That should do it.

Me: Yep. Now, Zeref's gone forever.

Lincoln: And another Fiore villain is gone forever. Now, for one last piece of business. (Finds Universe 666 Yugi and his friends) Aha! Got them. Now, to get them back to our home. (SNAPS FINGERS)

Lincoln snapped his fingers, and beams of light appeared, and as they faded, we saw the Universe 666 versions of Yugi and his friends, but they were tattered rags and they had shackles on them and they also had bruises and lashes.

WE GASPED IN HORROR!

Nico: That fucked up snake!

Me: He's so dead when when the day of the prophecy comes!

Universe 666 Yugi: W-where are we?!

Lincoln: You're home. Oh, and here's some familiar faces.

Then, they saw the Universe 666 Me, Lincoln, and all of the other victims of Universe 666 Nico.

Universe 666 Tea Gardner: J.D., Lincoln, everyone?! Y-you're...?

Universe 666 Lincoln: (Smiles Sadly) It's good to see you guys again.

They hugged and cried tears of joy.

Universe 666 Eli: Father!

Universe 666 Eli hugged Universe 666 Atem, and he cried tears of joy as well.

Yugi: They're back home at last, but won't those aliens come after us to get them back?

Lincoln: I don't think so. Plus, I got all of the other enslaved aliens back home to their home planets to do this.

Then, we saw on a one-way viewing mirror Lincoln made, and then, Lincoln fired a massive wave of energy at the alien slave planet, and then, we saw the aliens and their planet being sucked dry of all their energy, and it all began flowing into Lincoln as he began growing stronger, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels so good. RRGH!

Then, as soon as Lincoln was done, the slave aliens were sucked dry of all energy and left as desiccated and mummified corpses and their entire planet was sucked dry of all its energy as it crumpled to dust in space.

Sam S. Loud: And good riddance to that planet.

Luna: Thank goodness that's done with.

Dexter: Indeed.

Lisa Loud: Now, we won't have anymore problems with that planet ever again.

Me: That's for sure.

Lincoln: And we got rid of Zarya Kendrick and her friends who poisoned Nico and almost made him try to turn against us and kill us, and destroyed Audrey Madison's Rebellion Chip that was on him.

Nico: Those monster bitches did that to me, and they deserved to die, and I always knew that Audrey Madison wouldn't be forgotten that easily, she was an absolute monster bitch and filthy slut who hated us for a long time and wanted us all dead. But, wait, if she'd been brought back months ago, that means her evil family has been brought back too!

Lincoln: We'll deal with them when the time comes.

Qin: Yep.

Nico: I need a new contingency plan for myself.

Me: How about this?

I took a huge mallet and then...

KRABLAM!

I bashed Nico on his head and flattened him into a pancake.

Nico: OUCH!

Natsu, Grey and Master Makarov hoisted me up!

The girls of Fairy Tail smothered Lincoln's face with their breasts.

We laughed!

Me: Lincoln is in heaven.

Eclair: He sure is.

Qin: Yeah!

Nico: He sure is.

Mega Vaporeon: I'll say!

Nico: Nice job Mega Vaporeon.

Me: Except for getting justice for Sarah here

Sarah Reginald: Yeah.

Nico: Okay that.

Goop: Yeah that is for sure.

Qin: Yep.

Nico: Oh Goop, what do you like to do in your free time?

Goop: Oh this...

He splattered Nico with slime!

Nico: YUCK!

Goop: (LAUGHS) Just kidding. I work at the jello factory and make awesome flavors of jello.

Me: Yummy.

Xenia: Nico.

Nico: Something you need to ask, Xenia?

Xenia: Oh no. That just came out unintentionally.

Qin: Oops.

Me: Yeah.

Nico: No worries.

Qin: Good.

Nico: Now for the Anothers.

Lincoln: (Sensed The Anothers) Ah, and The Anothers are coming.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is The Avatar of The Mirror Card.

Nico: Uh oh!

Lincoln: Don't worry, she only uses the power of reflections and mirrors on villains.

Me: Nice. So Goop, Dark Magician Girl, Revival Jam, Suu (Daily Life with a Monster Girl), Toon Dark Magician Girl and Toon Gemini Elf are up and that means we ot Another Slime Monster (TTG), Dimitri (Yugioh GX), Slime Mutant (Scooby

Lenora Laval: Friendly. And the Another Jonny is funny too.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

Maria: (Gets out Hollywood Wolf's Ridewatch) Take this!

Dark Magician Girl: (Gets out Dimitri's Ridewatch) This is a duel of fun!

They used the powers of Slime Monster (TTG), Dimitri (Yugioh GX), Slime Mutant (Scooby Doo), PuruPuru, Hollywood Wolf and Alcatraz Jailbird (Looney Tunes) and blasted the Anothers.

Me: YEAH!

Nico: (to Jonny) Remember to do your annoying phase on Tim Buktu.

Jonny: Why?

Nico: Exactly.

Ed: And people really like it when you poke them on the head.

POINK POINK POINK POINK POINK POINK!

Ed poked Poromon on the head.

Ed: See? Poromon likes it.

Poromon: That's what you think!

Me: And they like this too!

LOUD NASTY CRUNCH!

I cracked my knuckles loud!

Ed and the Mascots: WHAT A PEST!

Edd: Thats disgusting.

Poliwag: MAKE HIM STOP!

Then Armored Gorilla, Miracle Matter (Rock Form), Miracle Matter (Bomb Form), Miracle Matter (Lightning Form), Miracle Matter (Cut Form) and Miracle Matter (Needle Form) came.

Nico: WHOA! Nice team Armored Gorilla!

Armored Gorilla. Thanks.

Me: Bloxx and his team next.

Bloxx: Got that right.

Me: Cool!

Qin: Yep.

Then a beam of orange light hit the Anothers and blasted them down and I caught the ridewatches and purified them!

Me: WHOA!

Out came Herald of Orange Light!

Me: WHOA! Herald of Orange Light!

Nico: Wow!

Herald of Orange Light: (In a girls light) That was awesome!

Nico: Nina Orange! Wow!

She reverted back.

Nina Orange: Good to see you Nico.

Nico: Yep. Great job!

Nina Orange: Thanks! That was fun.

Dark Magician Girl: It sure was. Do you have a great memory of Nico?

Nina Orange: I sure do. When me and Nico were in science class and we made a light formula and blasted a school bully and made him super greedy and he stole all of the school fundraiser money and we got him expelled and sent to jail.

Me: WHOA! That was clever!

Qin: Like an artificial version of the Orange Lantern Light of Avarice.

Nico: Exactly!

Nico and Nina hugged.

Nico: I've missed you.

Nina Orange: Same here.

We went back home.

We got a move-on, and we spotted our target: the clone of Mirror Lord who has The Dark Mirror Card in hand. Lincoln fired an energy blast that hit him that forced The Dark Mirror Card to come out and took on its true form. Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of The Dark Mirror Card and he began sucking out all its mirror and reflection powers and magical powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels really good! RRGH!

Then, when Lincoln was done and the stingers changed back, The Dark Mirror Card was weakened to a severe degree.

Alexander Avalon: Alright, now's our chance! Serenity, Sakura, Sarah!

Alexander Avalon raised his staff, same with Serenity, Sakura, and Sarah, as the magic circle appeared beneath their feet.

Alexander Avalon, Serenity Avalon, Sarah Avalon, and Sakura Avalon: Powers of Light and Dark, hear our plight, descend upon this world and undo the dark magic of Salazar Slytherin!

They fired beams of light from their staffs that hit the weakened Dark Mirror Card, and the light destroyed it and the card was rendered blank and it went into The Dark Clow Book, and in the place of the Dark Mirror Card was a black onyx sphere with a green ominous light and a black and green aura surrounding it. But, then, the black and green aura released negative energy which we absorbed and it made us stronger.

Nico: Awesome! Now, for our final target: the clone of Mirror Lord.

The clone of Mirror Lord fired metal at us, but Lincoln absorbed the metal into his body and it made him stronger.

Lincoln: Nice try. Alright, let's get him.

Robin Hood went after the clone of Mirror Lord, and he fired extremely powerful blasts of green, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, leaves, plants, nature, arrows, foxes, owls, phoenixes, and angels which exploded as they hit him, then he attacked him with the blades on his bow leaving scars on him, and he fired arrows at him that transformed into many arrows with leaves surrounding them and he got hit all over the place.

Lincoln, Super Brother and his harem and sisters and team, Robin Hood, Alexander Avalon, Ricky, Rufus, Margie, Sherlock Hound, Skippy the Bush Kangaroo, Red Savarin, Rayman, Juniper Lee, Von Lycaon, and Sly Cooper went after the clone, and they fired extremely powerful blasts of rainbow, green, royal blue, royal red, royal green, black and blood red, red and yellow, purple and red, magenta and pink, white and black, blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, nature, leaves, darkness, dark magic, black magic, Satanic Magic, fire, flames, lightning, snow, ice, snowflakes, ice crystals, kangaroos, wolves, witches, ogres, raccoons, devil hounds, demons, devils, owls, foxes, phoenixes, and angels at him, and they exploded with incredible power as they hit him. Then, Von Lycaon and Skippy the Bush Kangaroo punched them hard with their gauntlets and kicked him with their greaves and he got hit hard, and Red Savarin slashed at him with his massive greatsword and shot him with bullets and stun blasts and Sly Cooper whacked him hard with his new cane, same with Alexander Avalon, Ricky, Rufus, and Margie when they hit him on the head with a swing of their staffs.

Then, Skippy balanced himself on his tail and delivered a hard kick to the clones, and they screamed in agonizing

pain.

Lincoln continued smashing the clone hard with his extremely massive godly superhuman strength, and they were no match due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering him and he even attacked him using the immense power and abilities of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more and the immense divine powers of The Ancient Gods and Goddesses, and we did the same as well.

Varie: UNREAL! Our speed and reflexes are still even faster than ever!

May: We can't keep track of our own movements and we're even more stronger than ever! Look at how we're continuing to smash him all over the place!

Matilda Roo: (Australian Accent) Same here.

Calida Vulcania: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Calida Vulcania's waist and hugged her, and Calida Vulcania was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, thick brown goatee on his chin, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Calida Vulcania: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 620'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Calida Vulcania, Avatar and Gene-Slammer of Laval Archer, she's Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lava Archer. She's The Volcanic Lava Archer Master and member of The Volcanic Laval Masters of Courage, a group of courageous girls who are the Avatars and Gene-Slammers of The Laval Duel Monsters and they're born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and their goal is to protect and defend Lincoln from his enemies, and they are the bravest, strongest, and courageous of Lincoln's Guardian Angels. No one was able to defeat them in battle, and if they dared to anger them, they were going to get burned in a pretty nasty way. Calida Vulcania came to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Archer, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Pyrokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Archer, and Lincoln was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a fire greatsword and he also gave her a phoenix tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lynn and Lola a lot with using lava and fire, and Calida Vulcania hates Flip with a passion because that moron almost tried to scam her family and almost cost them their home and all their savings. Calida got super enraged and angry, she fired a massive blast of fire at that mutant, and the blast of fire scorched off all his sweat-stained smelly clothes leaving him butt-naked, and the cops got called, and they arrested Flip again and took him back to prison!

Nico: Lincoln told us of what you did, that mutant got what was coming to him.

Me: And you don't have to worry, we sent him to The Black Abyss last year and in the beginning of this year, we also sent his entire family to The Black Abyss too.

Lincoln: He's gone for good, and he is never ever coming back, and now that you're here, Calida.

Lincoln with his massive muscular arms still wrapped around Calida Vulcania's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Calida Vulcania: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Calida Vulcania with crimson red gems on the gold lightning bolts and crimson red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and a rainbow Thunderbird wedding ring on her left pinkie.

Calida Vulcania: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Calida Vulcania.

Calida Vulcania had a smile on their faces and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Calida Vulcania's waist, and he leaned down to her face and kissed her on the lips, and with Calida Vulcania's hands still on his massive hairy pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Calida Vulcania had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Calida Vulcania: (In Heaven) My God. And Lincoln, tell the guys to run to their rooms, the five girls I rescued are...!

Red Savarin and Travis Tackett: GUYS, YOU KNOW THE SIGNAL! MOVE!

We ran into our rooms leaving Lincoln, Nicole, and his harem, then they went up to the five girls, and when Lincoln saw them, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the five girls are Shinju, Haruna Mishio, Yachiyo Ryugato, Suzu Niinuma, and Nanase Tsuzuki from Haison Shoujo [Ni] ~Kageri Sasou Hime no Hako~.

Lincoln: Oh whoa, it's Shinju, Haruna Mishio, Yachiyo Ryugato, Suzu Niinuma, and Nanase Tsuzuki from Haison Shoujo [Ni] ~Kageri Sasou Hime no Hako~.

Nicole: Uh oh, Travis and Red warned the rest of the guys to flee to their rooms on time, the girls are cute but also sexy.

Lincoln: And that means easy targets for those out to murder them. Are you girls okay?

Shinju: Yes, we're okay, thanks to you.

Then, when Shinju and the other four girls saw who it was that saved them from The Dark Mirror Card and the clone of Mirror Lord, their faces turned atomic red and their noses gushed out blood upon seeing the 620'11" tall, handsome heartthrob hulking wolfman with abnormally massive and powerful upper and lower body muscles covered in light brown fur, tan fur covering his massive pecs, hands, and He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Shinju: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Maria: Okay, guys, come on out.

We came back out.

Maria: We took down another Dark Clow Card and Lincoln sucked out its powers and absorbed yet another of Alecto's forces.

May: That's for sure.

Lincoln: And with Alecto finally dead, all that's left is to put an end to his plan.

?: That's for sure.

Suddenly, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, tanned skin, long blonde hair, dark blue eyes, she was dressed in a rainbow two-piece bikini, she has massive rainbow angel wings, and she has a nature greatsword in hand.

Nico: The only female Heavenairairan that only you know, Lincoln.

Lincoln: That's right.

Anna Anyanova: And we also know her too, this is Hailey Heavenairaira, Queen of the Heavenairairans of Heavenairaira, she's Lincoln's Guardian Angel from the planet of Heavenairaira in The Forbidden Zone, she's The Queen of The Heavenairairans, who rules Heavenairaira, a planet that's like Heaven and Paradise times infinity and is like 999,999,999,999,999,999,999,999,999,999,999,999,999 Gardens of Eden times infinity, and is a place of true beauty and heavenly light, and she's also far more powerful than her own people: in addition to being a natural born fighter and having immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of light, purity, The Seven Heavenly Virtues, Holy Light, Holy Arts, Light Magic, and the immense omnipotent powers of God, The Angels, and Archangels of Heaven times infinity, and the ability to grow even stronger, but she was also born with angel wings, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of light, purity, The Seven Heavenly Virtues, Holy Light, Holy Arts, Light Magic, and the immense omnipotent powers of God, The Angels, and Archangels of Heaven times infinity, and the ability to grow even stronger, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to Heavenairaira where he would meet The Heavenairairans and when he'd arrived, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the male Heavenairairans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of light, purity, The Seven Heavenly Virtues, Holy Light, Holy Fire, Holy Arts, Light Magic, and the immense omnipotent powers of God, The Angels, and Archangels of Heaven times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb Heavenairaira and its core into his body and Heavenairaira's Sun into his body to preserve their legacy. Hailey Heavenairaira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the immense powers of immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of light, purity, The Seven Heavenly Virtues, Holy

Light, Holy Fire, Holy Arts, Light Magic, and the immense omnipotent powers of God, The Angels, and Archangels of Heaven times infinity, and the ability to grow even stronger, and all the powers of her people, and over time, Lincoln gained even more immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, and immense superhuman endurance, omnipotent power, immense omnipotent powers of light, purity, The Seven Heavenly Virtues, Holy Light, Holy Arts, Holy Fire, Light Magic, and the immense omnipotent powers of God, The Angels, and Archangels of Heaven times infinity, and the ability to grow even stronger, and all the powers of The Heavenairairans times infinity, and he was already born with immortality and invincibility and his powers also grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility and male fertility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln had undergone the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of souls of the male Heavenairairans gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of light, purity, The Seven Heavenly Virtues, Holy Light, Holy Fire, Holy Arts, Light Magic, and the immense omnipotent powers of God, The Angels, and Archangels of Heaven times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, Lincoln absorbing Heavenairaira and its core and Heavenairaira's Sun into his body to preserve their legacy. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to have them incinerated by the holy fires of Heavenairaira and banished forever to The Black Abyss with the power of Heavenairaira.

Me: That's incredible.

Hailey Heavenairaira: Thanks, and I know last night, Lincoln had undergone the rite of absorbing the septillions of trillions of male Heavenairairans along with my father into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of light, purity, The Seven Heavenly Virtues, Holy Light, Holy Fire, Holy Arts, Light Magic, and the immense omnipotent powers of God, The Angels, and Archangels of Heaven times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, absorbing Heavenairaira and its core and Heavenairaira's Sun into his body to preserve their legacy.

Arpina Infernaira: That's right.

Me: Wait, you also included immense virility and fertility as well? That means...!

Hailey Heavenairaira: We knew Lincoln's quite the virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever.

Rita: We had no idea about it before. But, during Lincoln's check-ups with Dr. Feinstein, he did show us all of what you just told us, Alana.

Nico: Wow...!

Hailey Heavenairaira: I know that shocked you all especially Regina's journal about Lincoln's health reports, but everything I told you is all true, and it's good to see you again, Lincoln, but wow, you've really grown a lot in height and muscle mass since last I saw you.

Suddenly, Lincoln pinned Hailey Heavenairaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the

spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Hailey Heavenairaira with rainbow gems on the gold lightning bolts and rainbow crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle and beside his left and right thighs and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more like what happened yesterday.

Hailey Heavenairaira: That's my special gift to him: Heavenairaira's Blessing of Divine Heavenly Power Justice, and each of the Forbidden Zone Planet Queens have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 620'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Hailey Heavenairaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as

well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Heavenairairans both males and females were extremely passionate when it came to sex and lovemaking.

Lily the Mermaid: Ooh boy.

After Lincoln drained The Dark Mirror Card of all its powers and absorbed the clone of Mirror Lord after we took him down, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well and we were really sweating up a storm, and when Calida Vulcania saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,9

99,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and he was sweating up a storm, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Calida Vulcania: My God, I was right that Lincoln's really grown into a 620'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all

bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Calida, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Calida Vulcania: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Calida Vulcania: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with my enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large rainbow angel wings underneath my enormous rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

And when Super Brother's harem saw Super Brother doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and he was sweating up a

storm, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

And when Nico's harem saw Nico doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous yellow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large yellow angel wings underneath his enormous white angel wings and he was sweating up a storm, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

Suddenly, the alarm triggered, and when Lincoln saw it, he saw a familiar figure from the past of The Volcanic Laval Masters of Courage: a 50'11" tall male with crimson red hair and he's also extremely with extremely massive and powerful upper and lower body muscles and twelve-pack abs, crimson red eyes, crimson red angel wings, he has on a crimson red shirt, crimson red pants, and black knee-high boots, and in his right hand is a massive greatsword measuring at 55'11" in length with a flame etched on the 45'11" massive, wide, double-edged blade, large gold crossguard with red gem built in, long 10'11" midnight black handle, and large red gem below a golden ring for the pommel and large gold ring with crimson red fur tassel tied to it and holstered on his right hip is a crimson red twin-barred gun.

Adara Vulcania: Oh God, that's Aodhan Vulcania, Avatar and Gene-Slammer of All The Laval Duel Monsters, he's known as The Ultimate Volcanic Lava Mythical Beast Master of The Volcanic Laval Masters of Courage, he was born with crimson red angel wings, immense superhuman strength, immense superhuman durability, immense superhuman endurance, immense superhuman speed, immense superhuman senses, immense superhuman reflexes, immense superhuman flexibility, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Pyrokinesis, Cosmic Awareness, the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, The Mighty Dragon, and all the creatures of fire.

Ember Vulcania: He's the strongest of The Volcanic Laval Masters of Courage, but what's he doing here? We hadn't seen him in two years. Why is he back now?

Then, we saw that he was fighting an army of Team Buktu thugs who are now out to kill us.

Lincoln: Those Team Buktu shitheads!

Me: They found out their time's almost up! And now, they want to destroy us!

Nico: Fucking lowlifes!

Suddenly, Aodhan Vulcania covered the 45'11" massive, wide, double-edged blade of his massive greatsword in fire and lava.

Aodhan Vulcania: Now, you burn, Team Buktu shitheads!

Aodhan Vulcania swung his massive greatsword a great multitude of crimes slashing the thugs with fiery slashes that reduced them to ashes, he also got out his gun and shot two of them in the heart and the thugs burst into flames and were reduced to ashes, and he fired massive fireballs at more of them, and with one swing of his massive greatsword, they exploded and released shockwaves of flames that burned many more of them and reduced the last of the thugs to ashes.

Me: Whoa!

Anala Vulcania: We also forgot to mention that he goes wild when killing thugs.

Then, Aodhan Vulcania holstered his massive greatsword on his back and his gun on his right hip, and he came inside.

Adara Vulcania: I should've known you'd one day show up again, Aodhan. You got some damn nerve coming back here after what happened two years ago!

Suddenly, the girls started getting fired up!

Aodhan Vulcania: That's enough, if you don't want me to throw you girls in lava again, you'll cool it with the fireworks.

They growled but they cooled it.

Me: Okay, aside from that, why did you come here after...?

Aodhan Vulcania: I heard you guys are going after Team Buktu later on today, right? See, the thing is our parents,... (Sighs) our parents were murdered by those freaks, Evil Neutron, Scott, Tim Buktu, and Evil Sasuke two years ago. Long before they set off their big plan, they broke into my parents' home while I was away at college and...they slaughtered them like animals.

WE GASPED!

Adara Vulcania: No! NO, THIS CAN'T BE! (GRABS AODHAN BY THE SHIRT COLLAR) TELL US YOU ARE LYING, AODHAN!

Aodhan Vulcania: I'm not lying. While you girls were away on your tours, I stayed at home and took care of Mom and Dad while going off to college. The night they got murdered, I sent you all the text of what happened, and as soon as you heard it, you ran back home and found Mom and Dad lying dead proving what I told you. But, you all got pissed off at me and blamed me for not coming back home earlier to save them, I was coming back from college after dealing with yet another damned stunt your hated rivals from Lansing University started!

Suddenly, the fiery aura coming off of Aodhan Vulcania was getting to be extremely hot as the temperature was rising beyond hot!

Aodhan Vulcania: You and every last one of you blamed me for our parents' deaths, you and the others were too damn fiery tempered, Adara, and it made you blind to anger, that's exactly...! That's exactly the very reason why I was the one who decided to cut all ties with you and the rest of them!

He blew them away with one angry blast of fire at them as they rebounded from the wall and landed on their feet. But, then, he cooled down.

Aodhan Vulcania: Do you have any idea how much I was hurt by that as your brother, your older brother?! I was so pissed off at you girls big time by letting your anger blind you on that day, and it was my fault for not coming back home in time to save them, if I did, I would've killed them all. Yet, I chose not to and instead focused on trying to find out who did this to our parents, and once I did, I trained even more to become even more stronger, I swore I was going to make those shitheads pay, especially if it means slaughtering them like the animals that they are.

Anala Vulcania: But, it won't even change the fact that you cut all ties with us forever!

Aodhan Vulcania: I know! But, I wanted to change that fate I put on myself, I wanted to find you all again and mend the ties and rebuild the bridges that I burned. But, it doesn't mean there's no harm in trying to mend everything that was burned.

Ichigo: You're not only telling the truth, but I know you've been wounded by that choice you made two years ago.

Lincoln: Still, Aodhan, it's gonna take time though, things said out of anger are really hard to take back.

Adara Vulcania: He's right. It'll take time after what happened.

Aodhan Vulcania was welcomed into the team. Then, Lincoln, his harem and kids, and Braeden Carnes headed for The Earth Elemental Land.

Braeden Carnes: This is our next stop: The Earth Elemental Land.

Lincoln: Wow, it's really beautiful.

Applejack: You said it, The Earth Skylanders would feel right at home here. So, who's our next target?

Braeden Carnes: That would be The Dark Dragon Hunters: Skycrush, Blazing Insect, Terrorspike, Venom Death, Hideyoshi, Freeze Blizzard, Coronel Skourge, General Shockblast, The Crocogator, and Wolf Bite.

?: You got some nerve showing up, Carnes!

Then, they saw the targets: The Dark Dragon Hunters:

Skycrush, a darker pinkish Earth Pony with long dark and light blue hair stripy hair done up in a long ponytail held up by a silver metallic bob, and blue eyes. she wore the blackish battle armor with red mini-skirt and twin red-feathers helmet.

Blazing Insect, a blackish metallic masked Pegasas who wears a black fire suit and yellow metallic insect-like wings.

Terrorspike, a handsome yet demonically brown Pegasus with darker yellow and orange mixed spiky mane and tail dressed in his crimson Samurai armor. He also has a dark red tattoo on the left side of his face.

Venom Death, a blue Pegasus who wears a black wrestler's suit with armor and a Diablo-like mask, and his cutie mark is a snake with Venom drop and muscle symbol.

Hideyoshi, a white Japanese macaque with a purple tail. He wears golden Japanese armor and robes.

Freeze Blizzard, a metallic white and bluish Unicorn with crimson eyes, and mane & tail are black and red.

Coronel Skourge, a scrawny yet muscular grasshopper-like creature who wears a scary helmet, reddish armor for the crest and lower parts, gauntlets, knee pads and its lowered armor.

General Shockblast, a gigantic bodybuilder yet demonic mechanical robot who has a dark yellow single-optic with three pointy spikes and mandibles. He has dark purple colored mechanical armor, his left arm was replaced with a powerful cannon-like blaster and his right arm has a metallic claw.

The Crocogator, a large humanoid crocodile/alligator with sharp pointy teeth, huge long arm and stands on his hind legs. He has purple eyes, a red mohawk, light green crocodile skin with light yellow belly and lower jaw, and long sharp black claws. He wears green scale-textured pants and has a large tail.

And Wolf Bite, a tall and remarkably muscular wolf who has a red right eye with black outlines around it while he sports a stereotypical black eye patch on his left eye, long silver hair with dark blue streak, tall pointed ears, a set of sharp teeth usually shown when he is smiling or snarling, a bushy tail with a split at the tip. Braeden Carnes: Skycrush, Blazing Insect, Terrorspike, Venom Death, Hideyoshi, Freeze Blizzard, Coronel Skourge, General Shockblast, The Crocogator, and Wolf Bite, The Dark Dragon Hunters, I should've known.

Wolf Bite: : You're not stopping us this time, Carnes! Soon, The Elemental Realms and this world will be ours!

Lincoln: (Fiery Godly Voice) No, that's not happening, Dark Dragon Hunters. We're ending this for good.

Lincoln, his harem and kids, and Braeden Carnes went at Skycrush, Blazing Insect, Terrorspike, Venom Death, Hideyoshi, Freeze Blizzard, Coronel Skourge, General Shockblast, The Crocogator, and Wolf Bite and blasted them with energy blasts and elements and knocked them down.

Then, Braeden Carnes got out his specially made Traps and threw them, and they began sucking in Skycrush, Blazing Insect, Terrorspike, Venom Death, Hideyoshi, Freeze Blizzard, Coronel Skourge, General Shockblast, The Crocogator, and Wolf Bite.

Skycrush, Blazing Insect, Terrorspike, Venom Death, Hideyoshi, Freeze Blizzard, Coronel Skourge, General Shockblast, The Crocogator, and Wolf Bite: You can't do this to us!

Then, The Dark Dragon Hunters were sealed into the Traps that went back into Braeden's hand.

Wolf Bite: Curse you, Braeden! WE'LL GET YOU FOR THIS!

Braeden Carnes: It's over, Wolf Bite. But, I'm not killing you nor any of the others, all of you are just as much a part of The Elemental Lands as The Elemental Heroes, I intend to redeem you all and free you from this cursed path you set out on.

Terrorspike: Maybe, I think it's time for a career change.

Wolf Bite: Alright, fine.

They came back home.

Me: So, that was the fourth part down.

Lincoln: And eight more to go. But, so far so good, and it's just like our adventures in The Skylands.

Nico: You said it.

Braeden Carnes: That's right. Soon, we'll be reunited once more, and the person responsible for this will pay.

We got a shower, and then, Lincoln, Larxene, Walpeach, Cherry Boom the Tenrec, Doctor Dra the Fox, Simulator Aqua, Simulator Namine, Legacy Arcee, and Legacy Stormcloud are heading to Bubblaine, and joining them are the rest of Lincoln's harem.

Lincoln snapped his fingers, and the 620'11", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow

flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Larxene, Walpeach, Cherry Boom the Tenrec, Doctor Dra the Fox, Simulator Aqua, Simulator Namine, Legacy Arcee, and Legacy Stormcloud and the rest of Lincoln's harem were dressed in colored two-piece bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Larxene, Walpeach, Cherry Boom the Tenrec, Doctor Dra the Fox, Simulator Aqua, Simulator Namine, Legacy Arcee, and Legacy Stormcloud had feelings for Lincoln, and he also had feelings for them and he also saved them from an ambush by a group of musclebound criminals, and Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all.

Cherry Boom the Tenrec: Wow, we're here in Bubblaine, it's so beautiful.

Lincoln: You said it, Cherry Boom, and it's perfect for our first date, but the next hypothetical Akuma clone is going to try to ruin our date and kill us.

Lincoln, Larxene, Walpeach, Cherry Boom the Tenrec, Doctor Dra the Fox, Simulator Aqua, Simulator Namine, Legacy Arcee, and Legacy Stormcloud, and the rest of Lincoln's harem dived into the waters and began swimming, and they also saw the marine life that live there, then they went back to the beach, and Larxene, Walpeach, Cherry Boom the Tenrec, Doctor Dra the Fox, Simulator Aqua, Simulator Namine, Legacy Arcee, and Legacy Stormcloud, and the rest of Lincoln's harem also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he did the same thing giving Larxene, Walpeach, Cherry Boom the Tenrec, Doctor Dra the Fox, Simulator Aqua, Simulator Namine, Legacy Arcee, and Legacy Stormcloud and the rest of his harem a deep tissue massage, and when he was done with that, they were relaxed. Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Larxene, Walpeach, Cherry Boom the Tenrec, Doctor Dra the Fox, Simulator Aqua, Simulator Namine, Legacy Arcee, and Legacy Stormcloud and the rest of Lincoln's harem got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Lily the Mermaid: (Swooning) He's still such a handsome and manly wolf hunk.

Suddenly, they saw the clone of Evil HERO Hades Neos.

Anna Anyanova: Uh oh, is that...?!

Lincoln: The clone of Evil HERO Hades Neos, Jaden's hypothetical Akuma.

Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the clone of Evil HERO Hades Neos and he began absorbing him and he assimilated Evil HERO Hades Neos' powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

Then, when Lincoln was done and the stingers changed back, Lincoln sucked out every last bit of energy from the clone's soul and the clone faded and Lincoln let out a loud and massive roar of dominance and power as he pounded his strong chest like an Alpha Male gorilla and fire and winds exploded out of his massive biceps and muscles.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Larxene, Walpeach, Cherry Boom the Tenrec, Doctor Dra the Fox, Simulator Aqua, Simulator Namine, Legacy Arcee, and Legacy Stormcloud and the rest of his harem and he hugged them in his abnormally massive and powerful muscular arms, and Larxene, Walpeach, Cherry Boom the Tenrec, Doctor Dra the Fox, Simulator Aqua, Simulator Namine, Legacy Arcee, and Legacy Stormcloud and the rest of Lincoln's harem placed their hands on Lincoln's massive hairy pecs, but he wasn't done. Then, he had them lying down on a beach towel with him on top of them.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into their right trapezius and he began feeding on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He slowly unlatched his fangs from their right trapezius as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Bubblaine, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the neck of Larxene, Walpeach, Cherry Boom the Tenrec, Doctor Dra the Fox, Simulator Aqua, Simulator Namine, Legacy Arcee, and Legacy Stormcloud with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklace of Shangdi along with fourteen white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: And now, Larxene, Walpeach, Cherry Boom the Tenrec, Doctor Dra the Fox, Simulator Aqua, Simulator Namine, Legacy Arcee, and Legacy Stormcloud are in your harem, Linky.

Larxene, Walpeach, Cherry Boom the Tenrec, Doctor Dra the Fox, Simulator Aqua, Simulator Namine, Legacy Arcee, and Legacy Stormcloud showed the marks Lincoln made on the right side of their trapezius.

Jenna: We had trouble though.

Lincoln: Unfortunately, we did. The clone of Evil HERO Hades Neos came after us.

WE GASPED!

Nico: The hypothetical Akuma of Jaden?! That little...!

Lincoln: Don't worry, I used my Cell stingers and absorbed him and assimilated all his powers. Then, I sucked out every bit of energy from his soul and the clone faded.

Me: Thank goodness.

Selene Arcangela: And with Alecto gone, we don't have to hear his screams of rage ever again.

Lily the Mermaid: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous angel wings had spread out and they generated a cool breeze cooling us down and fire and wind exploded from his massive biceps and muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: (Fiery Godly Voice) You know we made a clone of that mutant.

Lincoln: (Fiery Godly Voice) He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely

powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: (Fiery Godly Voice) The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for another awesome Skylanders Adventure.

Nico: Who's next?

Me: Ilana, Starfire, Posey Bloom, Cozy Glow, Lob Star, Thumpback, Punk Shock, Slam Bam, Dive Man and Splash Woman are up. We're going after Brawl and Chain next.

Qin: Cool!

Lola: Yeah!

Me: He's in Rainfish Riviera next.

Nico: Lets get a move on then.

We went into the simulator and it activated and we were in Rainfish Riviera!

Me: WHOA!

Qin: So this is Rainfish Riviera.

Nico: Look at all this water.

Punk Shock: Perfect for the Water Skylanders.

Qin: Yep.

Dive Man: This will be fun.

Posey Bloom: I am not getting my hair wet.

Cozy Glow: Lets see where they are.

We then heard Rap music?

Me: Rap Music? Wait that sounds familiar.

Qin: Oh boy.

We followed it and we saw both Brawl and Chain as well as GOODBLING!

Nico: There he is! And Goodbling!? What's he doing here!?

Me: Probably wants another Yo Mama Swearoff. Well he wants one? He'll get one.

Starfire: I will start us off!

She fired starbolts and blasted Brawl and Chain.

We landed.

Me: Hello Goodbling! Ready for another insult fest?

Brawl and Chain: Lets do this then!

Goodbling: You ready to have fun.

Lori: Uh oh.

She then shoved a bar of soap into her mouth and scrubbed it all over and she gagged all over!

Me: Okay that's enough of that!

Brawl and Chain: That was intense!

Nico: That was nothing.

Me: But it was fun.

I punched Goodbling and knocked him out.

Lob Star: STAR BRIGHT STAR FIGHT!

Thumpback: HAIL TO THE WHALE!

Punk Shock: AMP IT UP!

Slam Bam: ARMED AND DANGEROUS!

We went at them and punched and blasted and smashed them all over.

Nico: Have some of this!

He fired waves of lightning and blasted them both.

We sent Goodbling back to the M.O.E.

Me: Now for our target.

Nico: No need to tell me twice.

We went at him and blasted him all over.

Ilana, Starfire, Posey Bloom, Cozy Glow, Lob Star, Thumpback, Punk Shock, Slam Bam, Dive Man and Splash

Woman: WATERS OF JUSTICE BLAST!

They fired waves of water, ice, lightning and jewels and the blasts all hit him and knocked him down.

BRAWL AND CHAIN DEFEATED!

He tried to crawl away

Rarity: Oh going somewhere darling? The only place you're going is in here!

She held up a blue trap and a blue vortex appeared! It sucked in Brawl and Chain!

Brawl and Chain: My true love will always be the SEEEEEEEAAAA!"

He was locked into the trap!

Brawl and Chain: "Oh, I get it. Lock me back up inside Traptanium, huh? Well it's not going to hold me this time!" (Tries to break free using his chained hands) "Oh no wait, yeah I guess it is."

BRAWL AND CHAIN TRAPPED!

Rarity: Now you have to be a good darling and obey me as the Princess of Generosity and Water.

Brawl and Chain knew he had no choice.

Me: You better do it whether you like it or not.

He agreed.

Me: Good.

We left the Simulator.

We were in the park.

Me: He's here! I can feel it.

Johnny 2x4: Plank's asking how we're gonna find Sarah's dad. He could be anywhere!

Me: He's right... there!

I fired an energy blast and it hit a bush and it exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM!

Out of the explosion came a figure and it was TERRANCE REGINALD! He was a man with blond hair and had red eyes and was in an orange jumpsuit!

Me: He's gone for good. When he blew himself up I banished him to the black abyss.

Spiderman: Good riddance.

Sarah looked at the sky.

Sarah Reginald: It's over mom. (Kisses a photo of her and her mom) I did it for you.

Paddy Tanniger: So, you killed your Dad. Big whoop, wanna fight about it?

Gears: Will you get out of here?!

Nico punched Paddy and knocked him down.

Stewie: He's more of a nuisance than a giraffe talking to a vampire

Melman: Like how I'm talking to Lucy right now.

Lucy Loud: Ha ha ha ha.

WE LAUGHED!

Me: That was funny!

Nico: Yeah!

Sarah Reginald came up to me and Nico.

Me: You feel alright Sarah?

She then hugged me and was happy and grateful.

Sarah Reginald: Thank you guys. Thank you.

Me: You're welcome Sarah.

Stewie: Please ignore Paddy.

Qin: We will.

Me: Now that that's over lets do the next bonding time. First this.

I snapped my fingers and fixed the city.

Kairi: Yuya, remember when we met you?

Yuya: I sure do. That was so awesome and cool.

Me: We went all over the multiverse and battled all the Fusion Dimension Duelists.

Carly Atlas: That was so intense.

Misty Tredwell: It sure was.

Kairi: I know! My favorite was busting all the Facility Inmates out of the Synchro Dimension.

Yuya: That was cool! And you showed us how to use Duel Runners.

Camie: We learned a lot more than just Yugi, Jaden, and Yusei using Duel Monsters against evil.

Me: We sure did.

Ymir: Wow! That is amazing.

Me: It sure was. And we battled lots of evil duelists and took their decks from them.

Qin: No kidding! That was awesome!

Nico: It sure was.

Chazz: All that was fun.

Yugi: It sure was.

Eli: And the coolest part was Mallow Mokey using her cuteness on the Duelists in the Fusion Dimension.

Mallow Mokey: They couldn't resist the cuteness of me as the cutest Duel Monster of all.

Camie: Mokey Mokey is one of the Cutest Duel Monsters of all.

Yuya: You got that right and we learned all about how Quirks work.

Zuzu Boyle: We sure did.

Luan: We also faced an old enemy of mine

Me: Claire McBadbat. No relation to Chester McBadbat.

Yuya: That was really crazy they both shared the same last name.

Me: I know. And what really amazed us is how much evidence Lincoln's Guardian Angels all gathered on her.

Anna Anyanova: We always keep a well detailed and very well documented record of everything that went on with Lincoln and friends over the years.

Yuya: Wow!

Me: And in the end I resurrected Ray Akaba and we sent Leo to jail and shut down the Fusion Dimension Duel Academy.

Nico: Because it was a disgrace to the Prime Universe version of it.

Poromon: It sure was.

Yuya: Yeah no kidding.

Zuzu: But that was fun though.

May: I agree there. (Sniffs) Hey you guys smell something burning?

Me: MAY YOUR BUTT'S ON FIRE!

May screamed and ran and then she dove into the lake!

SPLASH!

STEAM CAME OUT!

May: Ahhhh! OKAY WHO BURNED ME!?

Lana: I think THAT did!

We saw a Mega Heatran!

Me: WHOA! A Mega Heatran!

Nico: How did that get here?

Me: Must be one of Dark Gale's work.

May: BURN MY BUTT WILL YA!?

Manaphy: YEAH YOU BIG BULLY! WHO DO YOU THINK YOU ARE HURTING MAMA!

Sheena: WAIT! This is actually a girl named Akari Kamiyama!

Stacy Storious: The last of my teammates!

Me: This one must be for fire.

Nico: Hot.

Me: Yep.

We went over to her.

Stacy Storious: Akari it's okay. It's me Stacy.

She used Magma Storm and fired a massive and intensely powerful tsunami of fire and lava and we all absorbed it! It was intensely powerful! Made us 100,000,000,000,000,000 times stronger!

Me: HOLY CRUD! That was awesome!

Stacy Storious: Yeah!

We fired waves of energy and blasted her down.

I snapped my fingers and she reverted back. She was a girl with red hair and red eyes and fire angel wings and had the Saber Symbol with a flame on it on her forehead and arm.

We wrapped her in a blanket and brought her over.

Me: Wow! Intensely hot!

She woke up.

Akari Kamiyama: (Groans) What hit me? I feel like I was hit all over by Bahato.

Stacy Storious: You okay Akari?

Akari Kamiyama: Stacy! Wow!

Me: You were turned into a Mega Heatran by Dark Gale.

Akari Kamiyama: Oh man. I was fighting Bahato when it happened.

Me: Bahato is tough. But yeah.

Manaphy hopped over to her and had a nasty glare on her face.

Akari Kamiyama: A Manaphy?

She grabbed her face so she could look her in the eyes

Manaphy: YOU HURT MAMA AND BURNED HER IN THE BUTT!

Manaphy was shaking her head

RATTLING NOISE

Manaphy: YOU BURNED HER BUTT YOU BIG MEANIE!

May grabbed Manaphy.

May: Whoa whoa whoa easy Manaphy. Easy. She didn't mean to.

Akari Kamiyama: (Dizzy) Someone give me the cream filling of my ice cream sandwich.

Manaphy: Shame on you!

Akari Kamiyama: (BLUBBERS) Sorry about that. Man she is strong for a little one.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new red clothes and a fire sword.

Akari Kamiyama: I look amazing.

Me: You sure do.

We went back home.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous white angel wings.

Same with Super Brother doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous white angel wings.

Lincoln: We don't have long before our final showdown with Team Buktu starts, so I still like to keep myself busy.

Me: (Fiery Godly Voice) That's true, and we're also doing work-outs just like you, Lincoln.

Nico: (Fiery Godly Voice) Yep.

Then, we saw Lincoln deadlift an extremely mountain-sized massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Gemma put on her jumpsuit

It was yellow.

Gemma: Ready.

Lego Luthor contacted us.

Lego Luthor: Hello everyone.

Nico: Sorry we had to call you for backup out on Apokolips, Lex.

Lego Luthor: That's perfectly fine. At least today will be the end of Team Buktu.

Power Girl: Where are you and the others right now?

Lego Luthor: Me, Harley, Joker, Bane, and Black Manta are in the Watchtower with the Justice League. Make sure to meet us there,

Me: Okay. We have a lot to tell them. We haven't gone over the full extent of the details with them.

Lego Luthor: Okay.

He clicked off.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figures were in the vision: it was Team Buktu, they have finally lost it big time, and now, they are on the loose causing havoc and destruction! When we saw it, we knew it meant trouble!

Lincoln, me, and Nico: So, you've finally come crawling out, Team Buktu shithead fucks!

Eli: It's time!

Lincoln: Yep, this is where it finally ends for them.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Team Buktu, they have finally lost it big time, and now, they are on the loose causing havoc and destruction!

EVERYONE GASPED!

Jonny 2x4: HOLY COW! They've finally lost it! It's time to end them!

Eddy: We're gonna run roughshod and riddle those pigs and shitheads with bullets and lasers galore!

Nico: Uh oh, everyone's getting riled up into a wild frenzy!

WE ALSO HEARD CHEERING FROM OUTSIDE AND EVERYONE IS ALSO RALLYING FOR US TO RIP TEAM BUKTU APART!

Me: WHOA!

Qin: WOW!

Me: And all of Gotham Royal York is also rallying for us to rip the shithead fucks apart! But, we'll go with a strategy and battle plan from you, Lincoln.

Lincoln: That's exactly right, but trust me, we're gonna make sure this is their final day on Earth.

Nico: Damn straight. Alright, team, let's go, the time to destroy Team Buktu is finally on!

Lincoln: I will never ever forgive you absolute shithead fucks for all the cruelty, all the pain, all the suffering, the defamation, the mental trauma you gave me, and all the blatant disregards for human life that you fucks have caused two years ago and even now two years later. I will make absolutely sure you die a horrible painful death for this!

Me: Time for us to go APESHIT ballistic on them!

Qin: YEAH!

The previous group came.

Trap Jaw: We saw a MASSIVE AND HUGE explosion earlier! Are you all okay?

Me: We're fine. Much deserved justice for Sarah Reginald here.

Sarah Reginald: It's true.

Killer Shrike: Can me, Trap Jaw, Beast Man, Unicorn, Hsi Wu, Mummy, Shendu, Bane, Calamitous and Ebon go with you guys?

Nico: Yes you all can come with us.

Qin: We're going to need all the help we can get for this.

Me: We better have Vypra and all of the M.O.E. come with.

Xenia: Good idea.

Lola: Yeah. It's time Team Buktu sees what TRUE heroes are all about.

Bleez: Nico, which Gene Slammer do you think you'll meet next?

Nico: Elemental HERO Avian next.

Jaden: SWEET!

Qin: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and

Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Femto also known as Griffith from Berserk, and he's here to kidnap Casca once more and destroy us. When we saw it, we knew it meant trouble.

Lincoln: Oh my God...! We got trouble!

Me: Oh man! Was that?!

Lincoln: Femto also known as Griffith from Berserk, and he's here to kidnap Casca once more and destroy us.

Casca: How did he even find me here?

Lincoln: I know what he did betraying you and what he did after he became Femto after you and Guts survived The

Eclipse. If I didn't have a better punishment for Griffith, I swear I'm gonna kill him right here right now.

Cinnia Primus: Wait, you're planning on...?

Lincoln: I'm gonna separate Femto from Griffith, and then, I'm gonna kill Femto by absorbing him and assimilating his powers.

Cinnia Primus: Count me in, what he did can never be forgiven.

Nico: I'll leave what you're gonna do to Griffith later after you deal with that demon form of his. Alright, team, it's time to move, Team Buktu's time is finally done.

Lincoln: They're not going to live a single second further, and this'll send yet another warning to Darkseid telling him that we're coming for him, and once we're done with them, Griffith, you better be ready to say your damn prayers, you powerhungry traitor.

Cinnia Primus: After what you've done, Griffith, there shall be no forgiveness for you, and we'll make sure of that!

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed out to destroy Team Buktu once and for all and send them all to The Black Abyss, and once we get done with him, Cinnia Primus and Lincoln are going to take down Femto and separate him from Griffith and Lincoln's going to absorb that demon.

we were off to the Justice League Watchtower.

We arrived.

Beast Man: Let's call Deadwood, Ragdoll, Doctor Octopus, Juggernaut, and Hydrax

Me: Good ideas.

Qin: Yeah.

We did so.

Ragdoll: We're ready for this.

Nico: Awesome.

We saw the Lego Justice League along with some of the Lego villains

Lego Harley: Hey, guys!

Me: Looks like we made it.

Nico: What's the plan?

Lego Superman: With Darkseid on the way, we need to get backup

Lego Wonder Woman (to Volcana): Me, Harley, and Cyborg are heading to Themyscria. You and some of the others are free to tag along.

Volcana: Okay.

Lego Batman: First how about filling us in because we missed out on a lot.

Me: Okay but what we have to tell you is not pretty.

Lego Cyborg: Can this wait until later?

Lego Superman: We have to know.

Lego Cyborg: All right fine.

Me: Okay. These last 8 days have been shit for us.

Nico: But it hasn't been all bad

We told them everything.

It was crazy.

Lego Superman: So Lincoln had to undergo a purification.

Me: Yep.

We told them about what Scott did and Evil Jimmy and more and it was crazy.

They gasped in shock

Lego Green Lantern: That is bad!

Lego Flash: Horrible!

Me: Yeah.

Lincoln: Okay, before we go after Team Buktu, here's my attack plan on them.

Lincoln pulls up a hologram of the world and zoomed in on three particular areas.

Lincoln: Now, we already know Team Buktu, and thanks to what we did yesterday exposing them for the monsters they were, they are now causing havoc in three locations and attacking anyone who gets in their way, but it's not long before they come after us, and just as we found out, they are indeed working for Darkseid. So, here's the plan, I'll drain The Parademons of their lifeforces using Omega Beams infused with Anti-Matter to suck the life out of them, and then, we go after Team Buktu.

Me: And we put an end to them forever.

Aodhan Vulcania: The shitheads responsible for murdering Mom and Dad two years ago are finally going to pay for what they've done. I'm going to burn all of them to death!

Lincoln: Not Stane, Aodhan. He's our mole, and we need to make sure he exposes his role as our mole to those shitheads before we kill them with my curse.

Me: Yeah.

Lincoln: First we're going to Themyscira and we're going to kill Scott and Evil Sasuke there.

Me: Okay.

We headed out

Nico: Finally, the time has come at long last. We'll be rid of those Team Buktu fuckweeds forever!

Me: And in two days time, our final showdown with Darkseid.

Lincoln: He won't be easy to fight though, but we'll make sure he never hurts another innocent soul in the universe ever again.

Lego Wonder Woman, Harley, Cyborg, Volcana, and the others were at Themyscira. It was for Phase 1 of our mission.

Lego Wonder Woman: Welcome to Themyscria! My people are pretty serious, so Harley, you'll need to be on your best behavior.

Lego Harley: Yes, Ma'am!

Me: Right! Time for Phase 1.

When we got there, the Amazons glared at us.

Tundra Man: I don't like those looks.

Me: Me neither.

Lego Wonder Woman: Stand down! I've brought outsiders but... (in realization) You're all under mind control! Who did this?

Granny Goodness: That would be us!

Lego Wonder Woman: Granny Goodness!

Me: Granny Goodness! Its been a long time!

Granny Goodness: Three years J.D.

Lego Wonder Woman: So you're the Prime Universe version of her.

Granny Goodness: That's correct. Since we're here, I thought why not a recruit a few more of you for my Female Furies. In fact, I think you'd make a grand addition, too. Virman, bring her to the temple.

Virman Vundabar came out.

Me: Virman Vundabar!

Virman Vundabar: (German Accent) Been a while mein friend J.D.

Me: It has been a while.

Virman Vundabar: But of course! Furies, attack!

We went at them and fired waves of energy and blasted them.

Lego Harley Quinn: Sorry, that's as best as my best behavior gets.

Lego Wonder Woman: I can live with that. We need to break the mind control on these Amazons!

Hsi Wu: Don't worry. We'll hold back against them.

I fired waves of energy and blasted the Furies and then freed them of their mind control.

Me: There.

Granny Goodness: Goodness! Your powers have all gotten stronger!

Me: All the wonders of training and increasing in power with each passing battle. As you can see we have gotten intensely stronger over the years.

Virmin: Indeed.

Granny Goodness: Yes.

Me: Also I forget which battle it was where we fought the first time. With so many battles we faced it's hard to keep track of so many.

Granny Goodness: We last fought each other in the world of Tales of Symphonia.

Me: Ahh when we went there to destroy Mithos Yggdrasil! Back when Team Dark Phoenix Storm was gathering its forces.

Virmin: That's right.

Me: I remember that one.

Virmin: Indeed. Desaad is going to be in the M.O.E. Soon.

Me: I had a feeling he would be right for them. As much as I enjoy catching up here we got a job to do

Lego Harley charged at Virmin and kicked him and I fired waves of energy and blasted them both all over the place.

Volcana threw a fireball at Granny Goodness and blasted her down.

Me: Steppenwolf on the other hand is going to die.

I fired waves of energy and blasted both down.

Virmin: (Groans) Good job mein friend.

Me: Danke. Now come on out Scott and Evil Sasuke! I smell your bloodsoaked gruel stench laiden bodies from here!

Paragus: Nowhere to run now!

They came out and were REALLY BADLY MANGLED!

Me: We've fucking had it with you 2!

Evil Sasuke: YOU MOTHERFUCKING...

Me: SHUT YOUR FUCKING MOUTH! Caleb destroyed your powers Sasuke. You are no longer worth my time.

He growled!

Me: And besides, I don't need to use my rant on you anymore. It was fun while it lasted. You motherfucking cur!

Scott: Maybe I'll rape Zoey next!

Juggernaut's response? He grabbed Scott.

Juggernaut: I'm gonna rip you in half now.

Juggernaut then ripped Scott in half, killing him instantly.

RIP SQUELCH! SPLAT!

HE WAS REALLY RIPPED APART!

Me: Nice work Cain!

His spirit appeared!

I put it in a jar.

Me: For later.

Hydrax: (grabs Evil Sasuke by the throat) Oh, I'm gonna enjoy killing you. J.D.'s gonna be so proud of me for this!

She then turned him around and then plunged her hand into his back and then...

RIPPPPPP!

SHE RIPPED OUT HIS SPINE AND SKULL AND ROARED VICTORIOUSLY!

Me: HOLY SHIT! Nice one!

Hydrax: Thanks.

Me: Something the Yautja would have done.

I had his spirit come and put it in a jar.

Me: Lincoln has something planned for you. (To Nico on the radio) J.D. to Nico. We've killed Evil Sasuke and Scott. Proceed with Phase 2.

Nico: (On the radio) Roger that. Meet everyone at Nanda Parbat. Nico out.

Amazon Leader: My thanks, Granny Goodness took us by surprise.

Wonder Woman: Granny Goodness is an agent for a much darker power. If Darkseid succeeds, the whole universe is in danger.

Amazon Leader: When we are needed, simply call.

Harley Quinn: Do you have a cell number?

Amazon Leader: Better than that! You never lose signal.

Bane: (Spanish Accent) I think my Lego Version is with Lego Aquaman and Lego Green Lantern. Good luck to him.

Me: Lets rendezvous with Nico and catch up to the rest.

They nodded.

We arived in Nanda Parbat.

Lego Batman, Lego Joker, Lego Flash, and some of us were at Nanda Parbat.

Dominique: Doesn't this bring back memories, J,D.?

Me: It sure does. Nanda Parbat.

Nico: Feels like forever.

Me: This is where we first met Ra's and saw the Lazarus Pits.

Nico: Wow!

Qin: I didn't know about that.

Ra's: That was quite an epic show.

Me: Yes it was.

We landed and saw the Lego versions of Rai's and Slade Wilson!

Me: Ra's and Slade Wilson.

Lego Deathstroke: The famous Team Loud Phoenix Storm.

Lego Batman: Ra's al Ghul! Deathstroke. We need your help to defeat Darkseid.

Lego Ra's al Ghul: Help the Justice League? Your league maybe coming to an end ours has survived throughout the ages. Nothing will change that... Ha ha ha ha ha ha ha!

Lego Deathstroke: Let's test your skills. Try to keep up.

Ebon: With pleasure.

Me: Gladly. Just like back in 2018.

I teleported and clashed with them and jumped and kicked them both down.

Me: I've gotten stronger since then,

I kicked Lego Slade and Tara had a boulder smash onto him.

Lego Flash: Careful! Pretty sure this place is probably loaded with traps too.

Eli: Allow me on that.

Eli used the Force and disabled the traps.

Eli: That did it.

Lego Joker: Tag! You're it!

Me: Yeah! Wait! Where's Ed and the rest?

Then we heard BRUTAL FIGHT SOUNDS!

BAP POW WHOMP BIFF SMASH WHAM CRASH ZONK BASH KATOW THWACK ZOWIE ZING CRACK KRACKOW! WRESTLING BELL DING! CAR HORN! LION ROAR! PIG SQUEAL! ELEPHANT TRUMPET! SEAL BARK! CAT YOWL! HORSE WINNIE! COW MOO! DOG BARKS! WOLF BARK! BEAR ROAR! SHEEP BLEET! GOAT BLEET!

SCREAMS OF AGONY AND PAIN!

Me: What in the world!?

Lego Batman: Team Buktu found us?

Lincoln: I don't think so! I just had a premonition and it's Jonny 2X4's Akuma, Lord Canteloupe Head. He is the Hypothetical Akuma of Jonny 2X4 and he has amazing speed and strength and agility and is called that because he has a canteloupe head cover and doesn't have Plank with him. He was created because of the kids and the Ed's leaving him at Mondo A Go Go after they took down Eddy's brother and he vowed to mercilessly thrash the kids and the Ed's all to get revenge.

WE GASPED!

Lincoln showed a sketch of him and he looked like a dark version of Captain Melonhead.

Me: WHOA! He looks dangerous!

We followed the screams and saw all the kids BEING MERCILESSLY THRASHED!

Burst Man: This could be a problem.

Lego Ra's Al Ghul: Perhaps not. If you deal with that fool, me and Deathstroke will gladly join you.

Me: Deal. HEY!

They stopped and we saw LORD CANTELOUPE HEAD! HE MERCILESSLY THRASHED ED, EDD, EDDY, JIMMY, SARAH, ROLF, KEVIN, NAZZ AND MARIE! But for some reason he didn't thrash Jonny!

Me: You just poked a bear you melonheaded jerk!

Luan, Leni and Linka: YOU WILL PAY FOR HURTING OUR HUSBANDS!

They jumped him and smashed him into pulp!

They stopped and Lord Canteloupe Head was REALLY MANGLED UP!

Calamitous: Jonny? Is that you?

He was badly mangled.

Lord Canteloupe Head: (Groans) Yes it's me.

Me: I think they mangled him up really bad for him to fight.

Deadwood: You need to calm down.

Lord Canteloupe Head: (Groans) JUST BEAT ME UP!

Deadwood: Okay okay!

Me and Deadwood punched and pulverize him intensely and more! Deadwood then punched him all over.

Lord Canteloupe Head: My turn

He tried to move but then...

LOUD CRUNCH AND SNAP!

HIS ARMS AND LEGS BROKE AND HIS BACK TOO!

HE SCREAMED IN AGONY!

WE WINCED!

Me: WHOA! I think the girls did REALLY BAD damage on him.

Nico: No kidding.

Me: (CLAP CLAP!) MEDIC!

The M.O.E. Medic came.

Men: HUP HUP HUP HUP HUP HUP HUP HUP HUP HUP HUP HUP!

They loaded him up and took him to the infirmary at M.O.E. HQ.

Sunny Tennyson: Have we convinced you two now?

They nodded.

Lego Deathstroke: Yes you have.

Me: Great. Now lets finish Team Buktu for good.

Nico: You got it.

We were off to Dinosaur Island.

We saw it.

Shendu: We're approaching Dinosaur Island.

Lego Green Lantern: Ensure your seat is in the upright position, as we are preparing to land.

Me: Very funny but we're not on an airplane.

Lego Green Lantern: I know.

We saw our targets.

Me: Targets sighted and Kalibak too.

we saw Team Buktu, and just as Lincoln said, they're causing havoc: Evil Jimmy Neutron and Tim Buktu are blasting The island and blasting at everything.

Nico: Those fuckweed shitheads! Not a second to our arrival, and they're now causing havoc on an unprecedented scale!

Me: Stane's at least not joining in on this, but he needs to keep the façade up or they're gonna realize it.

Lincoln: And if they find out, they'll kill him.

Suddenly, more Parademons, this time, sent by Darkseid have shown up.

Nico: Darkseid, you really are a damn monster.

Me: He has and always will be a monster.

Lincoln: (Heavenly Godly Voice) He's not getting away with this.

Lincoln fired powerful Omega Beams infused with Anti-Matter, and they hit the massive army of Parademons with the clone of Scott and the next group of Parademons sent by Darkseid, and then, Lincoln sucked out all of their energy and it went into Lincoln as he grew much stronger, and The Parademons were turned to desiccated corpses. Then, he saw more Parademons appear, and he used Simone De Bastien and Shang Tsung's powers and he sucked out their souls, and he used his own soul sucking powers along with the other powers of many soul stealers to suck out the souls of the next group of Parademons and he absorbed them and drained their souls of energy and sent them to The Black Abyss.

Lincoln: (Heavenly Godly Voice) That's the Parademons out of the way. Now, for Team Buktu.

KRABOOM! SLASH!

Then, we looked to see Alexander Michaelson and Adrian Acmetropolis taking down the thugs of Team Buktu, and we saw Aodhan Vulcania firing massive blasts of fire and lava at more of them and slashing all of them into slivers with his massive greatsword and blasting more of them with his gun, and they were punching, kicking, and slashing at them with unimaginable power and strength!

Eli: Looks like they're sweeping things up.

Then, we saw them about to fight Team Buktu.

Me: (Fiery Godly Voice) And that's the signal!

Nico: (Fiery Godly Voice) Let's get in there and end this.

Suddenly, the spirits of the comic book heroes appeared and they attacked Team Buktu with fury along with sudden blasts of red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, elemental forces, magic, mythical beasts, phoenixes, and angels from Alexander Avalon. Then, the spirits converged and a massive explosion erupted as a Thunderbird Screech, Dragon Roar, Wolf Howl, Tiger Roar, and Phoenix Cry was heard, and we appeared, and this pissed Evil Neutron, and Tim Buktu off, especially when he saw me again and Lincoln forever purified!

Tim Buktu: YOU MISERABLE FUCKS! WHY CAN'T YOU AND THAT WHITE HAIRED FREAK JUST DIE ALONG WITH ALL OF YOU?!

Me and Lincoln: OH, SHUT THE HELL UP, YOU PIECE OF SHIT!

WE FIRED MASSIVE FIRE BLASTS AT THE UNHINGED FUCKS AND THEY GOT BURNED BADLY!

Me: Did you really think we would be broken?! Not a chance in Hell!

Lincoln: And you and your buddies have finally lost.

Nico: Especially with what's been done to all of you! Everyone saw you for the asshole monsters that you are, and all of them want you dead.

Evil Jimmy Neutron: You fucks! YOU HAVE RUINED EVERY LAST ONE OF OUR PLANS! WHY CAN'T ALL OF YOU JUST FUCKING DIE!?

Me: OH, FUCK YOU, YOU BIG HEADED JERKWAD PSYCHO! We never die, we're immortal and invincible.

Nico: Plus, we're also more united than ever. You fucking assholes were watching Lincoln break down because of all the fucking mayhem you caused, and you even knew Alexander's resurrected father had infected him with dark magic that had Dark Chase Young's essence in him: the last of his essence.

Lincoln: Well, guess what, now I'm purified and cleansed, and this time, forever.

Tim Buktu: YOU LITTLE...! YOU'RE NOT GETTING AWAY WITH THIS, WE'LL DESTROY YOU ALL AND WE WILL REIGN SUPREME!

Lincoln: (Calm Voice) You're so full of shit...!

Spirit Scott: WHAT THE FUCK DID YOU JUST SAY!?

Lincoln: You're so full of shit! All of you! After everything we've had to go through, you four assholes are still so full of bullshit and heartlessness. But, you know what I see right in front of my eyes.

Suddenly, The Sun began shining even more, and he proceeded to lay down the law on the four assholes.

Lincoln: (Heavenly Godly Voice) All I see before me are four eternally damned blackhearted souls who have any sort of remorse, nor compassion, empathy, or any shred of human decency at all, and it's safe to say that you all had it coming.

Lincoln said that with absolute authority and a voice that matches that of God and the Ancient male Gods of the Ancient World.

Lincoln: (To Evil Jimmy Neutron) (Heavenly Godly Voice) You are nothing more than an evil rotten blackhearted psycho with a heart that's as black as the night who behaves in the same manner as an evil genius from a spy movie or a comic book with absolutely no sense of decency at all.

That pissed off Evil Jimmy Neutron. Then, Lincoln moved onto Scott.

Lincoln: (To Scott) (Heavenly Godly Voice) As for you, Scott, from the very moment we met all those years ago, I knew all along that you were nothing but trouble, but your sins ran far deeper than that. You murdered Emily Jackelstein, the little sister of my Guardian Angel, Connie Jackelstein, when you and her bitch sister, Carla, teamed up in that twisted plot. You not only raped her, but you and Carla murdered Emily in cold blood. You made both Connie and Mr. and Mrs. Jackelstein suffer so much pain and mental suffering when you took their 16-year-old sister away from them. Even after all this time, this is truly unforgiveable.

You crossed a line from which there is no return, and now, I'm going to see to it that the dark events of Emily's death are avenged here and now.

That pissed Scott off.

Total Drama Crew: YEAH! YOU TELL HIM, LINCOLN! (TO SPIRIT SCOTT AS THEY FLIP HIM THE FINGER) AND FUCK YOU, BUTT CHEWER!

Then, Lincoln moved onto Evil Sasuke.

Lincoln: (To Spirit Evil Sasuke) (Heavenly Godly Voice) And you, oh don't even get me started on you. You were always nothing more than a powerhungry, revenge-driven, bloodthirsty, hate-filled pile of inhuman garbage and an absolute plague upon the world of Shinobi. Your hate-filled father and the rest of your clan save for a few honorable souls were nothing more than monsters who only craved power and desired to destroy The Five Great Nations and watch the world burn, and J.D. was right to have helped Itachi kill them 150,000 years hence. And J.D. is not the "Motherfucking Cur" here, you're the one who's a Motherfucking Cur, you worthless, heartless, backstabbing, two-faced, murderous, vengeance-crazed, powerhungry pile of dogshit! Oh, and one last thing! HEAVENLY FIRE STYLE: THE GOLDEN FLAMES OF AMATERASU!

Lincoln formed and fired the superhot flames of the Amaterasu, but they were golden yellow surrounding white wolves and they hit Evil Sasuke and he really got burned bad!

CLANG!

LINCOLN CLOSED OUR JAWS WITH HIS TELEKINESIS!

Me: HOLY SHIT! LINCOLN REALLY LAID DOWN THE LAW ON HIM!

Naruto: That was...incredible!

Sasuke: I think it's safe to say, he had it coming for so many years.

Finally, Lincoln turned his attention to Tim Buktu.

Lincoln: (To Tim Buktu) (Heavenly Godly Voice) I have nothing more to say to you, you've already proven that you're a blackhearted villain to the core through and through, you caused a shit ton of trouble to Ben and his family for years, and to us as well. There is no way I'm going to let you get away with this. But, there was one thing you did for us, your stupidity with mixing Grimm Blood with Gamma Radiation caused that mishap that led to Anti-Monitor losing his army of bodybuilders. However, that doesn't mean you'll be spared, after what you've done, you're gonna suffer the same fate as your buddies.

Then, white wolves ran up to and surrounded Lincoln along with an army of white-furred werewolves.

Lincoln: (To Team Buktu) (Heavenly Godly Voice) Your cruel heartless actions have finally caught up with you at long last, and with Dark Chase Young's evil essence purged from me forever, now I can at long last say this. Team Buktu, in addition to all of the crimes you each committed individually, for the crimes of slander, smear campaigns, and defamation against Team Loud Phoenix Storm, all of you are hereby sentenced to death! (RAINBOW, WHITE, GOLDEN YELLOW, AND BLUE ENERGY AURA FLARES UP EXTREMELY) And this time, we shall make absolutely sure that you never threaten the lives of innocent people ever again, this is where your dark shadow over us and everyone in your path shall disappear from the world and all of existence and creation forever!

HEAVEN'S LIGHT SHINED DOWN ON LINCOLN AND ALL OF US AS THE WOLVES AND WEREWOLVES HOWLED AND THE SUN SHINED EVEN BRIGHTER THAN EVER!

Lincoln's Harem and Guardian Angels: (Struck with Awe and Amazement) Incredible...!

WE WERE REALLY STRUCK WITH SHOCK, AWE, AND AMAZEMENT!

Me: Unreal...!

Nico: Lincoln's not only purified, but he's truly a new man if he was able to lay down the law like that!

Eli: But, what he said is true.

Me: You're right, little bro. Team Buktu, prepare yourself!

All of TLPS: WE HAVE HAD ENOUGH OF YOU TO LAST AN ETERNITY, YOU LYING PILES OF DOGSHIT!

All of The MOE: AND NOW, WE WILL SEE TO IT THAT ALL OF YOU DIE HERE AND NOW!

All of TLPS and The MOE: THIS IS THE END FOR YOU AND TEAM BUKTU, SCOTT, EVIL SASUKE, EVIL JIMMY NEUTRON, AND TIM BUKTU! TIME TO DIE!

A MASSIVE EXPLOSION ERUPTED AS COLUMNS OF LIGHT AND COLORED FLAMES AND ELEMENTS SHOT OUT AND FORMED INTO MYTHICAL BEASTS AND CREATURES: THIS IS WHERE TEAM BUKTU DIES HERE AND NOW!

Finally Tim Buktu, and Evil Jimmy Neutron lost it as they let an angry scream and we saw the sclera of their eyes turn black and their eyes turn crimson red and they let out angry and demonic rage-filled screams!

Evil Jimmy Neutron: WE WILL KILL EVERY LAST ONE OF YOU FUCKS! DO YOU HEAR ME?! WE WILL FUCK YOU ALL UP!

All of you are no different from the scumbags I've killed in New York in my world, many of those who died at my hand were cheaters, thieves, and murderers, but I was like you once, angry and full of hatred towards those who ruined my life and I carried it to the grave, but there's one thing that made me 100% different from you and the rest of your clan: even back when I was the angry vengeance-driven undead teen turned immortal dark angel of vengeance, not once have I ever taken an innocent life. To take an innocent life would mean having innocent blood on my hands and their soul full of anger and rage against me, that alone would haunt me for eternity.

York with your own blood. You tried to destroy us with all of your schemes and you also counted on Dark Chase Young's essence, the last of his essence that Lincoln was infected with by an ally's infected resurrected father, but you failed. Lincoln's since been purified and thanks to your own actions, you finally sealed your fate and your name is now mud and synonymous with cruelty, darkness, and madness.

Finally, Caleb Maxwell raised his massive greatsword at Scott, Tim Buktu, Evil Jimmy Neutron, and Evil Sasuke as the sun shined on the 620'11" massive, wide, double-edged hulking midnight black blade.

That did it as Tim Buktu, and Evil Jimmy Neutron lost their minds and went at Caleb Maxwell driven mad by hatred of all of us and everyone on Earth and they tried to slash off Caleb's head, but he blocked Tim Buktu's sword with his massive greatsword and they clashed head on, but he was no match as Caleb also fired bullets into him with his left gun in hand, and Caleb Maxwell fired extremely powerful blasts of black and crimson red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, blood, vampire bats, demons, phoenixes, and angels, and they exploded with incredible power as they hit Tim Buktu and Evil Jimmy Neutron. Then, he slashed at them with his massive greatsword leaving bleeding scars on Tim Buktu and Evil Jimmy Neutron and he shot at the both of them with his guns.

Harbinger Bloody Nightmare True Seraphim God Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Yes, Max, I've let go of the final toxic ties in my heart and I knew this was the fate that befell me, but I'm fine with that. From Death Comes Rebirth, but the freedom from toxic ties to a dark past, that's what I gained from it, along with the lessons learned from that dark past.

Then, the skies turned dark, and the red moon shined down on Caleb Maxwell, and as the red light of the red moon revealed the Caleb Maxwell of 1985: the tragic young teen with a haunted past on the right and on the left is the Caleb Maxwell of 1996: the vengeful immortal dark angel of revenge and blood.

Lincoln: (Heavenly Godly Voice) From Death Comes Rebirth, yet, they're one in the same: the tragic teen with a haunted past from the 1980s and the vengeful immortal dark angel of the 1990s. That alone would bring fear to the worst kind of criminals.

Generosity, Kindness, Selflessness, Courage, and Trust) Let me add in a few screams as well.

Adrian Morrigan went after Evil Jimmy Neutron and Tim Buktu and he fired extremely powerful blasts of black and purple-pink, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, blue flames, darkness, dark lightning, dark fire, dark magic, black magic, Satanic Magic, spectral lightning, ghosts, Boos, phoenixes, and angels, and they exploded as they hit them, and he also whacked them and blasted them with his staff. Then, he also attacked them by flashing the Strobulb in their faces and blinded them, and the ring of Boos around the flashlight's head fired purple energy beams at them which hit them hard.

POW!

Tyler Maxwell punched Evil Jimmy Neutron and Tim Buktu hard in the face and he slashed them in the stomach with his gold-armored dragon claws, and he slammed them onto the concrete, and we saw the anger in his eyes: he was out for blood, and the skies turned black and red.

Sandpit: Ock?

Doctor Octopus: Right!

He had his tentacles grab Evil Jimmy and start pulling him in all directions

And then...

SQUELCH!

HE WAS RIPPED INTO PIECES!

Me: YUCK!

We had his spirit in a jar

Kalibak was riding on a dinosaur robot.

Kalibak: You may have defeated him. But Let's see if you fools have what it takes to defeat the mighty Kalibak.

Mummy: Nice dinosaur!

Me: That is a cool one.

I grew to the Dinosaur Robot's size.

Me: Been a while Kalibak. 3 years.

Kalibak: It has been a while J.D. You've gotten stronger since the last time we fought.

Me: All that and more. Since we fought in the world of Tales of Symphonia.

I fired waves of energy and blasted the Dinosaur Robot!

Blackfire: It's still standing?!

Kalibak: I may have used some Adamantium to make this..

Me: Well how about this then.

I SLASHED THE DINOSAUR ROBOT AND IT EXPLODED!

It exploded into a million pieces.

Me: My sword can cut through Adamantium like a hot knife through butter.

Qin: Nice one!

It was on its' last legs.

Lego Black Manta: Allow me!

He fired lasers from his helmet at the robot and blasted the robot into nothing.

The dinosaur robot was destroyed.

Me: Take that!

We turned our attention to Tim Buktu.

Me: Now it's just you and us Tim!

Kalibak was falling from his destroyed robot.

Unicorn: Going...going...

Lego Bane: Gone!

Lego Bane punched Kalibak as he reached the ground!

KRASMASH!

He was knocked out.

Me: Okay NOW it's just you and us Tim.

I punched him hard in his face and knocked out some of his teeth!

Me: It's over Tim! Your days of making heroes look like chumps are dead!

Ragdoll charged at Iron Monger and knocked him down.

I kicked Tim in his crotch and punched him in his stomach and nose.

Nico punched him in his face and kicked him in his mouth!

Iron Man kneeled down to Iron Monger and held out his hand.

Iron Man: I know you're our mole. But this is your chance to finally do the right thing. I would take it

Stane knew he was right.

He did so and took his hand and got up.

Tim Buktu: (to Albedo) This is all on you, Albedo. You defecting the first time was what caused our first plan to fail. You shouldn't have lost your nerve!

Notacon: You call being a true hero losing your nerve?!

Albedo: I lost my nerve when I didn't stand up to you in the first place. Never again!

Me: That's for sure!

Nico: YEAH! You are nothing more than a worthless fraud!

Qin: You made heroes look like fools!

Xenia: NO MORE!

Iron Monger took this time to fire a missile at Tim Buktu.

Trap Jaw: Took him long enough.

Tim Buktu: Et tu, Stane?!

Iron Monger: This has gone far enough, Tim.

Tim Buktu: You're betraying me too?!

Iron Monger: I thought about it and Albedo was right. It's one thing to stage heroics. It's another to read someone's diary and make two people cry!

Me: And make Lincoln about to kill us! You have gone too far! NOW You got to deal with us!

Lincoln: BIG TIME! You almost made me kill my friends!

Rarity: And you turned me into a monster!

Lola: And hurt so many innocent people with your lies!

Nico: Alright, Jonny. It's time to be annoying!

Jonny: OH BOY! (LAUGHING)

He went over to Tim and then...

POKE POKE POKE POKE POKE POKE POKE POKE POKE!

Jonny was poking him on the head!

Jonny: POKE POKE POKE!

Tim Buktu: HEY! Stop that kid!

Jonny: Why?

Tim Buktu: BECAUSE I SAID SO!

Jonny: Why?

Tim Buktu: Because it's annoying!

Jonny: Why?

Tim Buktu: BECAUSE YOU'RE AN IDIOT!

Jonny: YEEE HAWW!

LOUD BELCH!

He blew stinky fish breath in his face!

Jonny: Now this! (CRACKS KNUCKLES) [He cracks his knuckles and twists his head. All the dinosaurs come to attention.]

Tim Buktu: "Huh?"

[Jonny spins around, contorting his body into a spiral.]

Tim Buktu: "Ack! Stampede!" [The dinosaurs all stampede.]

HE SCREAMED AND RAN!

He ran into a big metal box! The animals follow them in, and the door to the box shuts.]

Jonny: "Holy cow! Look, Plank!"

Tim Buktu: [crushed by the animals] "Jonny! I'll give you a $5,000,000 if you let me out!"

Jonny: "$25,000,000." [He cracks his neck, causing the animals to go insane inside the box.]

Tim Buktu: $5,000,000!

Jonny: [contorting himself] "$50,000,000." [The animals explode again.]

Tim Buktu: $5,000,000!

Jonny: [doing another contortion] "$75,000,000."

Tim Buktu: "$5,000,000!"

Jonny: "$100,000,000!" [He goes through another contortion.]

WE LAUGHED HYSTERICALLY AND ROLLING ON THE GROUND LAUGHING OUR ASSES OFF!

I punched Tim in his nose!

Grimer charged at him and splattered him with sludge!

Gemma blasted him with honey blasts.

Poromon: YOU WANT TO SEE SOMETHING SCARY!? SOMETHING SCARIER THAN KILLING KIDS!? WELL (SHOWS THE TRAILER) HERE! LOOK AT IT! IT'S HORRIBLE ISN'T IT!?

Gemma was surprised as her body started trembling. She yelled out in surprise as her body started expanding.

Same with the others.

Ember Firestorm: NO! We control the power. It doesn't control us!

They concentrated and reigned in the powers of Richterosaurus and their Mega Pokemon forms and transformed. They blasted him all over.

Horsea squirted ink at him and blinded him.

Me: YEAH!

Then Saix, Rich Texan, Skinner, Cargill, Selma and Patty, Krusty, Chalmers, Springfield Mafia, Springfield Bullies and Wiggum came.

Krusty: HEY HEY KIDDIES! (GOOFY LAUGHTER)

Nico: Saix, Rich Texan, Skinner, Cargill, Selma and Patty, Krusty, Chalmers, Springfield Mafia, Springfield Bullies and

They punched Tim Buktu down with a deadly punch to his face.

Maria: In case I forget.

Saix: It's the beginning of the end for Team Buktu.

Rich Texan: You're right about that.

Skinner: And the Crime Syndicate's next.

Cargill: I just hope no permanent damage will be the result of this.

Me: If there is we'll fix it.

Patty: (to Nico) We heard you fought Zeref.

Nico: We sure did.

Laughing Ghost: (to Bai Tza) You should take care of that Mega Vaporeon

Bai Tza: I will.

?: Awesome.

A figure came out and it was SCHOOL WORLD from episode 33 of Zenkaigers!

On a building, School World was spotted by Kaito and Vroon who went out shopping to buy some groceries for the Candy Cafe Colorful, but before he can activate this ability as he was shot down from that high up but survive the impact on the ground. With that, head of his Vroon has determined that this monster has something to do scholastics to which the School World has indeed confirmed as he introduce himself to Kaito and Vroon and tossing a couple of chalk grenades at them, prompting Kaito and Vroon transform. However, Hakaizer has arrived right surprising them. Kaito and Vroon takes on Hakaizer while the School World laughs in glee, but Juran, Gaon and Magine arrvied and takes on the School World. With Hakaizer realized what's going on, he sent Kaito and Vroon towards the group as they crashed into their teammates. The School World then use this oppotunity to recreate the city into a school known as "Tojitendo Academy". After the creation, the School World can be heard via the speakers since he was in his office.

The School World, in his own office, announces to his "students" via a microphone that this here school will have their education to become proper Kudakks which surprisingly no one wants to be, so if they want to survive, they have to study hard. So Zenkaigers and the World Pirates try to promote themselves from Stacy's Quiz test but unfortunately, the Zenkaigers failed the test.

They decided to become school delinquents in order to get School's attention. They were about to make a ruckus when a pair of Kudaiters showed up to stop the mayhem, but they ignore them as they continue on the mayhem. Later back in the office, both the School World and Hakaizer are having tea but got interrupted by plea of help from a Kudaiter proclaiming that the "delinquents" won't listen to them, so both School World and Hakaizer head off from the office to stop these "delinquents" from fighting each other.

Back outside, they continue to fight each other until School World shows up to stop this mayhem, and they manage to get the tie shield off of the School World and then ripped it now making him as well as his promoted "teachers" more vulnerable to the team attacks. With that, the Zenkaigers transformed and the battle was on. During the battle, Zocks and Kaito changed to their super mode and destroy a pair of Kudaiters. Then Kaito used the Zenryoku Zenkai Cannon to summon FiveBlack, MegaRed and Chameleon Green to hold off both Hakaizer and Stacy long enough for Kaito's teammates to help him out as they manage to destroy the School World with the Zenryoku Zenkai Finale Buster, thus reversing the World's effects.

Kaito: School World!

School World: Been a while.

Me: I remember you! You were going to turn the world into a huge school.

School World: That's right. Good memory.

Me: Yep.

School World: You guys acting as bad guys to undermine Team Buktu is similar to how the Zenkaigers acted as Delinquints to defeat me.

Me: That is very coincidental.

Qin: It sure is.

Xenia: Yeah.

Nico: LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway!

Carol, Stinkfly, Yost Mr. Fantastic, Flik, Atta, Black Widow, Heimlich, Twilight Sparkle, Stellar Sparkle, Harmony Sparkle, Starshine Sparkle, Magic Skylanders, Sinestro and Power Girl VS Saix, Psyphon, Lava Ghost, Blarrg, 3 Headed Bone Dragon, Lava Bubble, Crescent Moon Mask and Moon Monster (Regular Show) (Theme including Stinkfly) - Nico's rescue in Fiore and we battled Zeraf on Dilgan

Twilight Sparkle: Zeraf to all of Fiore was like a cancer that needed to be destroyed.

Stellar Sparkle: And we really tore him apart!

Jared Knudson VS Makoto Shishio

Makoto Shishio was next.

Jared: Been a while since we last fought Shishio.

Shishio: It has been a while Jared and you've grown into quite an amazing young man.

Jared: I've come a long way since then. Last time we fought like this was back in 2020.

Shishio: That's right and it has been a while. You've come a long way over the last 4 years.

Jared: But my code and morals have not changed. I am still a man of honor and always will be.

Jared pulled out a hilt and it ignited with fire and a blue samurai katana blade formed on it.

Jared: Lets do this.

Shishio: Gladly.

Shishio unsheathed his deadly serated Katana and they went at each other and Jared and Shishio struck their blades on the ground like matches and ignited them and they clashed violently massive sparks flew all over the place and ignited the arena in the gym in a massive wall of fire and it was intense. They were really going at each other ferociously and Jared demonstrated a massive number of techniques. They stopped and looked at each other.

Jared: Like I said back in 2020, You definitely are everything I've read about. All those years ago you've proven to be an awesome challenge and a worthy adversary to the legendary Kenshin Himura, one of the legendary and invincible Battōsai samurai that I have idolized for years. He was my source of inspiration that lead me to become an honorable warrior and lead me to protect those that I care about and kill only when it's necessary.

Shishio: And I will always be honored that you respect the ways of the samurai but it's only the laws of nature that we all must follow. If you're strong you live, if you're weak you die.

Jared: And like I said, That is not part of the Samurai code of honor. It's the weak that we have to defend and it's the strong villains that we protect the weak from. That's part of the way of the Samurai. Its been that way for centuries. Even though 158 years have passed you should know all that.

Shishio: That's right and I admire that in you Jared. You have an amazing swordsman spirit as well as the true heart of the samurai. Looks like you're going to have to go at me at full strength. There's no better way to do that then by breaking your limits. Now lets see if you can make the tremendous heat of my flesh and blood even hotter and make this a fight to remember!

Jared: You want it, you got it.

Jared then went into his new SUPER DIVINE HEAVENLY PHOENIX SERAPHIM GOD ARCHANGEL-WEREWOLF-DRAGON-FIRE WOLF MOON-GOD-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA TRUE COSMIC ETERNAL HARMONY UNIVERSAL ETERNAL HEAVEN COSMOS UNITED FRIENDSHIP ALMIGHTY UNIVERAL COSMOS TRUE ETERNAL CELESTIAL COSMIC FLAMES OF HONOR FIRE WOLF MOON ULTIMATE HARMONY SERAPHIM PHOENIX GOD ARCHANGEL OF DIVINE TRUE COSMIC ETERNAL HARMONY UNIVERSAL ETERNAL HEAVEN COSMOS UNITED FRIENDSHIP ALMIGHTY UNIVERAL COSMOS TRUE ETERNAL CELESTIAL COSMIC FLAMES OF HONOR FIRE WOLF MOON ULTIMATE HARMONY SERAPHIM PHOENIX GOD ARCHANGEL JUSTICE AND DIVINE TRUE COSMIC ETERNAL HARMONY UNIVERSAL ETERNAL HEAVEN COSMOS UNITED FRIENDSHIP ALMIGHTY UNIVERAL COSMOS TRUE ETERNAL CELESTIAL COSMIC FLAMES OF HONOR FIRE WOLF MOON ULTIMATE HARMONY SERAPHIM PHOENIX GOD ARCHANGEL HOPE!

Jared: This is my new full power. And this is my ultimate transformation. Things have changed tremendously for us since we fought 4 years ago. Shishio, you called out my full power and who am I to deny such a worthy adversary.

Jared went at Shishio and they resumed clashing with incredible fury and fire was swirling around the area in massive amounts at an unbelievable level!

Jared: I hope Vypra found a way to get your incredibly powerful temperature under control?

Shishio: She did thankfully. Now I don't have to worry about dying in fire anymore.

Jared: That's good. Now you don't have to worry about Spontaneous Combustion anymore. I'm glad. Looks like you're going to get your fight to remember after all. And I always give my opponents what they want and that is a good challenge.

They clashed more and massive vortexes of fire exploded out and Jared absorbed it and kicked him and slashed him and knocked him down.

Lincoln and the girls fired waves of energy and elements that transformed into said hero groups and they attacked Team Buktu with ferocity.

Then, Lincoln fired beams of energy that hit The Monitor Orbs on the foreheads of Tim Buktu, Scott, Evil Jimmy Neutron, and Evil Sasuke and they shattered, and we not only gained a massive power boost, but those four shitheads started screaming in pain!

Deadwood: It's over. Team Buktu is done. No more lies from you.

Tim Buktu: (Laughs weakly) People need to believe in something. And nowadays, they'll believe anything.

Deadwood: We'll see about that.

He skewered and mutilated him into a thousand pieces.

Those Scales of Vengeance surrounding you, that's my death curse I put on you shitheads, and with every act of slander and defamation you committed against us, The Scales of Vengeance will begin to tip to the left representing Guilty, but here's the catch: the black flames on both scales? Because of the amount of sins you'd committed and because you're also remorseless and heartless, the black flames started sucking out your energy and draining you of your life forces and they grew stronger.

Suddenly, The Scales of Vengeance started tipping to the left representing guilty as the black flames grew stronger as Team Buktu's energy was being sucked out to feed the flames along with draining them of their life forces.

Finally, The Scales of Vengeance tipped completely to the left representing Guilty as The Scale of Guilty hit the floor with a loud thud, and finally, we saw Lincoln's Nemesis' Death Judgement of The Damned take full effect as the black flames grew even stronger and we saw Tim Buktu, Scott, Evil Jimmy Neutron, and Evil Sasuke scream in so much pain as their energy was really being sucked out of their bodies along with their life forces and their skin started drying up along with their organs.

Then, as soon as the curse was done, Tim Buktu, Scott, Evil Jimmy Neutron, and Evil Sasuke were now left as desiccated corpses drained completely dry of energy and life force, and the flames were now extremely massive.

Lily: Yikes.

Then, Lincoln went up to the black flames, but then, they became pure white and he began sucking the flames into his body absorbing all of the energy and life forces of Tim Buktu, Scott, Evil Jimmy Neutron, and Evil Sasuke, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed as he gained a massive power boost.

Lincoln: Now, we can concentrate on the biggest threat since this whole thing started: Darkseid and we'll destroy him and Apokalips in two days time. Now, there's one last thing to do and one last loose end to tie up: Femto.

We then turned to Femto who's still trying to get out, but he couldn't.

We were amazed by Cinnia Primus' transformation, but when Lincoln saw her, he had a bright atomic red blush on his face and muzzle, hearts in his eyes, and his wolf nose gushed out blood like a fountain and it hits Femto as he screamed in pain as he got burned badly by Lincoln's acid blood.

When all is said and done, what did you even achieve through your heinous actions? You walk the path of a coward creeping your way through the dark, that's a lonely path, and it's one that will follow you into death. Femto, may you suffer for all eternity with not a kindred soul to give you solace, it's time to put an end to this once and for all.

Lincoln, Cinnia Primus, Super Brother, Nico, and I went after Femto, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Femto, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Cinnia Primus did the same by firing dark blue, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Cinnia Primus, Super Brother, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was really pissing Femto off.

Suddenly, Lincoln's enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and four massive halos of rainbow energy with intricate designs formed behind him and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Femto and we all found ourselves not only in Heaven, but also, in space.

And he also flexed his muscles even more which really aroused his harem even more, and at the same time, Femto began growing weaker as all his powers were being sucked out of him one at a time and was pumped into Lincoln.

Femto: (Groans) He's sucking me dry, I can't take much more of this!

Then, when Lincoln was done and the stingers changed back, nothing was left of Femto, and Lincoln sucked out all of Femto's remaining energy in his soul and banished him to The Black Abyss, and he let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and he flexed his massive muscles as fire burst out of his massive biceps and massive muscles!

We cheered as we holstered our weapons and powered down and Cinnia Primus' new body, clothes, weapons, jewelry, Third Eye, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long orange wolf tails, large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold star ring-shaped frame around it with embedded orange gems behind the gold halo with four large orbiting gold rings on each corner and four large Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold star ring-shaped frames around them with embedded orange gems behind the gold rings behind her head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large dark blue planets orbiting around her legs, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 smaller dark blue planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized dark blue planets orbiting around her wrists and ankles, and enormous dark blue angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large dark blue angel wings underneath her enormous dark blue angel wings are permanent.

Cinnia Primus: And this where it ends for you, Femto, and this is goodbye and good riddance. Thanks for helping me get rid of Femto, Lincoln. You too, guys.

Lincoln: (Smiles Warmly) You're welcome, Cinnia.

Me and Nico: Our pleasure, Cinnia.

Suddenly, Cinnia Primus wrapped her arms around Lincoln's waist as he lifted her up to his face as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Cinnia Primus' face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Cinnia Primus sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Then, Lincoln used his purification powers to permanently remove The Brand on Casca.

Casca: It's gone, the Brand's gone.

Lincoln: But, what Griffith did can never be forgiven.

Me: Vypra's gonna keep an eye on that bastard. So, Lincoln, who's the next girl we're meeting on your next rescue tomorrow?

Suddenly, we saw the symbol of The Volcanic Laval Masters of Courage and Laval Blaster.

Lincoln: (GASPS) The symbol of The Volcanic Laval Masters of Courage and Laval Blaster.

Adara Vulcania: There's only one person who fits this: Azar Vulcania, Avatar and Gene-Slammer of Laval Blaster, and you guys are going to love meeting her, Azar Vulcania, Avatar and Gene-Slammer of Laval Blaster, is Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lava Blaster. She's The Volcanic Lava Combustion Master and member of The Volcanic Laval Masters of Courage, a group of courageous girls who are the Avatars and Gene-Slammers of The Laval Duel Monsters and they're born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and their goal is to protect and defend Lincoln from his enemies, and they are the bravest, strongest, and courageous of Lincoln's Guardian Angels. No one was able to defeat them in battle, and if they dared to anger them, they were going to get burned in a pretty nasty way. Azar Vulcania came to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Blaster, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Pyrokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Blaster, and Lincoln was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a fire greatsword and he also gave her a phoenix tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lynn and Lola a lot with using lava and fire, and Azar Vulcania hates Evil Sasuke with a passion because of everything he'd done in the past, and she swore to kill him and the evil members of his family, and that included Obito Uchiha and Madara Uchiha.

WE GASPED!

Me: Oh man, so I wasn't the only one who hated that asshole and the evil members of his family with a blazing passion?!

Lincoln: Nope, and the same went with all of us. But, she's already glad to hear we had that asshole executed along with the evil members of his family, and this time, for good.

Nico: Damn straight. And did she also find out about...?

Lynn: She did, and she really blew a gasket and she threw fire balls and balls of lava all over the place like a maniac!

WE GASPED!

Me: Yikes...!

Lincoln: Hey, thank goodness I put in a lava-proof venting room in her house when I built her lava-proof home whenever she goes on a nasty ranting against Evil Sasuke.

Adara Vulcania: If you thought her temper was nasty, thank goodness you didn't hear her curse like a banshee! (SHUDDERS)

The others shuddered as well.

Calida Vulcania: The things Azar said, that was absolutely nasty!

Lincoln: (starts crying) IT'S OVER! IT'S FINALLY OVER!

Lincoln fell to the ground crying.

Me and Rita comforted Lincoln.

Krusty: Well, it was very difficult.

Chalmers: But we finally got rid of Team Buktu

Fat Tony: Poor Lincoln, though.

Rita: Oh there there sweetie. It's over now.

Ben: You know, I could use Alien X to wipe everyone's memory of Team Buktu. Except us, of course.

Jimbo: It's best to let everyone remember.

Wiggum: Jimbo's right. That way, eveyrone can learn from this and know who the real heroes are.

Me: That's true.

Nico: Come on guys. Lets head home and get some rest.

Me: Yeah. I'm bushed.

Xenia: Me too.

Laney: (To the viewers) This was an intense battle.

Me: It sure was.

We went back home.

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We finally did it, Scott, Tim Buktu, Evil Jimmy Neutron, and Evil Sasuke are finally gone forever!

Anna Anyanova: That's for sure, but now, we got to prepare for the truly larger threat, Darkseid, and he's gonna be tough just like Thanos.

?: But, we're more than ready for him.

Anna Anyanova: Caleb's poisonous darkness caused him to split in two, and we took the one with The Curse Mark on him and got him executed, and tomorrow, we're going to kill Team Buktu once and for all, and get ready for when we face off against Darkseid. But, at long last, we are finally rid of Alecto Slytherin once and for all.

?: That's for sure.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters of the now expanded hot springs was Lincoln in the hot waters, but they also saw his towel was on the rack along with his orange speedo, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice)(Flexes his massive arms and his massive biceps bulged even more with more veins forming)(Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Lily the Mermaid: (Rubs Lincoln's massive pecs)(Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fesstertox's Perfect Gene-Slammer serum and Perfect God serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility and fertility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his towel around his waist about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice)(Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Alexander Avalon: So far so good. We took down The Dark Mirror Card, but tomorrow, I got a feeling we're going to take on the dark version of The Maze Card, this thing caused trouble for Sakura, and Tory got hurt big time.

Alexander Avalon went back inside: the hunt for The Dark Clow Cards was still on, Team Buktu is finally gone forever, and now, we can focus on getting rid of Darkseid forever, and we would make Darkseid pay for all his crimes when we destroy him and Apokalips forever!

Evolt came to Anti-Monitor.

Evolt: My lord!

Anti-Monitor: Yes Evolt what is it?

Evolt: I just received word that Team Buktu has fallen at the hands of Team Loud Phoenix Storm.

Anti-Monitor: (Sighs) No matter. Their usefulness to me ended the moment they experimented on the High Mage. They were all expendable anyway.

Evolt: I agree there sir.

Anti-Monitor: They made their choice. Continue your work.

Evolt: Yes my lord.

He left.

DC SUPERVILLAINS PART 10

PART 10: CRIME SYNDICATE AND OWLMAN

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: he saw an infernal planet that's like Hell times infinity, and it's a place of true darkness and hellish flames, and protected by powerful omnipotent angels, the males who spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Seven Deadly Sins, Hellfire, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, and the immense omnipotent powers of Lucifer, The Ruler of Hell, The Princes and Dukes of Hell, and all the powers of all the devils, demons, and Hell itself times infinity, and the ability to grow even stronger, and they were given incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the males into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Seven Deadly Sins, Hellfire, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, and the immense omnipotent powers of Lucifer, The Ruler of Hell, The Princes and Dukes of Hell, and all the powers of all the devils, demons, and Hell itself times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet and its core into his body and their planet's Sun into his body to preserve their legacy.

Lincoln woke up.

Lincoln: Holy moly, what on Earth Omega was that?!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) No way, that world you saw, that was Hellairaira, an infernal planet that's like Hell times infinity, and it's a place of true darkness and hellish flames, and protected by powerful omnipotent angels, the males who spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Seven Deadly Sins, Hellfire, The Dark Arts, Dark Magic, Black Magic, Satanic

Magic, and the immense omnipotent powers of Lucifer, The Ruler of Hell, The Princes and Dukes of Hell, and all the powers of all the devils, demons, and Hell itself times infinity, and the ability to grow even stronger, and they were given incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the male Hellairairans and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the males into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Seven Deadly Sins, Hellfire, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, and the immense omnipotent powers of Lucifer, The Ruler of Hell, The Princes and Dukes of Hell, and all the powers of all the devils, demons, and Hell itself times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb Hellairaira and its core into his body and Hellairaira's Sun into his body to preserve their legacy.

Lincoln: That's incredible!

Lincoln got up and got dressed, and he left a note explaining it, and he headed off to Hellairaira.

Lincoln landed on Planet Hellairaira, and it was everything he saw in his dream and his rainbow energy aura exploded as he grew stronger.

Lincoln: Whoa! So, this is Hellairaira, it truly is an infernal planet that's like Hell times infinity and is a place of true darkness and hellish flames.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) It's still as intense as ever.

?: (Strong Manly Voice)(Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw a strong-looking man who was really tall at 620'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, he was shirtless with a crimson red sun and moon on his chest, he has long black hair going down to his shoulders, crimson red eyes, black angel wings, he has on a black loincloth, and black sandals, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Hunter Hellairaira, King of The Hellairairans of Planet Hellairaira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?!

Lincoln: I do, he's the father of my Guardian Angel, Hailey Heavenairaira. (GASPS) Now, I remember, I've been here before to Hellairaira eight years ago.

Then, all of the other male Hellairairans came to Lincoln.

Hunter Hellairaira: That's correct, you came here eight years ago when my daughter wanted to introduce me to you. (Smiles) You've grown that much stronger and taller, you're just as tall as me, and you're also even more muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man she and the others had helped you become.

Lincoln had an embarrassed blush on his cheeks and muzzle as Hunter chuckled.

Lincoln: And there's something I need to tell you.

Hunter Hellairaira: I know. You had the dream, it's time.

Lincoln: Yes, it is.

Suddenly, Hunter Hellairaira chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Hunter Hellairaira: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Hunter Hellairaira and the other septillion male Hellairairans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Seven Deadly Sins, Hellfire, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, and the immense omnipotent powers of Lucifer, The Ruler of Hell, The Princes and Dukes of Hell, and all the powers of all the devils, demons, and Hell itself, and incredible godly powers and immense excessive virility and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo with intricate designs and The Sun and Moon made of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs and The Sun and The Moon made of light hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH!

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura was raging like a really massive wildfire and he has a crimson red and black aura with hellish flames surrounding him as he pounded his chest like a gorilla.

Lincoln: Whoa...! This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed on his massive biceps and the image of cannons firing formed on his massive pecs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome!

Alan Almightairaira: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels, now there's one last thing for you to do, Lincoln.

Lincoln flew deeper and deeper into the planet, and he found it: the core of Planet Hellairaira, the inner and outer cores of the planet and the million other planets consisted primarily of iron and nickel and are extremely infernaly hot with the temperature at more than 999,999,999,999,999,999,999,999,999,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the core of Planet Hellairaira, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core and the planet itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Hellairaira's massive Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and

blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Lily the Mermaid: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks)(Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever and full of even more infinite energy.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him, but it suddenly became even stronger due to the powers of the Eroticairans of Planet Eroticaira he has and his primal urges went wild.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the

bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning)(Thinking) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them and they were on his bed.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and

massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: That was the surprise you had planned for us. But, you're gonna have to explain it tomorrow.

Lincoln: I will. (Smirks Seductively) Now, then, where were we?

Lincoln and his harem had another intense and passionate lovemaking session, and they went back to sleep a few hours later. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

J.D. 2: This was no ordinary planet. Lincoln, do you have a book about the world you went to?

Lincoln ran to his room and flew to the top of his massive vast collection of libraries and found the very book and brought it to J.D. 2.

J.D. 2: I knew it.

He opened the book, and we saw it: the planet Lincoln saw in his dream.

Me: Whoa! what is that place?

J.D. 2: This, J.D., is Hellairaira, an infernal planet that's like Hell times infinity, and it's a place of true darkness and hellish flames, and protected by powerful omnipotent angels, the males who spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Seven Deadly Sins, Hellfire, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, and the immense omnipotent powers of Lucifer, The Ruler of Hell, The Princes and Dukes of Hell, and all the powers of all the devils, demons, and Hell itself times infinity, and the ability to grow even stronger, and they were given incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the male Hellairairans and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the males into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Seven Deadly Sins, Hellfire, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, and the immense omnipotent powers of Lucifer, The Ruler of Hell, The Princes and Dukes of Hell, and all the powers of all the devils, demons, and Hell itself times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb Hellairaira and its core into his body and Hellairaira's Sun into his body to preserve their legacy.

He finished and returned the book to Lincoln's room, but we were immediately stunned.

Me: (GULPS) Oh man! And Lincoln, you'd been to Hellairaira before?!

Hunter Hellairaira: (Through the rainbow Thunderbird and animals on Lincoln's forehead) That is correct, J.D., Lincoln came to Hellairaira eight years ago a week after your Simulator adventure that took you, Lincoln, and Linka to Hell, and years later, I saw the kind of man he would grow up to become.

J.D. 2: Hunter Hellairaira! Your Majesty, it's been vast eons since we last met.

Nico: First, you saw Heavenairaira, a beautiful planet that's like Heaven and Paradise times infinity and is like 999,999,999,999,999,999,999,999,999,999,999,999,999 Gardens of Eden times infinity yesterday, and now, you saw Hellairaira, an infernal planet that's like Hell times infinity?! (GULPS) That's really scary!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his large gold halo and smaller halo with intricate designs made of light and The Sun and The Moon in it in the center and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Adrian's Akuma, Cat Blanc.

Adrian: Oh crud! Cat Blanc!

Nico: Oh man! Your white cat Akuma, I remembered fighting him, this guy was really really tough! Cat Blanc holds more explosive power times 1,000! And here's the scary part, his Mega Cataclysm power possesses enough power to destroy entire planets!

WE GASPED!

Lincoln: Like with Sakura Shinju and many of the girls we've known who have the power to destroy entire planets! Oh man! This...is gonna be explosive. (Smirks) Well, let's see how his Mega Cataclysm is going to fare against what we got up our sleeve.

Marinette and the other Miraculous users were confused, but Nico and I knew what Lincoln was saying, but we kept it to ourselves.

Eli: Wait, before we go to Paris, I...I want to be purified at once.

Me: Eli, what's wrong? (Realizes it) Sephiroth, isn't it?

Eli: Yes, I want to be ready for when we do face him, and I do not want anger to blind me, plus there is also the traumas and pain I went through in my world.

Lincoln recited the incantation, and then, a beam of heavenly light appeared from the ground and surrounded him and Eli, and when the column of light faded, they were at The Palace of Eternal Purification, the massive pure white building that looked like The Parthenon of Ancient Greece and The Pantheon of Ancient Rome, but twenty times larger with large white angel statues out in front that look like they're guarding the building and many more that are standing to the sides which was inside The World Tree Estate.

Eli: So, that's...?!

Lincoln: The Palace of True Eternal Purification, the very place place built to help those forever scarred by darkness be purified of all darkness, trauma, pain, and despair. 13.7 billion years, many people who came here have had their hearts purified and their minds and souls completely cleansed of all darkness, trauma, pain, despair, and all sorts of negative emotions, and the very place where I went to so that I could be rid of the last of Dark Chase Young's essence and be eternally purified for good and where J.D. was purified for good as well, same with Nico.

Eli knew in his heart that it needs to be done.

Eli: Lincoln, open the doors, I'm going in!

Lincoln opened the doors and Eli went in alone as the doors closed. As he walked throughout the building, the inside of the building was also twenty times larger than The Parthenon of Ancient Greece and The Pantheon of Ancient Rome, and inside, there were rows of ancient brave Houvoan warriors and angels, and there in the center stood a statue of Princess Ankhstarena.

Eli: (Amazed) Wow...!

Suddenly, the circle in the center in front of Princess Ankhstarena's statue glowed.

?: (Powerful Voice) Step forward.

Eli obeyed the powerful voice, and he stepped into the circle in the center in front of the statue of Princess Ankhstarena.

?: (Powerful Voice) You are indeed a strong warrior, but you also carry so much excessive negativity and darkness because of scars inflicted on you mentally. Do not worry, you shall be cleansed and purified at once.

Then, the oil basins were suddenly lit on fire along with torches with pure white flames, and then, Eli was suddenly being lifted off the ground and Nico was floating in mid-air. Then, Eli was enveloped inside a white ball of light, and then, he felt his body coursing with white hot fire: this was the very ritual used to cleanse and purify fully all of those forever hurt and scarred by darkness and negativity.

Eli: (GRUNTS) (Thinking) Oh man, this feels really hot! It feels like liquid white hot fire is being injected into my body and it's really coursing through every fiber of my being! (GROWLS) Wait, I also feel something dark being sucked out of me!

Then, massive visible strains of dark energy were suddenly being pulled and sucked out right out of Eli: it was the very darkness and negativity brought on by the years of painful mental scars, vicious beatings, and many other horrifying things Eli went through in his world including seeing the death of Aerith at Sephiroth's hands and it was all gathering into a very massive ball of dark energy that was gathering in the center!

Then, the memories of all the good times I'd had throughout his life and the many years of joy and happiness along with his arrival to Michigan and joining Team Loud Phoenix Storm began flooding his mind: he saw that he was and always will be a true noble hero with a pure heart and soul who always lifts the darkness of all those around him with a smile and always helps those in need and brings down evil with the flames of justice, and that it was finally time to let go of the darkness that haunts him.

Suddenly, Eli felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and twelve sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings on his eleven massive and long brown wolf tails and a rainbow sun and moon tattoo appeared on his bare chest glowed.

Eli: I am Eli Winston-Bullock, The Champion of Friendship and Protector of Earth and Loved by All, Almighty Loving Son of Pharaoh Atem, Loving Son of Aerith Gainsborough, Loving Brother of James Dean Knudson, Loving Future Husband of Nunnally, Powerful Jedi of Earth, Amazing Member of Team Loud Phoenix Storm, The Jinchuriki of Yomi The Ten-Tailed Wolf, Emissary and Champion of The Heavens, The Cosmos, The Universe, and The Multiverse and Beyond, Defender of All Life! This is who I am and always will be, and no one can take that away from me!

Finally, a heavenly white aura surrounded Nico: he was finally and fully purified of years of darkness and negativity that clouded his heart, mind, and soul. No more fear, no more darkness, and no more tears of sorrow shall be shed!

Suddenly, Eli's blue eyes with heavenly golden yellow circle surrounding them turned neon blue, and he was surrounded by a rainbow, white, golden yellow, and blue energy aura with aura energy, white, golden yellow, and blue heavenly flames, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Atomic Radiation, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Great Old Ones, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Deer, Hippogriffs, Griffins, Perytons, Sphinxes, Manticores, Animals, and Mythological Animals, but then, it exploded out even more.

Back in the dining room, everyone felt it from far away!

Nico: Whoa! Eli's energy and power is exploding even more!

Nebula Lanaia: What's happening?!

Me: It's Eli! (STOOD MY GROUND) WHOA! Holy shit, he's going through the same purification process Lincoln, Nico, and I went through!

Suddenly, Eli let out a growl as his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body and his blue eyes and rainbow iris of his Third Eye remain the same, but the pupils turned into slits, his fangs grew longer and his rows of straight teeth remained the same, his enormous white angel wings and twelve sets of large white angel wings underneath his massive white angel wings remained the same, his twelve massive and long brown wolf tails and large brown wolf ears remained the same, his long wild brown hair going down to his upper back with multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow highlights in the bangs of his long yellow hair became wilder and his large gold halo with four large orbiting gold rings orbiting the corners behind his head remained the same along with the Yata no Kagami mirror behind the large gold halo behind his head and the four Yata no Kagami mirrors behind the four large orbiting gold rings.

?: (Powerful Manly Voice) Not quite yet. Now, there is one last thing to do.

Eli saw the very massive ball of dark energy in the center: the very darkness and negativity brought on by years of painful mental scars, vicious beatings, and many other horrifying things he went through in his world. Then, it started to take shape and it formed into DARK ELI! It looked like Eli, but his hair was black hair and he had black sclera and bright red eyes full of that very darkness and negativity.

Come then, (Aura explodes out) Let's do this!

Dark Eli: I WILL DESTROY YOU, AND THEN, I WILL DESTROY YOUR PATHETIC FAMILY AND ALL LIFE ON EARTH AND THE ENTIRE UNIVERSE!

Eli went after Dark Eli and he fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and

Mythological Animals at Dark Eli and they exploded with incredible power as they hit him.

Eli also attacked Dark Eli with his massive greatsword, and he mixed up his attacks with left hand punches, kicks, tail swipes from his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were brutal than ever, and he fired intense fire and elemental blasts at him and they explode with fiery and intense power.

Then, Dark Eli made a sword of darkness and we clashed with their swords, and it was fierce, but Eli overwhelmed Dark Eli and destroyed his dark energy sword, and he was forced onto his knees.

Dark Eli: You think you've won?! You think this is the end! You will never be free, you will forever be haunted by darkness wherever you go! You will never be a true hero, you will fail and everything you worked for will also be burned to ashes!

But, Eli had a forever calm look on his face, and he never made any angry looks on his face, but he looked at Dark Eli with empathy.

It's true I suffered for years due to mental scars and losing those I held dear to my heart back in the past and I was plagued by darkness.

Eli raised his massive greatsword at Dark Eli, but then, the 620'11" massive wide, double-edged hulking gold blade was suddenly surrounded by a pure white purifying flame.

I will always remind myself that I am a true hero, and I will never turn away from those in need. No more fear and no more tears of pain and sorrow will be shed, and never again will I ever be plagued by darkness nor by the darkness that you plagued my mind with.

SHEEN!

ELI REAPPEARED IN FRONT OF DARK ELI AND PIERCED HIM RIGHT IN HIS BLACK HEART WITH HIS MASSIVE GREATSWORD'S BLADE!

Then, Eli removed his massive greatsword from Dark Eli who fell to the floor, and the white purifying flame began spreading across Dark Eli's body, and he was being destroyed completely!

Eli walked away as Dark Eli exploded in white purifying flames and he was forever sent to The Black Abyss eternally forgotten. Then, outside of the temple, Lincoln saw the doors open, and Eli stepped out.

Lincoln: (Gasps) You did it, Eli, you purified yourself completely of the darkness inside you, and you also transformed!

Then, Eli reappeared in front of Lincoln in a flash of light and he had a smile on his face as he placed his left hand on

Lincoln: We're so glad you're freed from that darkness you had in you, Eli. Alright, now let's finish breakfast and head to Paris to take down Cat Blanc.

Nico: Right.

Horsea was walking in the city

Horsea: I'm really glad Team Buktu is finished. But I hope Lincoln's okay and that he won't do anything he'll regret.

Horsea then heard crying. She looked to see a little girl crying. She hopped over to her.

Horsea: Hey there. Are you okay?

Girl: (GASP)

Horsea: It's okay. I won't hurt you.

Girl: Who are you?

Horsea: I'm one of the Team Loud Phoenix Storm mascots. I'm Horsea. Who are you?

Lory Gunnar: Lory Gunnar.

Horsea: What are you doing out here all alone?

Lory Gunnar: I'm out here because my mother and father died! (CRYING) I RAN AWAY BECAUSE I WAS SCARED!

Horsea: Oh no!

Lory Gunnar: Also I have this mysterious power I can do this.

She held out her hand and elemental balls of fire, water, earth, lightning, wind, light, darkness, skulls, life, gears, storms, crystal, lava, steam, blood, time, stars, sun, moon, nebulae and the elements formed around her hand.

Horsea: WHOA! That is cool you can do that!

Lory Gunnar: I know. (CRYING) I ran away because of my parents getting killed by bad men!

Horsea: Oh no! How long have you been out here?

Lory Gunner: Since last month!

Horsea: Oh man! I'll take you back home and we can help you.

Lory Gunnar: Thank you.

Horsea turned into her human form and grabbed Lori and had her hop onto her back and they went to the estate.

Horsea: We'll get you to one of the rooms.

Lory Gunner: Thank you. (STOMACH GROWLS)

Horsea: Oh man and you are hungry. (Sniffs) And lets clean you up too and get you new clothes.

Lory Gunner: Good idea.

Horsea: By the way, you heard what happened yesterday, right?

Lory Gunner: I sure did. Team Buktu is dead for good. Good riddance.

Horsea: Yep.

They got into the elevator and went up to the estate

Horsea: But I hope Lincoln will be okay.

Lory Gunnar: Me too.

* * *

Lincoln was happy as ever! He was being kissed all over by his harem and also eating pancakes.

SMOOCHES!

Anna Anyanova: Thank goodness it's over.

Maria, on the other hand, was panicking.

Maria: Horsea?! Where are you?! Horsea?!

Me: Oh she went outside to get some fresh air.

Maria: Oh. Okay.

Horsea came in.

Horsea: Hold on Lory. NICO! MARIA!

Maria: Oh Horsea is back.

Nico: Have a nice w.. (GASP) Oh my god! What happened to her?

Horsea: She's hungry and homeless.

She told us everything.

Me: Oh my god! Poor girl.

Horsea: I don't care if you guys are still haunted by what Team Buktu did. I'm helping her!

Me: We never had any questioning about that.

Nico: Also we're glad Team Buktu is gone.

Lincoln: Yeah! Thank goodness.

Horsea: Oh. Okay.

Me: Lets get her to the tub.

We did so.

Nico: At least you didn't accidentally find cocaine

Horsea: I couldn't just let her sit in that alley.

Maria: Poor girl.

Sarah Reginald: She had it rough.

Me and Lory came back. Lory had a rainbow tank top and pink shorts and had a rainbow hairbow and sandals.

Lory Gunnar: I look awesome.

Nico: You sure do.

Lory's stomach growled.

Me: Lets get her an all you can eat buffet.

We did so and man she was hungry! She ate 40 plates of food

Horsea: Are any of the murderers familiar to you guys?

Me: Actually yes. They are Eric Roland and his brothers Evan and Quincy. They robbed Lory's house for money. I busted them and got them sent to prison for life in a maximum security prison in Russia. They were beaten to death last week.

Horsea: Good riddance!

Maria: Horsea, don't scare me like that again!

Horsea: Sorry. I just needed to get some air.

Maria: I know.

Audrey woke up to see Gholdengo and Chloe and Anne Marie staring at her.

Chloe Bourgeois: Morning mom.

Anne Marie: Morning mom.

Audrey: Oh good morning guys.

Gholdengo: It's time for breakfast.

Audrey went and got up and went to get dressed and went to the table.

Me: Morning Audrey.

Audrey: Morning everyone. Morning Lincoln. You look awesome and happy.

Lincoln: I sure am.

We gave her eggs and croissants and crepes.

We finished our breakfast and we headed out to Paris to meet and help Mississippi Queen unlock her Rainbow Power and take down Cat Blanc.

Me: Too us guys. For ridding the world of Team Buktu for good.

All of us: (CLINKS GLASSES) HERE HERE!

Qin: Good riddance.

Sabine Cheng: I'm glad they are gone.

Marinette: So are we mom.

Lory Gunnar: We are too.

Bloxx: We never have to see or smell their ugly hides again.

Albedo: Thank goodness for that.

Lincoln: I am glad too.

Nico: Bloxx, I want to thank you, Armored Gorilla, and your teams for coming

Bloxx: No problem Nico. I'm glad we can help.

Lego Superman: Same here. And guys thanks for helping us out.

Me: You're welcome Kal. But we're not done yet. Now we have to expose the Crime Syndicate.

Lego Superman: On behalf of our world, I want to apologize for everything you suffered because of Team Buktu.

Me: It's not your fault Kal. Team Buktu is our responsibility because they are from the prime universe.

Qin: Yeah.

Albedo: But the good news is they are gone for good.

Lego Superman: And we are grateful they are.

Me: So is the entire universe and the world of Lego.

Lego Batman: I know.

Lory Gunnar: I'm just really glad they are gone for good.

Maria: So are we Lory.

Me: And like School World said, we had to do something similar to what the Zenkaigers did to him.

Zocks: That is coincidental.

Sabine: I'm so sorry you had to go through all that because of them.

Lego Superman: But still. If we didn't leave ourselves open to Utlraman sending us to Apokolips, everything you suffered the last several days could've been avoided.

Me: Well we couldn't stray from the plan though.

Nico: Our plan was to get them exposed and then free you all.

Laney: That's right.

Lory Gunnar: (Eating Pastry) Mmm.

Lola: I'm just glad that they are gone.

Lincoln: So am I. Now Scott and his evil and Team Buktu will never haunt the universe ever again.

Albedo: I'm glad for that.

Anna Anyanova: We are too. Now that's another one of Lincoln's dangerous enemies silenced.

Lincoln: Though why do I feel a bit empty?

Nico: Because revenge was involved. Not to mention that the Eds got hurt. So you gotta wonder: Was it really worth it in the end?

Lincoln: Well not for the Eds. That was Jonny's Akuma.

Eddy: Beside we're healed now.

Lincoln: That's good.

Me: And besides, I wouldn't think of it as revenge. I would say this was retribution.

Lincoln: Oh that's different.

Anna Anyanova: That is true.

Punisher: Yeah Revenge is something me and Sasuke know. Retribution is a whole different thing.

Nico: Juggernaut finished Scott off in only a few seconds. That showed we didn't have anything to worry about from him.

Lincoln: Yeah that is for sure.

Me: With a power level of only 75? That is nothing.

Camie: Yeah no kidding.

Nico: Yeah and Caleb and all of us did great in making them pay for their crimes.

Albedo: And Stane is now in the M.O.E.

Xenia: Yeah no kidding.

Qin: I'm just glad all that's over.

Me: Yeah. And me, Nico, Eli and Lincoln got purified too.

Eli: And it feels amazing too. I'm just glad we never have to deal with Team Buktu ever again.

Taro: And you guys weren't kidding about everything they did to you and more. They were the absolute worst.

Me: Yep.

Then my phone rang.

Me: Oh please excuse me.

I went and answered.

Me: Hello?

Amanda Waller: Hello J.D. it's Amanda Waller.

Me: Oh Hello Ms. Waller.

Amanda Waller: I would like to congratulate you all on destroying Team Buktu for good and you all have my condolences for everything you went through in the Lego World because of them.

Me: Thank you Ms. Waller we appreciate that.

Amanda Waller: You're welcome. If you need time to talk, I'm always available.

Me: Thank you.

She hung up.

I did too.

Nico: What did Ms. Waller want?

Me: She was telling us congratulations on destroying Team Buktu and she gave us her condolences for what went down in the Lego World.

Nico: That was nice of her to tell us that.

Me: Yep.

Maria: Horsea, you did a good thing earlier.

Horsea: Thanks Maria. I couldn't let Lory be out there on the streets like that.

Lory Gunnar: I'm glad you all helped me out.

Maria: We are too.

Mississippi Queen: That's awesome.

Me: It sure is. Oh Nico, Mississippi Queen moved to Ponyville from New Horseleans.

Nico: New Horseleans?

Twilight Sparkle: It's Equestria's version of New Orleans, Louisiana.

Mississippi Queen: I am known as the Cajun Goddess and make spicy food and drinks.

Nico: Nice!

Me: Yep. And she makes awesome Mississippi Queen drinks too.

Mississppi Queen: Hence my name.

Qin: Yep.

Me: She just joined us last week.

Nico: We're glad to have you with us.

Mississippi Queen: I won't let you all down.

Nico: First Poliwag finds cocaine. And now this? All that's left is Poromon and Manaphy

Me: Don't jinx it Nico.

Nico: Sorry.

Horsea hopped on Lory's head.

Lory Gunnar: Your mascots are really funny and awesome.

Me: They sure are.

Nico: Yeah they do funny stuff but they love it.

Poromon: And we are the cutest ever.

Kirby: Next to me too.

Poliwag: Kirby too.

Lory Gunnar: You got that right.

Me: Lory that is amazing you can do all that with your powers.

Nico: Can you show us?

Lory Gunnar: Sure. Look.

She showed her powers. She formed elemental balls of fire, water, earth, lightning, wind, light, darkness, skulls, life, gears, storms, crystal, lava, steam, blood, time, stars, sun, moon, nebulae and the elements formed around her hand.

Nico: That is amazing you can do that.

Camie: Were you born with this kind of power?

Lory Gunnar: I don't really know. I haven't gotten myself tested for it.

Me: Hmm... Let me see.

I did a scan on her.

Me: Whoa! You have the X mutation Gene in you and that shows that you were definitely born with your powers.

Lory Gunnar: So I'm a mutant. That makes me special and awesome.

Professor X: (British Accent) Indeed it does.

Me: We can teach you how to use your powers like the X-Men and all of us can.

Lory Gunnar: I would like that.

Horsea cuddled up to Lory.

Horsea: We're just glad you're all right.

Lory Gunnar: I sure am. How did you turn into a human like that?

Horsea: Oh me and mascots have the power to change into human at will.

Nico: I completely forgot all about that.

Horsea: I was too small to carry her so I had to go human.

Nico: Okay.

Ymir: The mascots turning human like that is genius.

Nico: Yep. It happened when we battled one of the monsters from "Are You Afraid of The Dark?"

Ymir: Ooh scary.

Gatomon quietly poured salt on Mevya

Me: Don't even think about it Gatomon.

Gatomon: Okay okay sorry.

Mevya: Good.

Lincoln: Okay, guys, we're here for one intense and explosive battle, we're here in Paris to meet and help Mississippi Queen unlock her Rainbow Power and take down Cat Blanc.

Nico: It's been a long time since I last fought that guy, but he's in for a much worse surprise if he thinks I'm still the same person from long ago.

Me: That's for sure. From what I heard he's a white version of Cat Noir.

Pyra heard a Pokemon cry.

Pyra: Look guys!

We saw a Mega Flareon.

Me: A Mega Flareon! Wow!

Mega Flareon: Yeah and I'm hungry.

Pyra gave her apples.

Mega Flareon: Thanks!

She ate them.

Mega Flareon: Ahh.

Pyra: Want to come with me?

Mega Flareon: Sure!

Me: Awesome.

Poromon: WHOA! LOOK!

We saw a HUGE Volcanic Bug creature!

Me: Terra Beetle!

Shanan: WHOA MAN! That's a Tungursanguaian Volcanbeetle from the planet Tungursanguaua! They are deadly beetles of fire and lava and burn everything on contact.

WE GASPED!

2003 Mikey screamed like a little girl

2012 Mikey screamed like a little girl too!

Ed turned into Edzilla!

Edzilla: ED SMASH HOT BUG!

Ed bashed and punched her all over.

Lory Gunnar: Watch this.

She fired waves of ice and water and the blasts all hit her and steam came out of her and she was knocked out.

Me: WHOA! That was intense! Nice job Lory!

Lory Gunnar: Thanks.

I took a vial and injected her. She was a black hair girl with yellow eyes.

I wrapped her in a blanket and brought her over.

Edzilla: ED STRONGEST THERE IS! (ROARS)

Me: YEAH!

Horsea was hopping on Lory's head

Lory laughed!

Horsea: That was amazing!

Sheena: That was awesome and well done.

Nico: Yep.

She woke up.

Girl: (Groans) What happened?

Me: Are you okay?

Girl: I guess so.

Me: What's your name?

Harriett McGee: I'm Harriett McGee.

Nicole: (GASP) Your family is known all over in the fields of volcanology. Your mom and dad are colleagues of mine and I worked a lot with them in many of the worlds volcanoes.

Harriett McGee: That's right and I'm honored Nicole.

Nicole: I'm glad you're okay.

Shanan: You were turned into what's called a Tungursanguaian Volcanbeetle from the planet Tungursanguaua. They are deadly beetles of fire and lava and burn everything on contact.

She showed a hologram of one.

Harriett McGee: Oh man! I was studying about the volcanic activity of Mount Wilshire in Los Angeles and then these men jumped me and everything went black.

Me: The Shredder's footsoldiers!

Ymir: Mount Wilshire?

Me: That was the volcano that newly formed in Los Angeles where the La Brea Tar Pits used to be.

Nicole: Yeah much of the city burned because of it back in 2019.

Harriett McGee: That's right and it was intense.

Sydney: I'm glad you're okay though Harriett.

Harriett McGee: Me too Sydney. I'm glad you're safe too.

Sydney: Same here.

She tried to stand up but lost her balance.

Harriett McGee: WHOA!

I caught her!

Me: Careful. You're not used to walking on 2 legs.

Harriett McGee: I can see that.

Rarity: Lets get you some new clothes first darling.

The fashion brigade gave her new brown and yellow clothes.

Harriett McGee: I look amazing.

Me: You sure do.

We got her walking again.

Then we heard a screech and we saw 3 figures in the air! It was MEGA GALARIAN MOLTRES, MEGA GALARIAN ZAPDOS AND MEGA GALARIAN ARTICUNO!

WE GASPED!

Me: Whoa! The Mega versions of the 3 Galarian Legendary Birds!

Lola: WHOA! And it's not just them! Look!

We saw a Mega Parasect too!

Me: A Mega Parasect! Wow!

Nico: Where did they come from?

Me: Must be some of Dark Gale's work.

Sheena: And they are ninjas from the shinobi world. The Mega Galarian Moltres is Natsuki Uchiha, The Mega Galarian Zapdos is Shomei Akimichi, The Mega Galarian Articuno is Erina Haruno and the Mega Parasect is a girl named Taki.

WE GASPED!

Sasuke: My sister Natsuki!

Choji: My sister Shomei!

Sakura Haruno: My sister Erina.

Fu: And our sister Taki! Wow!

Me: WHOA! This will be intense!

We went over to help them!

Me: Girls calm down.

Mega Parasect used Stun Spore.

I blew it back and knocked her back.

Me: Yeah!

Manaphy: Close one!

Me: No kidding!

Mega Galarian Moltres fire a blast of black fire.

Me and Sasuke: FIRE STYLE: FIREBALL!

We fired waves of fireballs from our hands and mouths and the blasts combined and they smashed into the blast and it exploded!

MASSIVE FIERY EXPLOSION!

Me: YEAH!

Poromon: Geez!

Qin: WOW! Powerful!

Mega Galarian Zapdos went at us!

Choji: PARTIAL EXPANSION JUTSU! BOTH HANDS!

He grew his hands and grabbed Mega Galarian Zapdos!

I formed a Rasengan!

Me: RASENGAN!

Nico: WHOA!

Me: Straight from the handbook of Minato and Naruto!

I slammed it into Mega Galarian Zapdos and smashed her down!

Nico: NICE!

Lory Gunnar: WOW! That was powerful!

Naruto: You bet it is!

Poliwag: YEAH!

Mega Galarian Articuno fired laser blasts!

Me: WATER STYLE: AQUA MIRROR!

I formed a mirror and it switched Mega Galarian Articuno into the place of the mirror and it got hit!

Sakura: CHERRY BLOSSOM CLASH!

She smashed her into the ground with a powerful punch!

Me: YEAH!

Mega Parasect fired a Solar Beam blast!

Fu: FAN SLASH!

She fired blades of energy and the beam got hit and exploded!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

Lory Gunnar: HOLY COW! That was powerful!

Nico: You got that right!

I snapped my fingers and they reverted back.

Natsuki was a girl with Black hair and blue eyes and had black angel wings made of pure black fire and had Mega Galarian Moltres on her forehead and a black flame with the Uchiha clan symbol on her arm.

Shomei was a girl with brown hair and orange eyes and she had golden angel wings and had Mega Galarian Zapdos no her forehead and had a steak and the Akimichi Symbol on her arm.

Erina had purple hair and green eyes and had purple angel wings and had Mega Galarian Articuno on her forehead and had a purple rose with the Haruno clan symbol and a cherry blossom on her arm.

Taki was a girl with green hair and orange eyes and had green angel wings and had a green flower with a green butterfly and had the Hidden Waterfall symbol on her arm and had Mega Parasect on her forehead.

We wrapped them in blankets and brought them over.

They woke up.

Erina Haruno: (Groans) What hit me?

Natsuki Uchiha: I feel like I was hit by a bunch of Rogue Ninjas.

Sasuke: Are you all okay?

Choji: We were worried!

Sakura Haruno: Same here.

Fu: Yeah.

Natsuki: SASUKE!

Shomei: CHOJI!

Erina: SAKURA!

Taki: FU, RUI!

They hugged them!

Natsuki: I thought you were dead bro.

Sasuke: No thank goodness I wasn't. But the rest of our evil clan are.

Choji: Boy you're gonna be hungry after today.

Sakura Haruno: We're glad you're safe.

Fu: Same here.

Me: You girls were turned into a Mega Galarian Articuno, Zapdos, Moltres and Mega Parasect by Dark Gale.

Taki: Oh man! We were on a joint mission stopping bandits in Yosuga Pass.

Me: Oh man! I know that area. That was where the infamous Tragedy of Yosuga Pass took place.

Nico: What happened?

Me: Well back when Naruto was seven, me and Naruto went on a small training trip and we were in the Land of Water. We were at the Yosuga Pass and we saw a couple of Mist Shinobi get double crossed by the Hidden Rock.

I went over what happened.

The Tragedy of Yosuga Pass (ヨスガ峠の悲劇, Yosuka Tōge no Higeki) is a tragic event that happened ten years prior to the start of the Fourth Shinobi World War.

Three shinobi from Kirigakure, Suiren, Ganryū and Junsai were sent on a mission to retrieve a document taken by Kumogakure with Iwagakure's assistance. However, when the document was retrieved, the Iwagakure shinobi immediately betrayed the Kiri team on the orders of their

Tsuchikage to retrieve the document although it ultimately remained in Kirigakure's possession after Ganryū was pushed from a cliff into a river. However, this resulted in Junsai's death and Suiren sacrificing herself in order to save Ganryū at Yosuga Pass by blocking a barrage of kunai meant for Ganryū. Since that day, Ganryū and other Kiri ninja who disapproved the betrayal had grown to despise Iwagakure and its shinobi. This incident, known as the Tragedy of Yosuga Pass marked the beginning of hostility between Kirigakure and Iwagakure.

Near the beginning of the Fourth Shinobi World War, the Third Tsuchikage sent an envoy to formally apologise for the incident, sending the Kiri ninja the personal belongings collected from Kiri's fallen shinobi

---

When it was done everyone was horrified.

Nico: That's terrible!

Me: It was. Thankfully me and Naruto arrived just in time and slain the Rock Shinobi before they can kill them.

Naruto: I don't know what that document was for but it probably wasn't good.

Qin: Oh man!

Poromon: Geez!

Me: I know.

Suki Tsuchi Iwa: That's one of the reasons why my ultimatum was formed. If they don't stop these feuds with all the Five Great Nations they will pay the ultimate price.

Taki: Oh man. And that means destroy all their shinobi and their power.

Suki Tsuchi Iwa: That's right. It would cripple them beyond repair.

Erina Haruno: Oh man.

Me: This is gonna be one helluva report to the Hokage when we get back.

Natsuki: We also have amazing new abilities too.

Qin:W hat can you do?

Natsuki Uchiha: I have a REALLY RARE bloodline called the Sun Wings of Amaterasu and they are black wings of black flames as hot as the sun.

Qin: WHOA! That explains why your wings are always on fire with black fire.

Natsuki: Yep.

Shomei: I have a REALLY unusually powerful bloodline called Calorie Spontaneous Combustion. It has her sprout butterfly wings made of pure fire!

Choji: It's why she eats more than I do and has an appetite ten times bigger than mine.

Me: I can see that Choji but that is incredible!

Erina Haruno: I have a deadly and powerful bloodline called The Rose Flame Angel. It enables her to sprout wings made of red fire and the fire turns into powerful roses and they can be used as weapons and more.

Nico: WHOA!

Qin: Amazing!

Taki: And I am a powerful master of a new bloodline called Aura Eye and Aura Dragon. It enables her to see the Auras of everyone good and bad and even fire waves of aura energy and forms it into dragons. It can blast enemies down with the force of a Kamehameha wave.

Qin: WOW!

Goku: That's incredible!

Nico: You aren't kidding Kakarot.

Rarity: Lets get you all some new clothes darlings.

The Fashion Brigade gave them new clothes. Natsuki's were black, Shomei's were brown and yellow, Erina's were purple and Taki's were black. They got their headbands and awesome weapons.

Taki: We look amazing!

Me: You sure do.

Nico: We're not done yet.

Adrien: Be on the lookout for a white version of me

Me: Yeah he looks like Adrien as Cat Noir but he's pure white. He won't be hard to spot.

Lincoln: (Sensed for Cat Blanc) AHA! Gotcha! I just sensed Cat Blanc, he's 20 yards away. (Sensed another presence) Oh God, and he's fighting against Miyuki Kurosaki, my Guardian Angel!

We took off to take down Cat Blanc.

We were flying in the air, and we saw Cat Blanc, and we saw the girl he was fighting: a girl with red hair, purple flower in her hair, blue eyes, black coat, white shirt, black skirt, black boots, black angel wings, and she has Zangetsu in her hands.

Anna Anyanova: I knew it, I knew she was here! That's Miyuki Kurosaki, she's Lincoln's Guardian Angel from Karakura Town, and she's a really powerful angel of darkness and spirits. Plus, she's the older sister of Ichigo Kurosaki, Karin Kurosaki, and Yuzu Kurosaki, and she's a legendary Soul Reaper among The Soul Society who's helped them out in many of their missions. She was born with black angel wings, immense spiritual powers, the ability to see the dead, immense powers of darkness, Cosmic Umbrakinesis, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of ghosts, spirits, and all the powers of The Soul Society members. She's been a member of The Soul Society for years and she also knew her dad, Isshin Kurosaki, was once a Soul Reaper, and she was also haunted by the death of her mother, Masaki Kurosaki, at the hands of a Hollow when Ichigo was a little boy and he also had the power to see the dead, and when Ichigo became a Soul Reaper the day he encountered Rukia, she knew her brother was going to follow the same path as her. She protected The World of The Living and The Soul Society from many supernatural threats and that also included the notorious traitor of The Soul Society, Sosuke Aizen, who she hated with a blazing passion, and she swore to destroy him and his followers. Plus, she was so glad Ichigo and Orihima got married and had a son, Kazui Kurosaki. Miyuki Kurosaki came to Royal Woods where she met Lincoln, and she trained him in everything she knows along with mastering the immense spiritual powers, the ability to see the dead, the immense powers of darkness, Cosmic Umbrakinesis, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of ghosts, spirits, and all the powers of The Soul Society members, and over time, Lincoln gained immense spiritual powers, Cosmic Umbrakinesis, dark magic, black magic, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, the powers of ghosts, spirits, and all the powers of The Soul Society members, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's also known Rangiku Matsumoto, Rukia Kuchiki, Isane Kotetsu, Nanao Ise, Nemu Kurotsuchi, Tier Harribel, Lisa Yadōmaru, Chizuru Honshō, Tatsuki Arisawa, Yoruichi Shihōin, Mashiro Kuna, Riruka Dokugamine, Yachiru Kusajishi, Nelliel Tu Odelschwanck, Ninny Spangcole, Christmas Niihashi, Meninas McAllon, Bambietta Basterbine from Universe 666, Candice Catnipp from Universe 666, Liltotto Lamperd, Giselle Gewelle from Universe 666, Cirucci Sanderwicci, Menoly Mallia, Loly Aivirrne, Senna, Katori Batsu'unsai, Senjumaru Shutara and the Simulator versions of Orihime and Haineko joined his harem, and she was so glad. Plus, she despises perverts with a passion, and she's done more than a lot of damage to her dad whenever he got any dumb perverted ideas.

Me: I remembered seeing her around Karakura Town many times and slaying Hollows and Arrancars.

Rukia: She's done a lot for The Soul Society same with Ichigo and the others, but I wonder what is she doing here in Paris?

Lincoln: If I'm not mistaken, it's to slay Cat Blanc. Remember when Ichigo had to deal with his Inner Hollow self?

Me: Oh man, I remember him all too well!

Lincoln: That also hurt Miyuki badly when she had to deal with her brother's Inner Hollow coming out and trying to kill her. I better give her a hand.

Lincoln: Strike! Raijin!

Lincoln swung his massive greatsword and fired a massive and powerful blast of lightning from his massive greatsword and it hit Cat Blanc and electrocuted him!

Caleb Maxwell: What the?! How the?!

Me: Lincoln underwent the same training Rukia and the others went through, thanks to Miyuki, and he also learned how to use his own Zanpukto that he forged, Raijin, and it merged with his massive greatsword.

Renji: I remember, he raised quite a storm when he took out a group of Hollows with one swing of his Zanpukto.

Lori: So, that's what that massive lightning storm was six years ago?!

Lynn: We almost wanted to murder Lincoln, but Selene Arcangela beat all five of us to a bloody pulp same with Rurika!

Miyuki Kurosaki: That massive lightning storm from...?! I knew that was you, Lincoln!

Lincoln: Nice to see you again, Miyuki.

Ichigo: You sure held off Cat Blanc until we got here.

Miyuki Kurosaki: You got that right, Ichigo, and I'm glad to see you, Orihime, Chad, Rukia, Renji, and the entire Soul Society here once again.

Rukia: You too, Miyuki.

We arrived.

We landed and then turned to Cat Blanc.

Nico fired a blast of rainbow energy at Cat Blanc, and he got hit!

Cat Blanc: What the?! Nico?! (ENRAGED SCREAM)

Me: To be honest, either way you good in black or white.

Cat Blanc: Thank you.

Marinette: (horrified) Adrien?

Cat Blanc: (smirks) Hello, m'lady.

Me: At least that hasn't changed.

Cat Blanc: Nope.

Me: How did you become like this?

Cat Blanc: I was made this way in an alternate future where I fell in love with Ladybug and knows her secret identity. In that future, I as Chat Noir is akumatized, became Cat Blanc, and destroyed everything, except for the Ladybug who arrives from the present time.

WE GASPED IN SHOCK!

Me: Why would your own father do this to his own son!?

Gabriel himself was looking horrified.

Gabriel: I did this to you?! No. I would never!

Cat Blanc: But you did! And everything being destroyed? That's on you!

Me: But the question is why?

Cat Blanc: Because my dad lost his mind over his failures over reuniting us with mom. He went insane and vowed to kill us all. Including me.

WE GASPED AGAIN!

Me: That is sick!

Marinette: I can't believe he would do that!

Nico: HOLY SHIT! Gabriel, I'm so glad we got to you in time and saved you from that!

Me: No kidding!

Cat Blanc: Oh please. I heard about all the pain you went with Team Buktu. Well, take a good fucking look. This is what happens to heroes like us!

Me: Remarkable. Every word of what you just said is wrong. Adrien listen this is not who you are. We never went to your time. Adrien I'm sorry!

Cat Blanc: I'M SURE YOU ARE! Team Loud Phoenix Storm is dead! And now I'm going to kill you like I killed my father!

Me: I don't think so. You can't kill us that easily.

Cat Blanc: I will kill you and this entire planet and all of it.

Me: I don't think so. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into Wolf Moon 🌙!

Me: (HOWLS) Lets do this! RELEASE THE WOLF! (HOWLS)

WOLF BLOOD BY ADRIEN VON ZIEGLER PLAYS!

I went at him and kicked him into the air and flew after him!

I dodged his strikes and blasted him all over!

I jumped back.

Cat Blanc: MEGA CATACLYSM!

Me: KAAAAAA MEEEEE HAAAAAA MEEEEEE HAAAAAAAAAAAAA!

I FIRED A POWERFUL KAMEHAMEHA WAVE AND CAT BLANC FIRED A WHITE MEGA CATACLYSM BLAST AND THE BLASTS COLLIDED AND EXPLODED WITH INTENSE AND UNBELIEVABLE POWER!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION OF INTENSE AND POWERFUL FORCE!

When the smoke cleared, Cat Blanc was blasted back by the explosion and smashed into the ground.

Qin: HOLY SHIT! WHAT POWER!

Nico: UNBELIEVABLE!

Eli: This battle could tear the entire planet apart!

Gabriel: (sighs in relief) Nico, I really am glad you guys got through to me before I could jump off the slippery slope.

Nico: Me too. But this probably won't be the last Akuma that hasn't met us yet.

Camie: I have that feeling too!

Ymir: Same here!

I flared up a massive vortex of blue fire!

He fired a White Mega Cataclysm blast and I fired a Fire Energy Blast!

The blasts collided and an INTENSELY MASSIVE AND POWERFUL EXPLOSION BLASTED OUT!

THE EXPLOSION SHOOK THE LAND WITH INTENSE POWER!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

Me and Cat Blanc went at each other with incredible and intensely powerful speed and fury! Blows were flying all over the place with intense power and speed!

I punched him and kicked him into the ground and he got back up and went at me and I punched him in the back! He crashed into a wall!

Cat Blanc: I FUCKING HATE YOU!

MY AURA FLARED UP WITH INTENSE POWER!

I teleported and kicked him in his face and punched him in his stomach and punched him down!

Anakin: It's like me turning to the Dark Side of the Force again!

Ahsoka: Except Gabriel in Cat Blanc's time evolved from Mr. Freeze to Palpatine!

Xenia: That is a very good comparison!

Nico: Yeah!

Mega Flareon charged at him and blasted him with Fire Spin and burned him all over!

Me: Adrien listen to me! Would your mother want you to become like this!? Would your own mother want you to destroy an entire planet all just so you and Marinette can be happy together? That is total annihilation! Your mother would hate you for that!

Cat Blanc: It doesn't matter since everyone's fucking dead in my time!

Me: Because you killed them! You did that yourself. You allowed your father to poison your mind with lies! Also in your time we don't exist! So we weren't there when it happened. So how can we be there if we don't exist?

Nico: He's right! It's not our fault!

Gabriel: Adrien, I know you might not believe me. But I'm sorry this happened.

Cat Blanc: You're right. I don't believe you!

Me: Adrien let him finish.

Gabriel: I never intended for you to become like this. I was only trying to save your mother. I loved her so much. I wanted us to be together again. I wanted us to be happy again. I loved her so much. When she fell into a coma I vowed to bring her back. I'm sorry son. I'm sorry for everything.

Eli: Search your feelings Adrien for you will know them to be true.

Cat Blanc was thinking.

Poromon: We'll give you a few minutes to process this. Until then...

Cat Blanc: Wanna know the worst part? Lila Rossi? That's not even her real name! Though you can still call her that since it's the one you're familiar with.

Me: What do you mean by that?

Cat Blanc: Her name is Chrysalis! She is a really talented and devious master manipulator.

Nico: Wait Chrysalis? As in Queen Chrysalis?

Cat Blanc: No not Chrysalis of the Changelings. Although she has the same abilities as her. This is different.

Qin: I see.

Cat Blanc: But her real name is Cerise Bianca!

Me: So Lila Rossi is just an alias!

Nico: All this time, Lila Rossi's parents had a daughter that never existed!

Me: SHE PLAYED HER SUPPOSED PARENTS TOO! THAT BITCH!

Cat Blanc: MOM! You're okay!

Emile: Yes thanks to Lily.

Cat Blanc: (laughs bitterly) Well, no need for me to hide it anymore. It's me, Mom. Adrien Agreste. Funny thing happened after school one day...

Emile: Son I would never hate you like this. I love you too much for that. You are still the same baby I love.

Lincoln: (HOWLS AS HE POUNDS HIS CHEST LIKE A GORILLA)

Me: Time to pay, you bastard. KIBAL, LET'S HOWL!

I turned into Wolf Moon as I let out a growl as my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my rainbow eyes with golden yellow circles around them turned dark blue and his pupils turned into slits and the rainbow iris of my Third Eye with golden yellow circles around them remain the same along with the slit pupils, my fangs then grew longer and my rows of straight teeth remained the same, my enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large rainbow angel wings underneath my enormous rainbow angel wings remained the same, my 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and large brown wolf ears remained the same, my long wild rainbow hair with multi-colored highlights in it with multi-colored phoenix fire ombre streaks in the back going down to my upper back became wilder and my large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind my head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner turned dark blue, and I let out a loud howl!

Me: (HOWLS AS I POUND MY CHEST LIKE A GORILLA)

May: CRAP! WE BETTER TAKE COVER!

The others did so, and we went after Cat Blanc, and we viciously pulverized him into the dirt with our massive godly superhuman strength, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Cat Blanc, and they exploded with incredible power as they hit him.

I really tore Cat Blanc apart!

Lincoln: I'm gonna have to train you on how to get that wild side of yours under control. Remember when I bit you, I injected my True Alpha Werewolf-Vampire hybrid blood into you to make sure that all your wounds recovered faster than ever. I asked Lisa to do a test, and found out it supercharged all your powers even more, and with your transformation yesterday, now that you have True Alpha Werewolfairan-Vampirairan hybrid blood in you, when mixed with your Saiyan blood, it makes your primal instincts even more wilder than ever.

EVERYONE GASPED!

Qin: Oh crap!

Me: Lincoln's gonna help with advancing his training especially with that!

Cat Blanc got up, but boy was he pissed!

Cat Blanc: WHY YOU! This'll shut you up for good! MEGA CATACLYSM!

Cat Blanc fired a massive white Mega Cataclysm at us, but Lincoln, Nico, and I formed Rarity's gem shields and deflected it as it went into space and...!

Suddenly, Lincoln was surrounded by an immense golden yellow aura with sunlight and light and with wolves surrounding him as The Sun shined even brighter and heavenly lights shined down from Heaven.

Eli: He's about to use The Atavism of The White Wolf of Amaterasu again!

Lincoln: (Speaking in Japanese) 私は日光と天に呼びかけ、この恐ろしい悪の忌まわしい存在を倒し、永遠の破滅の地へ送り届けます。祝福された者の魂が立ち上がり、強力な狼の姿をとって、罪人に永遠の罰を与え、永遠に冥界の闇へ送り届けますように。私の歌が天の審判をもたらし、この忌まわしい存在を永遠の安息の地へ送り届けますように。(I call upon the light of day and The Heavens to bring down this terrible abomination of evil and send him to his place of eternal damnation! Let the souls of the blessed rise and take the forms of mighty wolves that bring the damned his eternal punishment and send his to the darkness of the Underworld forever! Let my song bring forth the judgement of The Heavens and send this abomination to his eternal resting place!)

Lincoln sang a heavenly song and let out a howl as immense light shined down from the sky, The Sun, and from the Heavens and formed into white wolves with glowing golden yellow markings and they ran at Cat Blanc and attacked him with fierce fury.

Suddenly, I was surrounded by an immense orange and yellow aura with flames and with wolves surrounding me as The Sun shined even brighter and heavenly lights shined down from Heaven.

Eli: Uh oh..!

Then, I held out my left hand and fired 999 massive balls of fire at Cat Blanc, and they collided and exploded as they hit him, and I also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more along with the immense divine powers of The Gods and Goddesses of The Ancient World.

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

'Cause there is nopony quite like you

So let your magic run wild

Let your magic run wild

If you could only see everything you could be

You would spend your whole life shinin'

Let your magic run wild

Let your magic run wild

Let your magic run wild

(Now it's the time)

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and I: NOW, GO TO HELL, CAT BLANC!

Lincoln, Nico, and I did one final powerful energy slash that hit Cat Blanc hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Cat Blanc was on his last legs and he was really really mangled.

Then, Lincoln, Nico, and I punched Cat Blanc so hard in the face, he got two swollen black eyes and Lincoln tied him up with rainbow energy chains, and as he opened up a portal that led to The M.O.E., Nico and I kicked him hard in the stomach and sent him flying in as the portal closed! We cheered as we holstered our weapons and powered down.

Nico: That should do it, Cat Blanc is now in The M.O.E., and we also met your Guardian Angel, Lincoln, but I was stunned that she's also a Soul Reaper and Ichigo Kurosaki's older sister! Wow.

Me: I remembered seeing her in The Soul Society and on many missions in Karakura Town, she took down many Hollows and Arrancars, and she also helped Ichigo out as well. Guess this means you'll be related to Ichigo in the future, Lincoln.

Lincoln: That's right, and we better keep an eye on your dad, Ichigo. I just got word he, Karin, and Yuzu are moving here to Gotham Royal York.

Ichigo: Oh boy, and if he tries to pull the same ambush attacks on you, well, I hope you tie him up with some rainbow energy ropes.

Miyuki Kurosaki: Screw that! Lincoln, if my Dad tries the ambush attacks on you, please send him flying into a wall with a roundhouse kick of your own!

Eli: Wait, your Dad does ambush attacks on your brother?!

Nico: Yep, and since we met Rukia, Ichigo, and The Soul Society years ago, we knew all about Ichigo's adventures.

Uryū Ishida: That's correct, and J.D.'s helped out before as well.

Me: It's been a long time, but I still remember those adventures all too well.

Lincoln: You've got to tell us more about your adventures with The Soul Society.

Nico: Note to self: Kill the Hawk Moth that never met us.

Me: Noted but only on the rescue for Marinette's day.

Nico: Good idea.

I had a sock puppet on my hand and it had a funny face and eyes on it and it poked Nico on his head and then he saw the sock puppet and then...

LOUD HUGE BELCH!

It belched in his face!

Nico: (SCREAMS)

Me: (LAUGHS) You met my sock puppet friend Mr. Belchasaurus. Me and the mascots made him.

Poromon: It's part of a silly crafts project we made for school.

Me: Yeah!

Nico: Okay. I get it! No vacations until Anti Monitor's defeated!

Me: We weren't going to ask that. I wanted to show you our new sock puppet we made.

Nico: Oh.

Mega Flareon: That is funny though.

Nico: Nice job Mega Flareon.

Mega Flareon: Thanks Nico. That was fun.

Poromon: Want some beer?

Mega Flareon: Oh no thanks it gives me gas.

Poromon: Okay then.

Poliwag: (Does puppy eyes) Pwetty Pwease?

Nico: Poliwag that's enough.

Mega Flareon: Nice try pipsqueak.

Poliwag: HEY!

Poromon: Oh we're going to the Aquarium later today.

Me: Cool!

Xenia: You guys are gonna have fun.

Nico: Oh Bloxx, what do you like to do in your free time?

Bloxx: I like to build all kinds of fun amusement parks for kids that love playing with Legos.

Qin: Nice and awesome!

Nico: Oh yeah!

Xenia: Cool!

Me: Now for the Anothers.

Lincoln: (Sensed The Anothers) Ah, and The Anothers are coming.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is The Avatar of The Maze Card.

Nico: Uh oh!

Lincoln: Don't worry, she only uses the power of mazes on villains.

SUDDENLY, WE SENSED A VERY MASSIVE ENERGY AND POWER!

Me: WHOA! Did you feel that?!

Nico: That's one massive energy signal!

Eli: (SENSED A MASSIVE POWER) WHOA IS RIGHT! And one of The Anothers is The Embodiment of the End and The Master of Ruin - Queen of Oblivion and Demise - King of Armageddon!

WE GASPED IN SHOCK!

Lincoln: If it's who I think it is, you guys are in for one huge surprise!

Me: Yep. So Bloxx, Lego Superman, Lego Batman, Lego Wonder Woman, Lego Green Lantern and Lego Aquaman are up and we're facing Another Armored Gorilla, Miracle Matter (Rock Form), Miracle Matter (Bomb Form), Miracle Matter (Lightning Form), Miracle Matter (Cut Form) and Miracle Matter (Needle Form).

Qin: Yep.

Xenia: This will be intense.

Nico: There they are!

We saw Another Miracle Matter (Rock Form), Miracle Matter (Bomb Form), Miracle Matter (Lightning Form), Miracle Matter (Cut Form) and Miracle Matter (Needle Form)!

Me: Wow 5 Miracle Matter Forms!

Xenia: I know!

Qin: We're going to have to hit that element that matches it.

Lola: Yep.

Another Lightning Form Miracle Matter: (In a girls Voice) I know.

They reverted back and were the gene-slammers of Mist Valley Falcon and Mist Valley Executor and the Embodiment of the End.

Nico: Marlene and May Misty!

Lincoln: And Arlene Armageddon! Wow!

Marlene Misty: Good to see you Nico.

Arlene Armageddon: And you too Lincoln.

Nico: Care to introduce us?

Anna Anyanova: Sure. This is Arlene Armageddon, Embodiment of the End and The Master of Ruin - Queen of Oblivion and Demise - King of Armageddon, she's Lincoln's Guardian Angel from Michigan who was born with the powers of Ruin, Oblivion, and Armageddon, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, the immense omnipotent powers of darkness, and the powers of Ruin - Queen of Oblivion and Demise - King of Armageddon and she's an extremely deadly force of nature and she can also destroy entire planets which happens to be her deadliest power ever! Arlene Armageddon came to Royal Woods where she met Lincoln, and she taught him how to master the immense powers of Ruin, Oblivion, and Armageddon, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, the immense omnipotent powers of darkness, and the powers of Ruin - Queen of Oblivion and Demise - King of Armageddon, and over time, Lincoln gained even more immense superhuman strength, immense regeneration, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, the powers of Ruin, Oblivion, and Armageddon, the immense omnipotent powers of darkness, the powers of Ruin - Queen of Oblivion and Demise - King of Armageddon, and the power to destroy planets, and he was already born with immortality and invincibility and his powers also grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and her powers. Lincoln made her an awesome scythe, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Scott with a vengeance and she swore to kill him, Tim Buktu, Evil Jimmy Neutron, Evil Sasuke, and Obadiah Stane A.K.A. Ironmonger especially for all the Team Buktu bullshit that left Lincoln with mental trauma two years ago which was made worse because of Audrey Madison's Rebellion Chip and Dark Chase Young's last remaining essence inside him two years later, but she was glad Lincoln was permanently purified, but she wasn't going to forgive Alexander Michaelson and Rebecca Michaelson's dad, Nathaniel Michaelson, for infecting Lincoln with the last remaining essence of Dark Chase Young, and she swore she was going to kill him along with Scott. But, Alexander and Rebecca are going to get her to not go after their dad because he was also just as much of a victim of Dark Chase Young along with being cruelly tortured by that cruel heartless bitch of an ex-wife of his, Ravenna Michaelson.

Me: HOLY CRUD!

Qin: Wow!

Varie: YIKES!

Albedo: I already managed to get Stane to defect

Arlene Armageddon: I know and you did great Albedo.

Me: Yep. By the way girls are the rest of the Anothers friendly or hostile?

Marlene Misty: One is friendly but the other is hostile. It's someone that Ms. Bourgeois doesn't like.

Me: Uh oh.

Audrey Bourgeois: Oh dear.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

They glowed and the anothers were separated.

Me: Action time!

Rolf: YOU HAVE BROKEN THE CELERY STALK ON THE SPINE ON THE SEA URCHIN!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Rolf: MAY THE FLEAS FROM YOUR COW INFLAME YOUR RHUBARB!

Qin: YEAH!

Nico: Audrey, anyone you know that doesn't like you that much?

Audrey: Before I changed my ways, I had plenty of enemies.

Me: Lots of people in the fashion industry of such high calibur make LOTS of enemies.

Qin: Yeah no kidding.

Rarity: Take it from me darlings. Suri Polomare is one of them.

Leni: That is totes crazy.

Qin: It sure is.

Audrey: He or she also could be an enemy of Chloe's before both of us changed. Or an enemy of Andre's who wanted him out of his mayor position.

Nico: I remember your entire family has a boatload of enemies.

Chloe Bourgeois: I know.

Me: Both in the Political Fields and the Fashion World.

Nico: Yep.

Xenia: We'll find out who they are soon.

We saw Another Armored Gorilla and Style Queen!

Me: WHOA!

Another Armored Gorilla: (In a girls voice) I'm ready for this!

She reverted back and it was the Avatar of The Maze Card!

Lincoln: Mira Maze!

Mira Maze: Good to see you again Lincoln.

Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's not only used her powers to keep Lincoln's enemies in line, but she also defended Lincoln from Lori, Lynn, Lola, Lisa, and Luan when she saw them trying to kill him again, and she used her powers over mazes and trapped them in a massive maze, and they got lost for hours, but as they got to the exit, a stinky surprise waited for them: they got sprayed by skunks and hit by THE EL MONGO STINK BOMB! They had to take twenty tomato juice baths to get the smell out and soak their clothes in tomato juice for five months!

Me: Geez!

Lola: That was REALLY NASTY!

Qin: Yikes!

Nico: And your friend?

Another Style Queen: Someone that loathes Audrey!

Audrey Bourgeois: That voice

She reverted back and it was a woman with blond hair and blue eyes and had really tattered clothes and was a mess.

Audrey Bourgeois: Chantelle LaVierre!

Chantelle LaVierre: That's right Audrey!

Me: Wait weren't you the owner of LaVierre Fashion Designs that went under years ago?

Chantelle LaVierre: That's right. My designs were great until this woman showed up and called my designs horrible! Everyone made me into a fool and I went out of business because of her! I vowed to make her pay!

Nico: Oh boy.

Audrey: Chantelle was a former competitor of mine. When I became a fashion critic I put her company out of business.

Kaito: (gets out Ohranger gear) Did Swartz promise you anything?

Zocks: (gets out Carranger gear) Because we can grant it instead.

They got weapons from said rangers.

Mira Maze: Not for me. But Chantelle yes.

Chantelle LaVierre: I want revenge on Audrey! In exchange, I made a beautiful dress for Sakura in exchange for revenge on her.

Sakura Knudson: So you made that amazing and beautiful dress for me? I love it!

She showed a picture of a beautiful pink princess dress and it was full of beautiful jewels and more.

Me: (WHISTLES) That is a gorgeous dress.

Rarity: Oh that is an absolutely amazing and beautiful dress Sakura darling.

Sakura Knudson: It sure is. I took the Timejackers to a very prestigious ball in Japan and we danced and had a great time.

Nico: Wow that is cool!

Lola: Boy it sure is!

Sougo: (gets out Zeo Ridewatch) Look, it's understandable to be pissed at Audrey

Geiz: (gets out American Turbo Ridewatch) But she's not that person anymore

Sougo got ZeoRedArmor while Geiz got AmericanRedTurboArmor.

Me: Yeah and besides you can always find work in the fashion industry at the mall in Gotham Royal York. We have all kinds of good positions perfect for you there.

Chantelle LaVierre: Maybe I should look for work.

Me: Well after we get you new clothes and a bath too.

Chantelle LaVierre: I do need one.

Lincoln: Lets separate you first.

We did so.

Me: Okay then..

Nico: (Gets out Armored Gorilla's ridewatch) Armor it up!

May: (Gets out Bomb Matter's ridewatch) BOMB'S AWAY!

Universe 666 May: (Gets out Lightning Matter's ridewatch) ZAPPITY ZAP ZAP!

Maria: (Gets out Cut Matter's Ridewatch) SLASH AND CUT!

Maria: (Gets out Needle Matter's ridewatch) PIERCE AND STAB!

They used the powers of Armored Gorilla, Miracle Matter (Rock Form), Miracle Matter (Bomb Form), Miracle Matter (Lightning Form), Miracle Matter (Cut Form) and Miracle Matter (Needle Form) and blasted the Anothers all over!

Me: YEAH!

Nico: What do you say to Audrey now?

Chantelle LaVierre: I'm sorry.

Audrey: Apology accepted.

Then Jellyfish (Zak Storm), Spark-I, Zoos (Kirby), Jennifer Pierce A.K.A. Lightning (DC Comics), Living Lightning and Universe 666 Lightning Came.

Nico: WHOA! Nice team Jellyfish.

Jellyfish (Zak Storm): Thank you Nico.

Me: Ampfibian and his team next.

Ampfibian: That's right

Nico: Electrifying.

Qin: Yep.

?: Awesome!

Then Elemental HERO Avian Appeared.

Jaden: Sweet! Elemental HERO Avian!

Me: Awesome!

Elemental HERO Avian: (In a girls voice) Yeah it is!

Nico: Jade Avian! Wow!

She reverted back.

Jade Avian: Awesome to see you again Nico. I got this. QUILL CASCADE!

She fired waves of feather missiles and blasted the Anothers and I caught the ridewatches and purified them!

Me: YEAH!

Nico: Nice job!

Jade Avian: Thanks! That was fun.

Me: Yeah!

Lego Superman: Do you have any good memories of Nico?

Jade Avian: I sure do. When me and Nico went to the Airplane Museum and we loved seeing all the planes.

Nico: That was fun.

Qin: Yep.

Nico and Jade hugged.

Nico: I've missed you.

Jade Avian: Same here.

Me: You guys go ahead. I got to report to Lady Hokage about what happened.

Nico: Okay.

We went back home and I reported to Lady Hokage.

We got a move-on, and we spotted our target: Layla and Nor who have The Dark Maze Card in hand. Lincoln fired an energy blast that hit them that forced The Dark Maze Card to come out and took on its true form. Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of The Dark Maze Card and he began sucking out all its maze powers and magical powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,9

99,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels really good! RRGH!

Then, when Lincoln was done and the stingers changed back, The Dark Maze Card was weakened to a severe degree.

Alexander Avalon: Alright, now's our chance! Serenity, Sakura, Sarah!

Alexander Avalon raised his staff, same with Serenity, Sakura, and Sarah, as the magic circle appeared beneath their feet.

Alexander Avalon, Serenity Avalon, Sarah Avalon, and Sakura Avalon: Powers of Light and Dark, hear our plight, descend upon this world and undo the dark magic of Salazar Slytherin!

They fired beams of light from their staffs that hit the weakened Dark Maze Card, and the light destroyed it and the card was rendered blank and it went into The Dark Clow Book, and in the place of the Dark Maze Card was a black onyx sphere with a green ominous light and a black and green aura surrounding it. But, then, the black and green aura released negative energy which we absorbed and it made us stronger.

Nico: Awesome! Now, for our final target: Layla and Nor.

Selene Slytherin: You two are absolutely despicable! You two sided with my racist brother who was an absolute murderous genocidal fucked-up snake not even realizing that he was gonna kill you two after you were done! You know what, your brains are so fucked-up with all your narcissistic bullshit and absolute heartlessness that you'd be willing to side with that fucked-up brother of mine to get revenge and piss us off! Well, you know what, I'm gonna enjoy killing you two bitches!

But, then, Layla and Nor spat in Selene Slytherin's face!

Layla: FUCK YOU, UGLY! YOU KNOW WHAT, ALECTO SHOULD'VE KILLED YOU ALL WHEN HE HAD THE CHANCE!

Nor: YOU RUINED OUR FUCKING LIVES, AND NOW, WE'RE GONNA FUCK YOU ALL UP!

RIP! SQUELCH!

LINCOLN RIPPED THEIR TONGUES OUT!

Lincoln: That's for spitting in my future wife's face, bitch! For that, I'm gonna enjoy tearing you both apart limb from limb!

Robin Hood went after Layla and Nor, and he fired extremely powerful blasts of green, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, leaves, plants, nature, arrows, foxes, owls, phoenixes, and angels which exploded as they hit them, then he attacked them with the blades on his bow leaving scars on them, and he fired arrows at them that transformed into many arrows with leaves surrounding them and they got hit all over the place.

Thief Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is gonna hurt big time. Let's get them!

Lincoln, Super Brother and his harem and sisters and team, Robin Hood, Alexander Avalon, Ricky, Rufus, Margie, Sherlock Hound, Skippy the Bush Kangaroo, Red Savarin, Rayman, Juniper Lee, Von Lycaon, and Sly Cooper went after Layla and Nor, and they fired extremely powerful blasts of rainbow, green, royal blue, royal red, royal green, black and blood red, red and yellow, purple and red, magenta and pink, white and black, blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, nature, leaves, darkness, dark magic, black magic, Satanic Magic, fire, flames, lightning, snow, ice, snowflakes, ice crystals, kangaroos, wolves, witches, ogres, raccoons, devil hounds, demons, devils, owls, foxes, phoenixes, and angels at him, and they exploded with incredible power as they hit them. Then, Von Lycaon and Skippy the Bush Kangaroo punched them hard with their gauntlets and kicked them with their greaves and they got hit hard, and Red Savarin slashed at them with his massive greatsword and shot them with bullets and stun blasts and Sly Cooper whacked them hard with his new cane, same with Alexander Avalon, Ricky, Rufus, and Margie when they hit them on the head with a swing of their staffs.

Then, Skippy balanced himself on his tail and delivered a hard kick to Layla and Nor, and they screamed in agonizing pain.

Lincoln continued smashing Layla and Nor hard with his extremely massive godly superhuman strength, and they were no match due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering him and he even attacked them using the immense power and abilities of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more and the immense divine powers of The Ancient Gods and Goddesses, and we did the same as well.

Varie: UNREAL! Our speed and reflexes are still even faster than ever!

May: We can't keep track of our own movements and we're even more stronger than ever! Look at how we're continuing to smash them all over the place!

Qin: Those goddamn heartless deceitful jealous bitching banshees don't stand a chance due to Lincoln's rapid evolving and extremely incredible godly superhuman speed and reflexes overpowering them, now they're at the mercy of The True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid Angel of Gotham Royal York.

Luna: Along with J.D., Nico, Ymir, Camie, and Eli and all of us.

Then, Lincoln fired blasts of elements and energy at Layla and Nor and they got beaten up real good and they were mangled!

Then, Andre Lupescu shot at Layla and Nor, then, Andre Lupescu slashed at them with his massive greatsword, same with Abaddon Aeternus doing the same thing to them.

Lincoln: You said a mouthful. Either way, we took down another of Alecto's minions and took down yet another Dark Clow Card.

?: Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, long crimson red hair with yellow streaks with orange flower in her hair, crimson red eyes, massive fire colored angel wings, she has The Volcanic Laval Masters of Courage symbol on her right arm and the pendant on her necklace, The Laval Crest on her forehead, and Laval Blaster on her crimson red skirt, crimson red short-sleeved blouse, orange sleeveless midriff top with Laval Archer on it, crimson red bridal gloves, orange stockings, crimson red knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, fire, flames, lava, phoenixes, and angels on the coattails, and on the back is Laval Blaster, and she has a fire greatsword, and with her are the fourteen girls.

Lincoln: (GASPS) Azar Vulcania, Avatar and Gene-Slammer of Laval Blaster.

Azar Vulcania: That's right, and I got them away from Layla and Nor and The Dark Maze Card, and you guys did good taking them down.

Me: We sure did.

Lincoln: We took care of The Dark Maze Card when I sucked out its powers and drained Layla and Nor. (To Azar Vulcania) And it's so good to see you again, Azar.

Azar Vulcania: You too, Lincoln, it's been eight years since we last met, but wow, you've really grown that much.

Suddenly, Azar Vulcania had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Azar Vulcania was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent)(Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Azar Vulcania: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Azar Vulcania's waist and hugged her, and Azar Vulcania was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, thick brown goatee on his chin, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar,

Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Azar Vulcania: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 620'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs

Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Azar Vulcania, Avatar and Gene-Slammer of Laval Blaster, she's Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lava Blaster. She's The Volcanic Lava Combustion Master and member of The Volcanic Laval Masters of Courage, a group of courageous girls who are the Avatars and Gene-Slammers of The Laval Duel Monsters and they're born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and their goal is to protect and defend Lincoln from his enemies, and they are the bravest, strongest, and courageous of Lincoln's Guardian Angels. No one was able to defeat them in battle, and if they dared to anger them, they were going to get burned in a pretty nasty way. Azar Vulcania came to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Blaster, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Pyrokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Blaster, and Lincoln was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a fire greatsword and he also gave her a phoenix tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lynn and Lola a lot with using lava and fire, and Azar Vulcania hates Evil Sasuke with a passion because of everything he'd done in the past, and she swore to kill him and the evil members of his family, and that included Obito Uchiha and Madara Uchiha.

Nico: Lincoln told us about that part.

Me: And we gave the clone of that asshole and the evil members of The Uchiha Clan The Black Abyss for good after we executed them.

Lincoln: And yesterday, we killed the real one along with his unhinged asshole friends and gave them The Black Abyss, so you don't have to worry about them, and now that you're here, Azar.

Lincoln with his massive muscular arms still wrapped around Azar Vulcania's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Azar Vulcania: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Azar Vulcania with crimson red gems on the gold lightning bolts and crimson red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and a rainbow Thunderbird wedding ring on her left pinkie.

Azar Vulcania: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Azar Vulcania.

Azar Vulcania had a smile on their faces and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Azar Vulcania's waist, and he leaned down to her face and kissed her on the lips, and with Azar Vulcania's hands still on his massive hairy pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Azar Vulcania had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Azar Vulcania: (In Heaven) My God. And Lincoln, tell the guys to run to their rooms, the fourteen girls I rescued are...!

Red Savarin and Travis Tackett: GUYS, YOU KNOW THE SIGNAL! MOVE!

We ran into our rooms leaving Lincoln, Nicole, and his harem, then they went up to the fourteen girls, and when Lincoln saw them, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the fourteen girls are Daika, Daphne, Raven, Momo, Night Angel, Red Hood, Dryad, Wraith, Strato Angel, Koyori, Blackhound, Undine, Annie, and Snow Feather from Last Origin.

Lincoln: Oh whoa, it's Daika, Daphne, Raven, Momo, Night Angel, Red Hood, Dryad, Wraith, Strato Angel, Koyori, Blackhound, Undine, Annie, and Snow Feather from Last Origin.

Nicole: Uh oh, Travis and Red warned the rest of the guys to flee to their rooms on time, the girls are voluptuous and sexy.

Lincoln: And that means they're easy targets for those out to murder them. Are you girls okay?

Daika: Yes, we're okay thanks to you.

Then, when Daika and the other thirteen girls saw who it was that saved them from The Dark Maze Card and Layla and Nor, their faces turned atomic red and their noses gushed out blood upon seeing the He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Night Angel: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, fourteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Daika, Daphne, Raven, Momo, Night Angel, Red Hood, Dryad, Wraith, Strato Angel, Koyori, Blackhound, Undine, Annie, and Snow Feather with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: We took down another Dark Clow Card and Lincoln sucked out its powers and absorbed yet another of Alecto's forces.

May: That's for sure.

Lincoln: And with Alecto finally dead, all that's left is to put an end to his plan.

?: That's for sure.

Suddenly, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, tanned skin, long black hair, red eyes, she was dressed in a black two-piece bikini, she has massive black angel wings, and she has a hellish greatsword in hand.

Lincoln: (GASPS) Helen Hellraira, Queen of The Hellrairans of Planet Hellraira.

Nico: The only female Hellairairan that only you know, Lincoln.

Lincoln: That's right.

Anna Anyanova: And we also know her too, this is Helen Hellraira, Queen of The Hellrairans of Planet Hellraira, she's Lincoln's Guardian Angel from the planet of Hellraira in The Forbidden Zone, she's The Queen of The Hellrairans, who rules Hellraira, a planet that's like Hell times infinity, and is a place of true darkness and hellish flames, and she's also far more powerful than her own people: in addition to being a natural born fighter and having immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Seven Deadly Sins, Hellfire, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, and the immense omnipotent powers of Lucifer, The Ruler of Hell, The Princes and Dukes of Hell, and all the powers of all the devils, demons, and Hell itself times infinity, and the ability to grow even stronger, but she was also born with angel wings, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Seven Deadly Sins, Hellfire, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, and the immense omnipotent powers of Lucifer, The Ruler of Hell, The Princes and Dukes of Hell, and all the powers of all the devils, demons, and Hell itself, and her people times infinity, and the ability to grow even stronger, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The

Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to Heavenairaira where he would meet The Hellrairans and when he'd arrived, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the male Hellrairans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Seven Deadly Sins, Hellfire, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, and the immense omnipotent powers of Lucifer, The Ruler of Hell, The Princes and Dukes of Hell, and all the powers of all the devils, demons, and Hell itself times infinity, and the ability to grow even stronger, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb Hellraira and its core into his body and Hellraira's Sun into his body to preserve their legacy. Helen Hellairaira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the immense powers of immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Seven Deadly Sins, Hellfire, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, and the immense omnipotent powers of Lucifer, The Ruler of Hell, The Princes and Dukes of Hell, and all the powers of all the devils, demons, and Hell itself times infinity, and the ability to grow even stronger, and all the powers of her people, and over time, Lincoln gained even more immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, and immense superhuman endurance, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Seven Deadly Sins, Hellfire, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, and the immense omnipotent powers of Lucifer, The Ruler of Hell, The Princes and Dukes of Hell, and all the powers of all the devils, demons, and Hell itself times infinity, and the ability to grow even stronger, and all the powers of The Hellrairans times infinity, and he was already born with immortality and invincibility and his powers also grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility and male fertility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln had undergone the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of souls of the male Hellrairans gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Seven Deadly Sins, Hellfire, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, and the immense omnipotent powers of Lucifer, The Ruler of Hell, The Princes and Dukes of Hell, and all the powers of all the devils, demons, and Hell itself times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, Lincoln absorbing Hellraira and its core and Hellairaira's Sun into his body to preserve their legacy. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to have them incinerated by the unholy dark fires of Hellraira and banished forever to The Black Abyss with the power of Hellraira.

Me: That's incredible.

Helen Hellraira: Thanks, and I know last night, Lincoln had undergone the rite of absorbing the septillions of trillions of male Hellairairans along with my father into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Seven Deadly Sins, Hellfire, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, and the immense omnipotent powers of Lucifer, The Ruler of Hell, The Princes and Dukes of Hell, and all the powers of all the devils, demons, and Hell itself times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally absorbing Hellraira and its core and Hellairaira's Sun into his body to preserve their legacy.

Arpina Infernaira: That's right.

Me: Wait, you also included immense virility and fertility as well? That means...!

Helen Hellairaira: We knew Lincoln's quite the virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever.

Rita: We had no idea about it before. But, during Lincoln's check-ups with Dr. Feinstein, he did show us all of what you just told us, Hailey.

Nico: Wow...!

Helen Hellairaira: I know that shocked you all especially Regina's journal about Lincoln's health reports, but everything I told you is all true, and it's good to see you again, Lincoln, but wow, you've really grown a lot in height and muscle mass since last I saw you.

Suddenly, Lincoln pinned Helen Hellairaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Helen Hellairaira with black gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle and beside his left and right thighs and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more like what happened yesterday.

Helen Hellairaira: That's my special gift to him: Hellairaira's Blessing of Divine Hellish Power Justice, and each of the Forbidden Zone Planet Queens have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 620'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Helen Hellairaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Hellairairans both males and females were extremely passionate when it came to sex and lovemaking.

Lily the Mermaid: Ooh boy.

After Lincoln drained The Dark Maze Card of all its powers and drained Layla and Nor dry after we took them down, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well and we were really sweating up a storm, and when Azar Vulcania saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and he was sweating up a storm, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Azar Vulcania: My God, I was right that Lincoln's really grown into a 620'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet

plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Azar, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Azar Vulcania: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Azar Vulcania: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,0

00,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with my enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large rainbow angel wings underneath my enormous rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

And when Super Brother's harem saw Super Brother doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his

enormous white angel wings and he was sweating up a storm, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

And when Nico's harem saw Nico doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous yellow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large yellow angel wings underneath his enormous yellow angel wings and he was sweating up a storm, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

Then, Allie Maxwell got out a videotape.

Allie Maxwell: Okay, now this videotape I have here, this is from 1993, a week after Caleb's return from the dead and going with Mr. Blunt to West Virginia and after I found out from the vampires at The Supreme Yuridia Authority, I was still haunted by the very encounter and fight my friends and I had with Caleb's ghost before that rainbow wave hit New York. Even the students and teachers saw my worried expression, but I couldn't let them find out about what I'd seen at The Hallowshade Bar. Yet, they saw it for themselves, and how they compared me to my older brother, Caleb. But, when I was about to be harassed and attacked yet again by Drake's horde of sluts and whores at school along with the stupid braindead jocks, and Drake himself, unfortunately, Claw Dane Drake would find out and come himself to take out the trash.

Allie Maxwell put the tape in, and it showed New York during the daytime in 1993 and the 18-year-old Allie Maxwell was heading to her next class at her high school, but she'd been haunted because last night, she and her friends had an encounter and fight with the ghost that was responsible for the murders of the thugs near The Hallowshade Bar, and she also found out that the identity of the ghost was her older brother, Caleb Maxwell, who was killed on Halloween Night in 1985 eight years ago, and on that night, a strange rainbow wave hit New York and Caleb's ghost was carried off. But, what she didn't know was that it led to Caleb's resurrection.

Past Allie Maxwell: I just can't believe what I saw. Last week, that ghost we dealt with that night was my older brother who died in 1985 on Halloween night eight years ago, and those vampires, they told me the rainbow wave we saw that night had brought Caleb back from the dead, and there's no denying it: the clothes, the bullet wounds, the smell of blood in the air, it was him. But, he's in a bad way, he lost his memories, and if he sees Drake, he could have a full-blown meltdown.

Allie still had those thoughts, and everyone saw it for themselves, and they began whispering about it, that she and her friends had seen the ghost of her dead older brother, Caleb Maxwell, and that she's also bearing quite the haunted look on her face, and they were suddenly reminded of her dead older brother, but they had to keep their mouths shut, last night, they heard the scream of Caleb as he returned from the dead.

?: YOU LITTLE BITCH!

Suddenly, Allie Maxwell saw Drake's horde of sluts and whores at school along with the stupid braindead jocks, and Drake himself.

Male Student: You again, Drake?! Seriously!

Female Student: And I should've known you sluts and braindead jocks would be at it again!

Past Drake Maxwell: SHUT THE FUCK UP! ALL OF YOU! KILL THEM ALL!

They were about to charge at Allie Maxwell and everyone, but then...!

?: At it again, Drake? It's been a whole month since The Syndicate fell apart, and you're still causing havoc like you always do.

Suddenly, they turned around, but their blood froze completely: the man standing there was Claw Dane Drake himself, the leader of The Big Claw Gang.

Male Student: (Whispering) Oh my God, it's him. Claw Dane Drake!

Female Student: (Whispering) The Big Claw Gang's leader? What's he doing here and in our high school?

Then, he walked up to Drake Maxwell.

Past Claw Dane Drake: Now, I can't have you causing havoc here again, if you know what's good for you, you should leave.

Past Drake Maxwell: FUCK YOU! DIE!

Drake Maxwell got out a knife, but Ichiro showed up and pinned the psycho to the ground and dragged him out to be tortured, and that caused Drake's horde of sluts and whores at school along with the stupid braindead jocks to run away!

Past Claw Dane Drake: Heh, spineless cowards.

Then, Claw Dane Drake turns to leave, but not before he turns to Allie.

Past Claw Dane Drake: If I were you, you should learn how to defend yourself, wouldn't want Caleb to come back to see you lying dead in your own blood, that would really piss him off.

That haunted Allie even more as Claw Dane Drake left. As lunch hour came, Allie was haunted by the words of Claw Dane Drake, and her friends saw it.

Male Student: You okay, Allie?

Past Allie Maxwell: Not really. Did you really believe that guy's words, about Caleb coming back? Who is he?

Female Student: Claw Dane Drake, the leader of The Big Claw Gang, many of us heard the tales of this gang. They started out as an emerging gang in the 1980s no doubt during the beginning of the decline of The Syndicate, and your older brother, Caleb Maxwell, has had run-ins with five of the gang's original members, Panther, Carla Claw, Ichiro, Nekome, and the big boss himself.

Past Allie Maxwell: I still remember seeing it in Caleb's journal during that time, but I was only 10, and how he's had to run from them too.

Male Student: It hadn't been an easy road for your older brother, he's had to run from them, and all of us knew the story of your brother's dark descent from The LaGuardia High Bloodbath in 1984 to The NYU Bloodbath in 1985 and the final days of his life leading to his death in 1985 on Halloween, he killed two of Drake's bodyguards in a fit of rage and he shot Drake right in the stomach which should've killed him on October 25th, but thanks to the underground surgeon, Drake survived, but he spent six days plotting revenge: a revenge that not only cost Caleb his life, but it also meant The Syndicate would fall apart.

Past Allie Maxwell: No...! No, Caleb would never do any of that, he was a good man!

Allie got pissed and ran off!

Female Student: I warned you about telling her about the darker parts of Caleb's past!

Male Student: Hey, she knew what her brother had...!

Female Student: She was still young at the time, a little girl being told of the dark parts of her older brother's past, that would traumatize her! What the Hell is wrong with you? This may have been why Caleb had no friends in LaGuardia High, everyone ostracized him in the same way the parents of the shithead students did to his dad in the 1950s, it was destined to repeat itself to Caleb.

Allie was outside and pissed off at what she heard, but then, she remembered everything: her older brother's dark descent that actually began in 1979 in his final year of middle school because of Drake Maxwell, then, the four years of living Hell he went through in LaGuardia High School beginning in 1980 to 1984 from the fated ostracization and humiliation by the teachers and The LaGuardia High Bloodbath in 1984 and when he got to NYU, those dark nightmares would be reborn and everything he went through from 1984 to Halloween Night in 1985, the night of his death. He was broken, lost everything, and he was doomed to die.

Past Allie Maxwell: Damn it, everything they said was true, Caleb's dark descent that began in 1979 to 1985 was basically six years of living Hell, and in those six years, he was broken mentally and physically, he lost his future in The NYPD when he resigned due to the blood he'd spilled, and finally, he would lose his life in 1985 on Halloween, and it's all that damn Drake Maxwell's fault.

Allie's heart was filled with absolute pain, everything she saw Caleb go through back when she was a child was far darker than she imagined as she cried.

Past Allie Maxwell: Caleb, I'm so sorry!

Meanwhile, in West Virginia, her cries of sorrow reached Caleb Maxwell who was with James Blunt and trying to recover, and when it did: suddenly, the memories of his past came back to him in full.

Then, Caleb Maxwell fell to his knees as he began to cry!

Past Caleb Maxwell: Now, I remember...! Now, I remember everything! The tragic losses of my true friends, all the abuse I suffered, the horrors I had to endure, the loss of my future in The NYPD, and finally, the loss of my own life.

Past James Blunt: How was that possible?

Past Caleb Maxwell: My little sister, Allie Maxwell. She and my Mom, Marlene Maxwell, were there on the day of my funeral, Allie cried so many tears, but she was just ten years old at the time.

Finally, Caleb Maxwell looked out at the window.

Past Caleb Maxwell: Allie..., Mom..., please forgive me.

Caleb cried for the first time since his death: he'd shed many tears before when he was alive, and now that he's come back, that pain and sorrow finally came back to him in full force as the video was suddenly paused.

Me: Oh man.

Nico: So, because of Allie's remembrance of all the Hell you went through, she burst into tears.

Caleb Maxwell: And her cries reached me too, and that in turn caused all of my memories to return.

Lincoln: I never knew something like this was possible. But, what happened after that? You didn't go back to New York even after your memories came back.

James Blunt: He couldn't. Even those his memories had come back, Caleb told me he couldn't go back to New York, I thought it was nervousness, but the scars of his painful past were so deep, they left a deep gaping wound on his heart. But, here's the final part of it.

The video resumed.

Past James Blunt: Your memories had returned, so what do you intend to do? Will you go back to New York?

Past Caleb Maxwell: I can't..., I can't return to New York...! Even though my memories had finally returned, I can't go back, the scars of the past...they left a deep gaping wound in my heart, and I feel nothing but pain and darkness in my heart, I feel a cold black hatred in my heart, and it's all...!

Suddenly, James Blunt wrapped his arms around Caleb Maxwell.

Past James Blunt: I understand. Your past left a deep gaping wound in your heart, and you don't want to go back, I don't want to influence it, but it's your choice, Caleb.

Suddenly, Caleb Maxwell hugged James Blunt as he cried once more.

Past Caleb Maxwell: Thank you...!

Past James Blunt: Hey, it's okay, Caleb, it's okay.

Then, the video ends.

Eli: After coming back from the dead, you were still badly wounded by the past.

Lincoln: The only memories Caleb had in him were the bad ones: the ones that haunted him from 1979 to 1985, his earlier memories, his happiness and childhood were clouded over by darkness. That was what still remained in him.

Allie Maxwell: And my cries led to Caleb regaining all his memories and his mind clearing.

Then, Lincoln, his harem and kids, and Braeden Carnes headed for The Magic Elemental Realm.

Braeden Carnes: This is our next stop: The Magic Elemental Realm.

Lincoln: Wow, it's really beautiful.

Twilight Sparkle: You said it, The Magic Skylanders would feel right at home here. So, who's our next target?

Braeden Carnes: That would be The Elemental Terror-Hunters and The Dragonlings, and yes, it's two teams in one group: Shellshock, Hyena Quinn, Terror-Mantis, Trickster Fox, Snow-Ka, Scowl the Ankylosaurus-Dragon, Drago-Flame, Battle-Tron, Nighthawk, and Death-Face.

?: You got some nerve showing up, Carnes!

Then, they saw the targets: The Elemental Terror-Hunters and The Dragonlings: Shellshock, a large and hulking Humanoid Turtle-like Dragon who has darker grey scaly skin with a unique gray star mark on the left side of his face, red eyes, four fang-like teeth in the upper corners of both sides of his large mouth, and a black turtle shell lined with a white encasing, and the multiple, short, spikes are circled with light grey rings. Scowl the Ankylosaurus-Dragon, A big yet muscular and bulky Humanoid Ankylosaurus-Dragon who has maroon scaly skin, red eyes, a longer horn on his face, two fang-like teeth in the upper corners of both sides of his snout, spikes on his shoulders and back, and a long tail with a huge hammer-club covered with spikes.

Drago-Flame, a tall and a bit muscular humanoid Cat/Lizard-like Dragon who has yellow and green scaly skin, large wild dark blue hair, red eyes, four claws-like fingers, and a long bobbed tail.

Battle-Tron, a tall and muscular humanoid four-armed metal dragon who has orange and black armor plating, orange optic-eyes, sharp teeth, razor sharp claw-like fingers, and a long dragon tail with a wrecking ball on a chain.

Nighthawk, a slender anthropomorphic nighthawk who has dark gray and purple feathers, red eyes, orange beak, long sleek flowed black hair, and orange feet with black sharp talons. She has two large wings on her back along with thrusters. She wears a bird-shape helmet with two tabs dangling from the sides. She wields twin katana blades.

And Death-Face, a giant and muscular serpentine skeleton who has sharp teeth and large round eyes that have jet black sclera and bright orange irises that glow. He also has a four-fingered claw-like blaster on his left hand. He wears a black cloak with a built-in hood, and brown trousers under the cloak. He also has brownish-gray wraps around his wrists. He wields his double-bladed scythe called the darkblades.

Braeden Carnes: Shellshock, Hyena Quinn, Terror-Mantis, Trickster Fox, Snow-Ka, Scowl the Ankylosaurus-Dragon, Drago-Flame, Battle-Tron, Nighthawk, and Death-Face, The Elemental Terror-Hunters and The Dragonlings, I should've known.

Death-Face: You're not stopping us this time, Carnes! Soon, The Elemental Realms and this world will be ours!

Lincoln: No, that's not happening, Elemental Terror-Hunters and Dragonlings. We're ending this for good.

Lincoln, his harem and kids, and Braeden Carnes went at Shellshock, Hyena Quinn, Terror-Mantis, Trickster Fox, Snow-Ka, Scowl the Ankylosaurus-Dragon, Drago-Flame, Battle-Tron, Nighthawk, and Death-Face and blasted them with energy blasts and elements and knocked them down.

Then, Braeden Carnes got out his specially made Traps and threw them, and they began sucking in Shellshock, Hyena Quinn, Terror-Mantis, Trickster Fox, Snow-Ka, Scowl the Ankylosaurus-Dragon, Drago-Flame, Battle-Tron, Nighthawk, and Death-Face.

Shellshock, Hyena Quinn, Terror-Mantis, Trickster Fox, Snow-Ka, Scowl the Ankylosaurus-Dragon, Drago-Flame, Battle-Tron, Nighthawk, and Death-Face: You can't do this to us!

Then, The Elemental Terror-Hunters and The Dragonlings were sealed into the Traps that went back into Braeden's hand.

Death-Face: Curse you, Braeden! WE'LL GET YOU FOR THIS!

Braeden Carnes: It's over, Death-Face. But, I'm not killing you nor any of the others, all of you are just as much a part of The Elemental Lands as The Elemental Heroes, I intend to redeem you all and free you from this cursed path you set out on.

Trickster Fox: Maybe, I think it's time for a career change.

Death-Face: Alright, fine.

They came back home.

Me: So, that was the fifth part down.

Lincoln: And seven more to go. But, so far so good, and it's just like our adventures in The Skylands.

Nico: You said it.

Braeden Carnes: That's right. Soon, we'll be reunited once more, and the person responsible for this will pay.

We got a shower, and then, Lincoln, Loola, Summer Chapman, and Mia Ruiz are heading to Sirena Beach, and joining them are the rest of Lincoln's harem.

Lincoln snapped his fingers, and the 620'11", handsome and extremely muscular wolfman had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Loola, Summer Chapman, and Mia Ruiz and the rest of Lincoln's harem were dressed in colored two-piece bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Loola, Summer Chapman, and Mia Ruiz had feelings for Lincoln, and he also had feelings for them and he also saved them from an ambush by a group of musclebound criminals, and Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all.

Loola: Wow, we're here in Sirena Beach, it's so beautiful.

Lincoln: You said it, Loola, and it's perfect for our first date, but the next hypothetical Akuma clone is going to try to ruin our date and kill us.

Lincoln, Loola, Summer Chapman, and Mia Ruiz, and the rest of Lincoln's harem dived into the waters and began swimming, and they also saw the marine life that live there, then they went back to the beach, and Loola, Summer Chapman, and Mia Ruiz, and the rest of Lincoln's harem also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he did the same thing giving Loola, Summer Chapman, and Mia Ruiz and the rest of his harem a deep tissue massage, and when he was done with that, they were relaxed. Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Loola, Summer Chapman, and Mia Ruiz and the rest of Lincoln's harem got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Lily the Mermaid: (Swooning) He's still such a handsome and manly wolf hunk.

Suddenly, they saw the clone of Cryoghost.

Anna Anyanova: Uh oh, is that...?!

Lincoln: The clone of Cryoghost, Danny Phantom's hypothetical Akuma.

Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the clone of Cryoghost and he began absorbing him and he assimilated Cryoghost's powers of ghosts and extreme cold at -459.67° Fahrenheit, and Cryoghost's powers of all of Danny Phantom's powers and all the powers of extreme cold, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,9

99,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

Then, when Lincoln was done and the stingers changed back, Lincoln sucked out every last bit of energy from the clone's soul and the clone faded and Lincoln let out a loud and massive roar of dominance and power as he pounded his strong chest like an Alpha Male gorilla and fire and winds exploded out of his massive biceps and muscles.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Loola, Summer Chapman, and Mia Ruiz and the rest of his harem and he hugged them in his abnormally massive and powerful muscular arms, and Loola, Summer Chapman, and Mia Ruiz and the rest of Lincoln's harem placed their hands on Lincoln's massive hairy pecs, but he wasn't done. Then, he had them lying down on a beach towel with him on top of them.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into their right trapezius and he began feeding on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He slowly unlatched his fangs from their right trapezius as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Bubblaine, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the neck of Loola, Summer Chapman, and Mia Ruiz with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklace of Shangdi along with fourteen white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: And now, Loola, Summer Chapman, and Mia Ruiz are in your harem, Linky.

Loola, Summer Chapman, and Mia Ruiz showed the marks Lincoln made on the right side of their trapezius.

Jenna: We had trouble though.

Lincoln: Unfortunately, we did. The clone of Cryoghost came after us.

WE GASPED!

Nico: The hypothetical Akuma of Jaden?! That little...!

Lincoln: Don't worry, I used my Cell stingers and absorbed him and assimilated all his powers. Then, I sucked out every bit of energy from his soul and the clone faded.

Me: Thank goodness.

Selene Arcangela: And with Alecto gone, we don't have to hear his screams of rage ever again.

Lily the Mermaid: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous angel wings had spread out and they generated a cool breeze cooling us down and fire and wind exploded from his massive biceps and muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: (Fiery Godly Voice) You know we made a clone of that mutant.

Lincoln: (Fiery Godly Voice) He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO

MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: (Fiery Godly Voice) The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

At the Gotham Royal York Aquarium, we were there for some fun.

Chloe: A simple visit to the aquarium. Nothing wrong with that.

Me: Yeah.

Homer: Stay closeby kids and I'll explain everything you need to know about the briny deep.

Nico: Nothing wrong with that.

Poromon: I hope we get to swim with the fish.

Bart: Me too. I brought my lucky red swim trunks.

Homer: This will be fun and I don't want to have that happen again like 36 years ago.

Ymir: Huh?

Deadpool: That was one of the episodes that aired in 1988 before The Simpsons became an official cartoon.

Homer: Yeah good times. Here we have the hideous moray eel.

A moray eel swam out of a rock.

Homer: And here we have the tasty but repulsive sea bass.

Nico: And that must be a dogfish.

It was a Dogfish that had a head like Scooby Doo.

Dogfish: (Gurgling Voice) Scooby Dooby Doo!

Scooby Doo laughed!

Camie: Hey what's that!

We saw the Mascots and Bart in the tank!

Homer: BART!

Audrey: What are you 4 doing?!

Bart: (Gurgling) Come on in! The water's fine!

Me: (LAUGHS) Just like 36 years ago!

Homer: (LAUGHS) So many memories.

Poromon: We're having fun in here!

Manaphy: Yeah it's fun!

Lisa Simpson: Do some tricks guys!

They got to swim with the dolphins and more! It was fun!

We got to the tank entrance and Bart came out.

Homer: (Enraged) Bart come over here.

HE WAS INFURIATED!

Bart: No way Home Boy!

Homer: WHY YOU LITTLE!?

He went for Bart!

But I held him back!

The mascots came out too.

Poromon: We wanted to duplicate something on The Tracey Ullman show with Bart in the Aquarium.

Me: Good times.

Lockdown: (to Poromon) Didn't know you could swim that good.

Poromon: Yeah we learned a lot.

Me: Yep.

We then heard singing.

Me: I hear Fluttershy.

We went to the outdoor stage and saw Fluttershy dressed as a mermaid and Lincoln was with her and Fluttershy had birds, seals, polar bears, butterflies and more all around her and they did amazing tricks with her as she sang.

Me: Wow!

Everyone cheered wildly.

Me: Wow Fluttershy that was amazing!

Fluttershy: Oh thank you guys. I have a job here as a mermaid for the Aquarium.

Lincoln: I help her out to make sure she doesn't get scared.

Me: Fluttershy has really bad stage fright and she gets scared very easily alone.

Nico: Yeah.

Rainbow Dash: But she does it great around us and everyone and everypony else.

Me: Yep.

Fluttershy: And Lincoln has been an amazing help for me.

Me: Yeah.

Huffer: That was beautiful.

Fluttershy: Oh thank you.

Me: You're welcome.

Qin: Yeah.

Me: Hey Nico you know what else is also beautiful?

Nico: What?

Varie: Me kicking Crackhouse Minnie's butt after telling her she's a jerkfaced buttsniffing assface!

WE LAUGHED!

Crackhouse Minnie: (Offscreen) WHAAAAAAAAAAAAAAATTTTT?!

Nico: Oh boy.

Varie then grabbed her.

Varie: Let me make one thing clear you ugly piece of trash! You are a stupid and worthless loser and your husband hates you because you abuse him and you are a pathetic piece of garbage that only cares about control and you abuse him and make him feel small when in truth, YOU are the one that's weak and small! YOU are a pathetic piece of dirt that doesn't care about anyone! You would rather make Mickey suffer and you would rather see him never be happy! He deserves to be happy! You don't! You ever do anything that hurts your husband again I will rip your head off and then rip your brains out and then shove them so far up your ass that you will poop out your brain! Then I will rip your heart out and then eat it and vomit it into your throat and then you will puke blood for the rest of your life! Then I will disembowel you and shove your intestines down your throat and make you pee and shit in your stomach! And then I will rip your lungs out and make you fart in them! And then I will throw your corpse into the sun and make you burn before sending you off to the Black Abyss myself! YOU UNDERSTAND ME!?

WE GASPED!

Sebastian Mendez did all kinds of Wild Takes! (EYE BULGE) (SCREAMS OF FRIGHT)

Sebastian Mendez: OH SWEET MERCIFUL NEPTUNE!

HE WENT TO THE DUMPSTER AND THREW UP A LOT!

Nico: BRUTAL!

May: (Faints)

FWOMP!

Luna: Puke storm! (FAINTS)

FWOMP!

Me: GEEZ! I am going to need therapy after hearing that!

Qin: Me too!

Then we heard a winnie and saw a MEGA SPECTRIER come!

Me: Whoa! A Mega Spectrier!

Nico: Where did that come from?

Me: Must be one of Dark Gale's work.

Sheena: Let me see.

She peered into her heart.

Sheena: Whoa! It's Halifa's sister Luna Nightshroud!

Halifa: Oh my! I haven't seen my sister in so long!

Qin: Wow!

Me: Lets go help her out!

We did so.

Halifa: Luna it's me Halifa!

She used Shadow Ball on Horsea but she put her clone in front of her

But the clone went passed Horsea and it slammed into May on the ground and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOMMM!

She was badly burned all over.

Manaphy: Mama!

May coughed out smoke and was covered in soot.

May: I'm okay!

Manaphy: YOU BIG BULLY JERK!

Manaphy blasted her all over the place!

Me: WHOA!

Halifa: Manaphy stop!

Manaphy did.

Me: Okay then.

I snapped my fingers and she reverted back. She was a girl with black hair and had purple eyes and had a voluptuous body and had black angel wings and had Mega Spectrier on her forehead and had a Jormungandr and Valknut symbol on her arm.

We wrapped her in a blanket and brought her over.

Me: Wow!

She woke up to see Horsea's smiling face.

Luna Nghtshroud: (Groans) What the? A Horsea?

Horsea: You went at my clone!

Maria picked up Horsea.

Halifa: Luna, are you alright?

Luna Nightshroud: Halifa!

She hugged her!

Luna Nightshroud: What happened?

Halifa: You were turned into a Mega Spectrier by Dark Gale.

Me: I was gonna say that.

Luna Nightshroud: Oh man! Me and my Nightflame Rapidash were in the middle of fighting what looked like a black haired version of Naruto.

Me: (GASP) That was Menma Uzumaki! He has hated my guts for a long time and every time I see him it makes my blood boil.

Nico: Wait a Nightflame Rapidash?

Halifa: A Rapidash that has pitch black fire for it's mane and also has a dark purple body too.

Me: Wow!

Qin: Cool!

Manaphy hopped over and was on her leg.

Luna Nightshroud: A Manaphy?

Manaphy had a nasty glare on her face.

Manaphy got out a gun

WE GASPED!

Me: Manaphy!

I grabbed the gun.

Me: No Manaphy don't do that.

Manaphy rolled her eyes and got out a baseball bat instead

She then bashed her on her head!

WHAM!

She had a NASTY LUMP ON HER HEAD!

Luna Nightshroud: OW! THAT HURT!

May grabbed Manaphy.

May: Manaphy stop it!

Manaphy: But mama!

May: She wasn't in control of herself.

Varie got her patched up.

Luna Nightshroud: She hit me hard!

Manaphy: WELL YOU DESERVE IT FOR BLASTING MAMA!

May: Manaphy calm down!

Manaphy: Shame on you!

Nico: Manaphy calm down! It was an accident.

Luna Nightshroud: She sure hits hard for a little Pokemon.

Halifa: Manaphy is very overprotective of May. She raised her ever since she was an egg.

Luna Nightshroud: I can see why.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her new black clothes and new scythe. Rei Miyamoto saw that she had giant breasts.

Rei Miyamoto: You are gigantic!

Luna Nightshroud: I am sexy aren't I?

My face turned an atomic red.

Me: You sure are.

Nicole: And I know you're watching PERVY SAGE!

She fired a blast of energy and it hit the roof and it exploded and sent Jiraiya flying!

Manaphy threw the baseball bat and it hit Rolf.

SMASH! CRUNCH! CRACK! TOING!

ROLF GOT HIS BACK THROWN OUT REALLY BAD!

Rolf: (GROANS) ROLF'S BACK IS CRICKED AND IN A LOT OF PAIN!

Me: Oh boy! MEDIC!

We had Rolf taken to the infirmary. We went back home!

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,9

99,999 large white angel wings underneath his enormous white angel wings.

Same with Super Brother doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous white angel wings.

Lincoln: We don't have long before our next mission starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift an extremely mountain-sized massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

We were watching TV.

LOUD CRUNCH!

Rolf: (EXCRUCIATINGLY PAINFUL SCREAM OF AGONY)

YICHIHUAHUAS! THAT MUST'VE REALLY HURT!

WE WINCED AND CRINGED FROM IT!

Me: OH MAN! That must've hurt!

Nico: NO KIDDING!

Luna Nightshround: GEEZ! What the heck happened that lead Rolf's back to be like that?

Kevin: Rolf has a really nasty mattress that is full of rocks.

Me: YIKES! He needs a new mattress.

LOUD SICKENING CRUNCH!

Rolf: (SCREAMS OF INTENSE EXCRUCIATING AGONY AND PAIN!)

OH MAN HE IS NOT GOING TO LIKE FEELING THAT IN THE MORNING!

We went into the infirmary and Rolf was REALLY MANGLED UP in his back.

Me: Geez Rolf you need a new mattress!

Rolf: Rolf is in so much pain!

Kevin: Dude you really need a new mattress. Sleeping on a bunch of rocks is not good for you man.

Eddy: Yeah Rolfy-boy. You need a new mattress fast.

Rolf: Oh Rolf could use a replacement mattress.

Harriett put on her jumpsuit and it was orange.

Harriett McGee: Awesome.

Double D: Well, Manaphy, I hope you're proud of yourself. Thanks to you, Rolf is hurt

Manaphy: It was an accident.

Me: Guys come on. Manaphy is just overprotective of May.

Nico: Yeah she didn't mean to.

Luna Nightshroud: Yeah.

May: Manaphy does a good job protecting me.

Me: Yeah. And besides, when we get back, we're going to look at Rolf's mattress and fix it.

Lola: Good idea.

Computer: INCOMING CALL FROM LEGO LEX LUTHOR.

Me: Oh time for work.

Lego Luthor contacted us.

Lego Luthor: Good job defeating Team Buktu. But we're not done yet. Our next move is exposing the Crime Syndicate.

Me: That's the next part of our plan.

Azula: What do you have in mind?

Lego Luthor: Meet me and the Justice League at the Watchtower. Heatwave, Deathstroke, and Reverse Flash will be there too.

Me: Certainly. We'll be right there.

The call ended.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figures were in the vision: it was Lego Owlman, and we also saw The Lego Crime Syndicate. When we saw it, we knew it meant trouble!

Lincoln, me, and Nico: (GASPS) AHA! We got him! The leader of The Crime Syndicate has finally been exposed!

Eli: We're now going after The Crime Syndicate!

Lincoln: Along with the leader himself.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Lego Owlman, and we also saw The Lego Crime Syndicate.

EVERYONE GASPED!

Style Queen: So, we're going after The Lego Crime Syndicate.

Lincoln: And I got a plan to expose them and Lego Owlman to the entire Lego DC World, and after The Crime Syndicate is done, we can focus on Darkseid.

Nico: This should be good. Alright, team, it's time to head out, now it's time we bring down The Lego Crime Syndicate.

Lincoln: And send them to Vypra.

The previous group came.

Krusty: HEY HEY KIDDIES! (GOOFY LAUGHTER)

Saix: Can me, Rich Texan, Skinner, Cargill, Selma and Patty, Krusty, Chalmers, Springfield Mafia, Springfield Bullies and Wiggum go with you guys?

Dolph: What happened to Rolf?

Legs: Did something hit his back?

Me: He has a REALLY ROUGH and bumpy mattress that feels like he's sleeping on tree branches and the sharpest rocks in the world.

Legs: OUCH!

Dolph: That has to hurt!

Nico: No kidding. And yes you all can come with.

Taylor: Nico, which Gene Slammer do you think you'll meet next?

Nico: Elemental HERO Burstinatrix next.

Me: Fiery.

Qin: Nice.

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Edwin Black, the main antagonist of the Taimanin Asagi series, and he's still out to get Asagi to be his consort. When we saw it, we knew it meant trouble.

Lincoln: So, that perverted vampire's shown himself!

Nicole: Lincoln, was that...?!

Lincoln: Edwin Black, the main antagonist of the Taimanin Asagi series, and he's still out to get Igawa Asagi to be his consort.

Nicole: I knew it!

Igawa Asagi: That bastard, he just doesn't know when to quit.

Me: Lincoln, please tell me you're gonna drain him dry of blood!

Lincoln: I'm gonna do to him like I always do to the villains any of my future wives face: absorb him and send his undead butt to The Black Abyss.

Ariana Ardelean Dracula: (Romanian Accent) That's exactly right. I'm not letting someone like that live a single second further, he's not worthy of being in the realm of the undead!

Nico: Uh oh, now there's gonna be blood. Alright, team, it's time to move, The Crime Syndicate's days are through.

Lincoln: Time we showed them what for and send them on their way to Vypra, and once we are done with them, you're next, Edwin Black.

Ariana Ardelean Dracula: (Romanian Accent) A pathetic pervert like you isn't worthy of being in the realm of the undead, you deserve to suffer a horrible death at our hands!

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed out to take down Lego Owlman and The Lego Crime Syndicate and send them to Vypra, and once we get done with them, Ariana Ardelean Dracula and Lincoln are going to destroy Edwin Black and send him to The Black Abyss after Lincoln absorbs him.

We were off.

We arrived at the Lego Justice League Watchtower

Lego Luthor: Hey guys!

Me: Awesome to be here.

Lory Gunnar: Wow! This is cool!

Lego Reverse Flash: Who's the kid?

Lory Gunnar: Oh I'm Lory Gunnar. I just joined the team.

Horsea: I found her and brought her back to the estate to heal up.

Me: Long story on that.

Rich Texan: Let's call Marionette Shadow, Larxene, Black Lance, Trumbipular, and Grundy

Me: Good idea.

We did so.

Marionette Shadow: We're ready for this.

Grundy: Grundy ready.

Me: Yeah!

Luna Nightshroud: This is gonna be awesome.

Lego Luthor: Whoa what happened to your head?

Manaphy: Overprotective of mama.

Luna Nightshroud: I'll be okay though.

Nico: Yep.

Lego Reverse Flash: Boy she is a smoking hot babe.

Nicole: You look at her the wrong way and I'll show you the inside of your own intestines after dismembering you alive!

Lego Reverse Flash gulped.

Me: Nicole always hated perverts with a blazing passion. Been that way since a nasty incident befell her.

Nicole: Sorry.

Lego Reverse Flash: Oh I see.

Mr. Rude: (French Accent) I'll give you an incident! (LOUD FART)

All of us: MR. RUDE!

Qin: Still funny!

Lego Superman: We've figured out how to lure out at least one of the Crime Syndicate.

Nadira: How? By hiring a bunch of pigeons.

Me: Very funny.

Lego Flash: No. By pretending to be bad one last time.

Me: Oh I get it! (Winx)

Lego Batman: We just need to make sure the Jim Gordon of our world makes a call to the Crime Syndicate.

Me: Should I make a call to him and tell him to play along?

Lego Batman: That won't be necessary. I already did so and told him.

Me: Okay then.

* * *

Later in the city we were walking around. Lego Flash told an Ice Cream man to play along as part of our plan.

Ice Cream Man: Stop, thief! Somebody do something!

Lego Flash was there pretending to hurt the ice cream cart when Lego Johnny Quick arrived with Lego Atomica on his shoulder.

Me: Lego Johnny Quick.

Atomica: What's he doing?

Johnny Quick: Okay, Flash, let's end this in a, er... flash. I've got the boss' Anti-Life Equation to find...

Me: (In my head) Anti-Life Equation? Oh no!

Atomica: Shut up, Johnny! (to Lego Flash) So, are you going to come quietly?

Lego Flash: No. No, I don't think so! I'm an ice-cream-stealing bad person! (steals some ice cream and eats it before speeding off)

ZOOM!

Johnny Quick: I'll, uh, stop the evil-doer! (runs after him)

As Lego Flash ran, Lego Reverse Flash joined in

Lego Reverse-Flash: Mind if I join in?

Skinner: Let's go after him!

Nico: And let perfectly good ice cream go unfinished?

Me: (EATS ICE CREAM) (GULP)

I finished.

Me: Ahh. AGH! Brain freeze!

I shook my head.

Rainbow Dash: Lets get him!

I whistled and my Rapidash came.

I got on.

Me: Lets ride! HYAH!

We were off!

Speedy Gonzales: OLE OLE YEEHAW!

Sonic: UP! OVER! AND GONE!

Roadrunner: MEEP MEEP!

Dash Incredible: LETS DASH!

Quicksilver: We're ready!

ZOOM!

We were off!

WE WERE RUNNING FAST AFTER HIM!

Johnny Quick: You two shouldn't have come back! Theres's only ONE speedster around here and that's ME!

Atomica: Yeah! You tell 'em, Johnny!

Johnny Quick: Haha! Hold on tight, little lady! This could be a bumpy ride!

Reverse-Flash: This Johnyn Quick guy isn't just bragging. He genuinely seems to be as fast as we are!

The Flash: We'll soon see about that!

Nelson: Can you guys please let us catch up?!

Nico: Hang on guys!

Nico had everyone with him and then...

ZOOM!

HE FLEW FAST AFTER US!

Rainbow Dash: Well newsflash bub! You aren't the only speedsters here!

Speedy Gonzales: That is right seńor speedster

Roadrunner: Meep meep. (Holds up Sign that says "NOW you have all of us to worry about.')

Sonic: So what do you say to that slowmo!?

Flash: YEAH!

Dash Incredible: Yeah how about that!?

Quicksilver: We're ready for you!

Johnny Quick: Hahaha! I had no idea the heroes on this Earth were so slow! Go get 'em, Atomica!

Atomica: My pleasure, Johnny! Hehehe!

Atomica jumped on top of Rainbow Dash's head and started licking it.

Atomica: Oh, I'm sorry! Am I distacting you, huh?

Lego Flash: Rainbow Dash!

Lego Reverse Flash: She'll be fine! Trust me!

Cargill: But we need to keep going!

Rainbow Dash got Atomica off!

ZOOM!

Rainbow Dash: Nice try jerkwad!

Lego Johnny Quick growled!

Rainbow Dash: You messed with the wrong lightning bolt!

THUNDERCLAP!

ZOOM!

She smashed into Lego Johnny Quick with a deadly kick and sent him crashing into a rock!

SMASH!

Rainbow Dash: Nice try loser!

Quicksilver: You tell him!

Me: WOOHOO! GO GUYS!

He kept running.

Johnny Quick: Atomica! Grr...! You'll pay for that, you slow-motion, super losers!

Lego Reverse Flash: You can't get away from us!

Me: Uh have you looked in the mirror lately!? YOU guys are the slowmos!

Sonic: YEAH!

We went so fast that the road was being set on fire!

Johnny Quick: Give it up! You're too slow! This is too easy! You call this a race?

Lego Reverse-Flash: You can't run forever!

Me: Actually WE CAN!

Speedy Gonzales: And you are out of luck señor!

Speedy put an anvil in front of Lego Johnny Quick and then...

KRABLANG!

HE CRASHED INTO IT!

Lego Johnny Quick: (Groans in pain)

Me: THAT HAD TO HURT!

We were still running.

Johnny Quick: Hey, let's be reasonable here. How about I give you your old job back?

Lego Flash: Too late for that now. Tell me what you're up to!

Reverse-Flash arrived.

Johnny Quick: But you're a good guy, you wouldn't hurt me... would you?

Lego Flash: Maybe, maybe not.

Reverse-Flash: Better tell him, Johnny, I've never seen him like this.

Atomica: No, don't tell him, Johnny!

Lego Flash: Tell me.

Johnny Quick: Listen, we're just a bunch of crooks working for Darkseid. He wanted us to find something...

Lego Flash: What something?

Johnny Quick: A Mother Box!

Me: (GASP) (In my head) A mother box!? (REMEMBERS THE BOX HARLEY HAD) (GASP) THAT'S IT! HE'S AFTER THE ANTI-LIFE EQUATION!

Lego Reverse-Flash: A what now?

Johnyn Quick: He, he told us if, if we found it we could have your planet.

Atomica: You blabber mouth!

Lego Flash: I thought Darkseid was looking for the Anti-Life Equation?

Johnyn Quick: It's in the Mother Box!

Atomica: Stop talking!

Lego Flash: Did you get all that?

Lois Lane: Every word!

It turns out Lois Lane and her camera crew recorded everything

Johnny Quick: Oh no! I thought you guys were gonna give us more time!

Teresa: We did. Not our fault you didn't make the most of it.

Johnny Quick and Atomica ran away

We stopped!

Me: WHEW!

Rainbow Dash: WOW! (PANTING)

We gave them some water.

Me: Great job guys!

Nico: Nice work!

Rainbow Dash: Thanks!

I went over to Lego Harley Quinn.

Me: Okay Harley you have some explaining to do! That box you have is what Darkseid is after right? It has the Anti-Life Equation in it doesn't it!

Lego Harley: Wait. Boxy is the Anti Life Equation?

Nico: I think you thought it was just an ordinary box

Me: That's actually a Mother Box you have there Harley. It also has the Anti-Life Equation, the key to Darkseid destroying everything.

Xenia: Yeah!

Ymir: What's the Anti-Life Equation?

Nico: It's a very dangerous mathematical formula that, when understood and imparted into someone's mind, strips them of free will and makes them blindly obedient to its controller. It effectively erases hope, love, freedom, and the will to resist, making its victims utterly devoted to the equation's handler.

THEY GASPED!

Qin: OH MAN!

Nico: Whoever made that equation has to be the most fucked up monster of all fucked up monsters to ever live!

Me: I agree. The Anti-Life Equation is just too DAMN DANGEROUS to be around. It has to be erased from memory forever.

Nico: Yeah. It has to be destroyed.

Patty: Maybe we can use it to destroy Darkseid.

Selma: After we alter it somehow.

Me: Hmm... That's a great idea! We can use it against him and destroy both him and Apokolips.

Nico: Yeah!

Me: I'm going to use the Spirit Bomb on them too.

Lego Flash: Maybe destroying Apokolips sounds a bit harsh.

Lego Superman: Just because Darkseid needs to be destroyed doesn't mean Apokolips needs to be. We can use it as an extra base.

Me: No. We can't risk that. Apokolips is a bitter reminder of all the atrocities Darkseid did and beyond. No way in hell are we going to let Apokolips anymore.

Qin: Yeah!

Xenia: Apokolips needs to be destroyed too.

Me: I'm sorry guys. Like it or not, Apokolips needs to be destroyed.

Lego Lex Luthor: I agree too guys.

Lego Superman: You're right. I agree there. Darkseid has caused nothing but trouble.

Lego Flash: Are we talking about the Prime one or the Lego one?

Me: The Prime one.

Lego Superman: Oh that's different.

Me: The lego version stays. The Prime one? NO FUCKING WAY.

Qin: That works.

Nico: But at least we're back in the hero business now

Me: Yep.

Then suddenly HUGE CRYSTAL CLUSTERS grew!

Me: WHOA! Look at that!

Xenia: Pretty!

Lincoln: WHOA! I just had a premonition. This is the work of Audrey's akuma Lady Diamond Queen. The 2nd Hypothetical Akuma of Audrey Bourgeois and She is actually a diamond version of Style Queen and she has immense control over diamonds and jewels. She was made because of Lila Rossi and all her crimes and she swore to get rid of that monster demon girl forever.

WE GASPED!

He showed a sketch of her and she was a Knightess of crystal and diamond.

Me: (Whistles) Wow! That one is beautiful.

Chloe: Wow! Diamonds are much more beautiful than gold.

Audrey: They sure are.

Xion: I don't think she knows the truth about Lila.

Me: We'll tell her when she comes.

Qin: I think she just came now!

We saw her! LADY DIAMOND QUEEN!

Me: (WHISTLES) Wow!

Lady Diamond Queen: Like my armor guys?

Me: It looks awesome on you!

She took off her helmet and her face was the same.

Lady Diamond Queen: WHEW! Gets hot in this thing.

Audrey: I look amazing in diamonds.

Lady Diamond Queen: I know.

Chloe: Mom? Is that you?

Lady Diamond Queen: Yes it's me Chloe. I still love you and Zocks as my future son in law.

They blushed.

Me: Aww. Also you don't know what the truth is but we found out all kinds of horrible things about Lila.

Sweetie Belle: We found out that she is much worse than anyone in Paris first thought.

The Cutie Mark Crusaders told her all about what they found out. When they were done she was shocked and horrified!

Lady Diamond Queen: SHE IS A MONSTER!

Lory Gunnar: I heard about Lila Rossi! She is a monster!

Me: We found out that Lila Rossi isn't even her real name. It's an alias. Her real name is Cerise Blanca and we also discovered that she is a mysterious enigmatic villainess named Chrysalis.

Lady Diamond Queen: Like Queen Chrysalis?

Me: No not Queen Chrysalis of the Changelings. This is something else. She has the same kind of powers and abilties but doesn't have the ability to feast on love. She is a true master of lies and deception.

Lady Diamond Queen: Oh man! That's terrible!

Marinette: She's still the very monster that is out to kill me.

Qin: Yeah.

Krusty: Audrey? Is that you?

Me: Chloe already asked that Krusty.

Krusty: Oh sorry.

Lego Deathstroke: Unless you want Darkseid and the Crime Syndicate to win, I suggest you get out of our way.

Lady Diamond Queen: Not until Lila or whoever she is, is dead.

Me: All of Paris wants her head mounted on a pike for everything she did.

Lady Diamond Queen: I don't blame them one bit.

Me: I know.

Nico: We'll still call her Lila Rossi.

Qin: Yeah.

Apple Bloom: We're going to make sure that monster gets destroyed for good.

Qin: YEAH!

Scootaloo: Lets show her our power guys!

Apple Bloom: I am the Princess of Cutie Marks and the Sister of Applejack and bringer of Hope to those without cutie marks on their flanks. When my cutie mark comes to life, my Courtesy brings light to fill in the Blanks!

Shields and light swirled around her

Sweetie Belle: I am the Princess of the Tranquil Sky and the Sister of Rarity and bringer of Light to the heart, When my

Cutie Mark comes to life, my Compassion will sing the song of art!

Shields and Water swirled around her

Scootaloo: I am the Princess of Speed and Thunder and the sister of Rainbow Dash and always helping those figuring out why! My cutie mark comes to life and my Courage will Fly like a Falcon through the sky!

Lightning and Shields swirled around her!

Diamond Tiara: I am the Princess of Beauty and Jewels and one Forgiven by the Magic of Friendship and forgiven by all. My Cutie Mark comes to life and Sincerity brings love to those that heed my call!

Jewels and Crowns swirled around her.

Silver Spoon: I am the Princess of Wisdom and Guidance and one Forgiven by the Magic of Friendship and forgiven by all. My Cutie Mark comes to life and my Reliability will help those to answer my call

Spoons and Water swirl around her

They formed and fired a massive and intense vortex of energy and it went into the Warp and blasted Lila Rossi in there with intense power! SHE SCREAMED IN POWERFUL PAIN AND AGONY!

Me: HOLY SHIT!

Xenia: WHOA!

Lady Diamond Queen: WOW! That was intense!

Me: The Cutie Mark Crusaders are going to make sure she is gone for good!

Lady Diamond Queen: You got that right!

Marionette Shadow: Can you calm down please?

Lady Diamond Queen: Not until she is dead.

Me: Well the Cutie Mark Crusaders delivered a deadly warning shot to her.

Lady Diamond Queen: I can see that. Lets do it then!

Me: One thing I learned about diamonds, they shatter with high intensity sound! (SCREAMS)

I SCREAMED AND RELEASED A POWERFUL SONIC SCREAM!

Her armor shattered and Marionette Shadow charged at her and smashed her down!

Nico: THAT WAS LOUD!

Qin: NO KIDDING!

Lady Diamond Queen: My turn!

She unsheathed a diamond sword and I kicked it out of her hand and Rarity grabbed it.

Rarity: My goodness! What an amazing sword.

It was a sword made of solid diamond and was like a big prism.

Rarity fired waves of jewels and blasted her down. She was knocked out.

Me: Take that!

Qin: WOW!

Lincoln: Okay, before we go after Lego Owlman, here's my attack plan on them.

Lincoln pulls up a hologram of the next world and zoomed in on one particular area.

Lincoln: Now, we already know Lego Owlman is the mastermind behind The Lego Crime Syndicate, and we hadn't been able to catch him since we'd been dealing with Team Buktu. But, now that they are out of the way, we can finally go after The Lego Crime Syndicate, and the only way to lure them out is to expose them.

Lincoln snapped his fingers and got out files with their crimes folders in them.

Lincoln: We're gonna expose their crimes all over the world, and that'll draw them all out, and there is no doubt Darkseid is gonna send Parademons to kill us and them as well.

Me: Yes we did and they know it now.

Nico: Yep.

Qin: Time for us to tear them apart.

We headed out.

Suddenly, Lincoln caught the smell of a vampire, and he fired an energy blast and drew it out, and then, he sank his fangs into the vampire and he sucked out all of its powers and its blood and he absorbed the vampire into his body.

Lincoln: Nice try, Edwin Black.

Nico: Seriously?! Now, that vampire's on the attack!

Me: They are trying to run. But they have nowhere to hide.

Riku: They should be where we found them the first time

We flew out, and we saw Lego Owlman and The Crime Syndicate on the run, and we saw massive hordes of Parademons there as well.

Lincoln: It's working, our plan to expose them has succeeded.

Nico: Awesome!

Me: Now, all that's left is to take them down.

Suddenly, more Parademons, this time, sent by Darkseid have shown up.

Nico: Darkseid, you really are a damn monster.

Me: He has and always will be a monster.

Lincoln: He's not getting away with this.

Lincoln fired powerful Omega Beams infused with Anti-Matter, and they hit the massive army of Parademons with the clone of Scott and the next group of Parademons sent by Darkseid, and then, Lincoln sucked out all of their energy and it went into Lincoln as he grew much stronger, and The Parademons were turned to desiccated corpses. Then, he saw more Parademons appear, and he used Simone De Bastien and Shang Tsung's powers and he sucked out their souls, and he used his own soul sucking powers along with the other powers of many soul stealers to suck out the souls of the next group of Parademons and he absorbed them and drained their souls of energy and sent them to The Black Abyss.

Lincoln: That's the Parademons out of the way. Now, for Lego Owlman and The Crime Syndicate.

KRABOOM! SLASH!

Then, we looked to see Alexander Michaelson and Adrian Acmetropolis taking down thugs, and we saw Aodhan Vulcania firing massive blasts of fire and lava at more of them and slashing all of them into slivers with his massive greatsword and blasting more of them with his gun, and they were punching, kicking, and slashing at them with unimaginable power and strength!

Eli: Looks like they're sweeping things up.

Then, we saw them about to fight Lego Owlman and The Crime Syndicate.

Me: And that's the signal!

Nico: Let's get in there and end this.

Then, the spirits converged and a massive explosion erupted as a Thunderbird Screech, Dragon Roar, Wolf Howl, Tiger Roar, and Phoenix Cry was heard, and we appeared.

Me: Hello jerkwads! Nice to see you again!

Lego Owlman and The Crime Syndicate: YOU! YOU EXPOSED US!

Nico: And we got no regrets.

Me: That's for sure.

Eli: Yeah!

Lego Deathstorm: But, how did you...? (EXPLODES AS FIRE SURROUNDS HIM) HOW THE HELL DID YOU FIND US!?

Lincoln had a smirk on his face.

Lincoln: Well, since you asked.

Suddenly, the tracers glowed.

Lego Deathstorm: TRACERS!?

Lincoln: Yep.

Me: After we battled you we put tracers on you. Our plan was to expose Team Buktu first and then you guys and you lead us right to you like a trail of bread crumbs. You guys fell for it hook, line and sinker!

Lego Owlman: We honestly are glad Team Buktu is gone.

Jimbo: That we agree on

Me: That is for sure. But after this we still have Darkseid to deal with.

Lego Owlman: Our version of him?

Me: No the Prime Universe version of him. As you saw the Prime Universe versions of Granny Goodness, Kalibak and Virmin Vundarbar were here helping Team Buktu on their last legs.

Lego Owlman: Oh right! I saw that.

Nico: Yep.

Lego Deathstorm: Wow! J.D. what happened to you? You look completely different.

Me: A much needed change for the better. Me, Nico, Lincoln and Eli had a huge purification.

Nico: Long story on that.

Poison Ivy: Let's get this party started!

Lego Deathstroke slashed at Sea King and cut him all over

I fired waves of fire and blasted Lego Deathstorm all over with intense fire and heat!

Luna Nightshroud: Watch what I can fo.

She fired waves of darkness and it slammed into Lego Sea Storm and it blasted and knocked him out!

Me: WHOA! Nice one Luna!

Luna Nightshroud: Thanks!

Lory Gunnar: Let see you handle this heathead!

She fired numerous blasts of water and drenched Lego Deathstorm and extinguished him!

Lory Gunnar: Take that!

Lego Deathstorm: YOU LITTLE BRAT!

He tried firing fire blasts but he was too wet to even get a spark!

Horsea: NICE JOB LORY!

Qin: YEAH!

Louie: You're all wet!

Fat Tony: But that's the least of your probiems

Larxene charged at Lego Deathstorm.

Larxene: This will be as a shock to you!

She fired waves of intense lightning and electrocuted him with massive voltage!

ZZZZZZZZZZZAAAAAAAAAAAAAAAAAPPPPPPPP!

Ed: Zappity Zap Zap!

Me: Here's how we drove Tim Buktu crazy.

Then...

LOUD CRUNCH!

I CRACKED MY KNUCKLES LOUD!

Ed: WHAT A PEST!

Lego Deathstorm: OW! That's loud!

Francis: Let's turn up the heat!

Lego Heat Wave: Took the words out of my mouth!

He fired his flamethrower at Ultraman.

They blasted him with intense fire!

Me: Top this too!

I fired a dragon made of pure fire and blasted him down.

Me: SUCK ON THIS!

I unsheathed my sword and the blade turned into pure Kryptonite!

The glow weakened him!

Atomica: Well, this has been fun. But I should be going. Bye!

She shrunk down and went into one of the cracks in the wall.

Ragdoll: I don't think so.

He bent his body to fit into the cracks

Wiggum: I forgot you can do that!

Me: That was clever.

Ms. Marvel: Let me help on that.

She shrunk down and went into the crack after her.

Nico: NEVER GETS OLD!

Qin: No it doesn't.

Atomica was running.

She then hid in a corner.

Atomica: Phew! Lost them!

She got a tap on the shoulder and turned and saw Ms. Marvel!

Ms. Marvel: BOO!

Atomica: (SCREAMS)

PUNCH AND SMASH AND WHAM!

She was mangled up by her!

Ragdoll then threw her out of the crack and Ms. Marvel came out too.

Atomica was really mangled up!

Qin: NICE!

I kicked Lego Power Ring in his crotch!

SMASH!

THEY WINCED!

Qin: OUCH!

Xenia: NASTY!

Black Lance then charged at Lego Power Ring and smashed him in his face with a powerful kick.

Marceline the Vampire Queen kicked him in the crotch again!

She and Finn kicked and jumped on him.

Then...

KRASMASH!

Jake smashed him with a huge fist!

Jake: Take that ya jerkball!

Trumbipular charged at Superwoman and smashed her down with a deadly charge.

Nico: Try this one!

Nico pulled out a REALLY HUGE SYRINGE NEEDLE!

Camie: (GASP) OH MAN!

Ed: NEEDLE! RUN AWAY!

CRASH!

He crashed through a building and smashed it on top of Lego Superwoman!

SMASH!

Ed: EVIL POINTY BAD FOR ED EDDY!

Then...

STAB!

NICO STABBED HER IN HER BUTT!

LEGO SUPERWOMAN SCREAMED IN AGONY!

Me: YICHIHUAHUAS! Thank goodness Master Goku was not on the receiving end of that one!

Lego Grid: Impressive. But we are the Crime Syndicate. And we will not fall to-

He was cut off by Grundy grabbing him and slamming him to the floor several times

SMASH SMASH SMASH SMASH SMASH SMASH!

Grundy really mashed him up!

Hulk helped and did the same!

Hulk: Puny computer!

Grundy: Grundy smashed puny chips!

Qin: NICE!

Me: Hey Grid, what do you get when you cross a computer with a swimming pool?

Lego Grid: I don't know.

Me: CHIPS AND DIP!

RIMSHOT!

WE LAUGHED!

Luan: (LAUGHS) That was a good one!

Lego Grid: I am not programmed to understand that question.

Me: It's a joke. Surely you have the capacity for laughter.

Lego Grid: I find all this laughter to be highly illogical.

Me: Spock said the same thing. But he is understanding what it's like to be human.

Nico: Want us to explain it to you so we can move on?

Lego Grid: Please.

Me: Well a computer is made of chips and all that and a swimming pool acts like nacho cheese sauce or any kind of dip.

Lego Grid: Oh right I get it!

We surrounded Owlman

Horsea: And then there was one.

Owlman: One's all it takes to defeat all of you!

Me: You think you can take on all of us? We're the most powerful force in the entire universe. We defeated lots of opponents more powerful than you.

Owlman: We'll see about that.

Me: Yes we will.

I teleported and punched him and kicked him in his face.

Harriett fired waves of lava and burned him all over.

Lego Reverse Flash: (to Johnny Quick) Why don't we continue our earlier race?

They ran at each other and bashed each other in their heads.

Rainbow Dash kicked Lego Johnny Quick in his head!

Rainbow Dash: How is that for awesome speed!

Gholdengo charged at Owlman And blasted him with gold blasts.

Gholdengo: Take that jerk!

Lincoln, Super Brother, Style Queen, Nico, and I and the rest of us went after Lego Owlman and The Crime Syndicate and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic

Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Lego Owlman and The Crime Syndicate, and they exploded with incredible power as they hit them.

Then, we attacked them with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his massive greatsword and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Lincoln, Nico, and I and the rest of us attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and it was really pissing Lego Owlman and The Crime Syndicate off even more.

Suddenly, Lincoln's massive white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings spread out and four halos of rainbow energy formed with intricate designs inside it behind him and a massive halo of gold energy with intricate designs formed above his head with intricate designs.

And my enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large rainbow angel wings underneath my enormous rainbow angel wings spread out and four halos of rainbow energy formed with intricate designs inside it behind me and a halo of gold energy with intricate designs formed above my head with intricate designs.

Ed Cowart punched Lego Owlman and messed up his face, then he hammered Lego Owlman until he was flat as a pancake, then he wedgied Lego Owlman and pulled his underwear over his head.

Ed Cowart: WEDGIE!

Harriett was surprised as her body started trembling. She yelled out in surprise as her body started expanding.

Same with the rest.

Luna Nightshroud: NO! We control the power. It doesn't control us.

Harriett, Luna, Natsuki, Erina, Shomei and Taki concentrated and reigned in the powers of their Gene-slammer forms and they fired waves of energy and blasted him all over.

Me: TAKE THAT!

They reverted back.

Luna Nightshroud: Taste this one!

She fired waves of darkness and blasted Lego Owlman all over!

Owlman: Here's my version of a Batarang!

He threw Owlrangs!

I threw energy blades and they collided and exploded all over!

Wallflower Blush caught an Owlrang!

Wallflower Blush: Cool!

Me: You want to see something scarier than Blood and Honey? Watch this! NIGHTMARE STYLE NINJA ART: RAMPAGE OF THE MURDEROUS PINK PONY!

I fired waves of darkness and it formed into Pinkie Pie and she had a Joker Grin on her face and she ran and went at Lego Owlman and mercilessly thrashed and beat up Lego Owlman!

Lego Joker: WHOA! That pony has a nice grin on her face!

Lego Harley: I dunno. That was freaky!

Pinkie Pie: That pony was me from a video we saw where I went on a rampage and destroyed everything.

Me: Nasty story.

Qin: It's true.

Me: You thought that was crazy, wait till you see this! NIGHTMARE STYLE NINJA ART: MURDEROUS FEAST OF THE TORTURED ONE!

I fired waves of darkness and it formed into THE TORTURED ONE! IT ROARED LIKE GODZILLA FROM 2014!

IT SMASHED AND PULVERIZED AND MAULED THE LEGO CRIME SYNDICATED BRUTALLY!

Nico's Reaction?

NICO SCREAMED IN HORROR LIKE A LITTLE GIRL!

Lego Joker: THAT IS A FEROCIOUS STARFISH!

Me: Yep!

Then Larxene, Xigbar, Zexion, Marluxia, Leonard, King Hiss, Shiv, Webstor, Vexen and Firefly came.

Nico: Larxene, Xigbar, Zexion, Marluxia, Leonard, King Hiss, Shiv, Webstor, Vexen and Firefly.

Me: I had a feeling it was your turn today Larxene.

Larxene: Surprise!

Lego Owlman: (Groans in agony)

Me: I think he is in too much pain to order you guys.

Leonard: I can see that.

Larxene: But at least I managed to knock Deathstorm out!

Me: You sure did!

Xigbar: Only a few more to go after this.

Zexion: Unfortunately, the ones left are the most dangerous of all.

Marluxia: But at least you guys are back to being heroes.

Me: We sure are.

LOUD NASTY SICKENING CRUNCH!

ROLF SCREAMED IN EXCRUCIATING AGONY!

HOLY SHIT THAT HAD TO HURT!

Larxene: (WINCES) OH MAN! Who did that!?

Me: Rolf. His back got thrown out because his mattress is really bad.

Nico: We need to check that out. He said it's like sleeping on tree branches and the sharpest rocks in the world.

Larxene: YIKES!

Leonard: (to Nico) We heard you fought Cat Blanc.

Nico: We sure did.

Axel: (to Pyra) You should take care of that Mega Flareon.

Pyra: I will.

Axel: Rolf really needs to find a REALLY GOOD Chiropractor.

Me: I agree there on that. Ouch. First thing tomorrow morning we're going to look at Rolf's mattress. But we'll talk about that later.

Taiyoki came.

Me: Another round Taiyoki.

Taiyoki: Yep.

Me: Sweet!

Taiyoki: Geez, you guys were busy here!

Me: We sure were and our plans to expose both Team Buktu and the Crime Syndicate worked perfectly.

Taiyoki: They sure did! Well done!

Nico: LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway!

Volcana, Bolt (Disney), Nanael, Camie, Himiko, Tsuyu, Kaoruku, Twilight Sparkle, Stellar Sparkle, Harmony Sparkle, Starshine Sparkle, Magic Skylanders, Zuko and Azula VS Larxene, Megavolt, Yodo, LeFou, Lizard (Spiderman The Animated Series), Lady Dorma, Fossilator and Lightning Lord (Theme including Bolt (Disney)) - Nico's rescue in Paris and we battled Cat Blanc

---

Larxene was first.

Larxene (to Volcana): Nico's rescue was in Paris. He battled Cat Blanc.

Volcana: He sure did but we got a shock out of this one! This is an Akuma from another time where Hawk Moth went insane and he went completely mad! He even akumatized Adrien into Cat Blanc, A more powerful version of Cat Noir. He had a Mega Cataclysm attack that was 1,000 times more powerful than the original an it has enough power to destroy entire planets!

THEY GASPED!

LeFou: WHOA MAN! That is nuts!

Volcana: It was! Gabriel was glad that we recruited him just in time or this is what would have happened if we hadn't saved him from himself!

Bolt: That is for sure! If we didn't recruit him I don't want to even think about what would have happened.

Nanael: That was intense!

Twilight Sparkle: When Marinette's day comes, we're going to have some serious words for Gabriel from that time.

Stellar Sparkle: I know! Thanks goodness everyone got through to him back in 2019 or who knows what would have happened. Gabriel was really glad that we stopped im before he could evolve into a REALLY insane monster.

Harmony Sparkle: Yeah in Cat Blanc's time he REALLY went off the Deep End.

Starshine Sparkle: He sure did!

Spyro: No kidding!

Larxene: Man that is nuts! I'm just glad you all saved Gabriel in time. Lets do it!

Volcana used Larxene's ring and they fired waves of magic and fire and smashed them down.

Erza Scarlet, Atmos (Bakugan) Botan, Denise Wellington, Nuria, Taelia the Snow Faerie, Kari the Negg Faerie, Sunset Shimmer, Firestorm Shimmer, Sunset Shimmer (G5), Pipsqueak, Chalcanthite Aurora, Fire Skylanders, King Stefan, and Loud House Taylor vs Xigbar, Toar, Burritozilla (TTG), Volcano Men, Harddrive, EP-327, Horror Bull and Lexaeus (Theme including Atmos (Bakugan)) - The Anothers were the gene-slammers of Mist Valley Falcon and Mist Valley Executor

---

Xigbar was next.

Xigbar: (to Erza) The Anothers were the gene-slammers of Mist Valley Falcon and Mist Valley Executor. Nico, Bloxx's team, Armored Gorilla's team, and the others did good battling them.

Erza: They sure did and it was amazing and cool. We also met the next Underground girl and her name is Harriett McGee.

They gasped!

Xigbar: WOW! The family of Volcanologists!

Erza: You got that right.

Xigbar: Awesome!

Erza: Yep. Shanan said she was turned into what's called a Tungursanguaian Volcanbeetle from the planet Tungursanguaua and she is really powerful with volcanoes and fire.

Xigbar: WHOA! That is hot! I heard that Horsea saved a girl in an alley.

Erza: You heard right. Her name is Lory Gunnar and she is a little girl that has elemental powers and they are amazingly strong. Also her family was murdered by a trio of jerks J.D. sent to a Russian Gulag a while back.

Xigbar: WHOA! That is crazy! I'm glad Horsea saved her.

Erza: We are too. And the next Dark Gale gene-slammers were for Mega Galarian Articuno, Mega Galarian Zapdos, Mega Galarian Moltres and Mega Parasect. The Mega Galarian Moltres was Natsuki Uchiha and she is a powerful master of a REALLY RARE bloodline called the Sun Wings of

Amaterasu and they are black wings of black flames as hot as the sun.

Xigbar: WHOA! That is hot and powerful!

Erza: It is. Mega Galarian Zapdos was Shomei Akimichi and she is Choji's sister and has a MASSIVELY huge appetite like him too. Also she has a powerful and REALLY unusually powerful bloodline called Calorie Spontaneous Combustion. It has her sprout butterfly wings made of pure fire!

Xigbar: WHOA! That is intense! I can see why she has to eat all that.

Erza: I know. The Mega Galarian Articuno is Sakura's sister Erina Haruno and she is a deadly master of a powerful bloodline called The Rose Flame Angel. It enables her to sprout wings made of red fire and the fire turns into powerful roses and they can be used as weapons and more.

Xigbar: WHOA! Both fragrant and deadly!

Erza: That's right. And lastly the Mega Parasect is Fu and Rui's sister Taki and she is also the powerful master of a new bloodline called Aura Eye and Aura Dragon. It enables her to see the Auras of everyone good and bad and even fire waves of aura energy and forms it into dragons. It can blast enemies down with the force of a Kamehameha wave.

Xigbar: WHOA! That is powerful!

Atmos: J.D. said that he and Hiruzen Sarutobi the 3rd Hokage have never seen techniques like those before and it was really unusual and amazing.

Botan: (British Accent) It sure is and Taki did a really crazy thing that made her power that strong forever. She drank a jug full of the Hero's Water and it not only enhanced her power 100,000 fold but also made her powers that strong.

Xigbar: Unbelievable!

Sunset Shimmer: Yeah no kidding there!

Firestorm Shimmer: It sure was amazing to hear about.

Sunset Shimmer (G5): It sure was. We were amazed with the powers they have.

Pipsqueak: (British Accent) Yeah no kidding there! That was amazing!

Chalcanthite Aurora: (British Accent) I do too.

Sunburn: I'll say!

Xigbar: WOW! You guys had a great rescue. Lady Tsunade must've been shocked too. Lets do this!

Erza used Xigbar's ring and they fired waves of stars and energy and fire and smashed them down.

---

Zexion was next.

Zexion: (to Roxy) I heard Lincoln's rescue was in Romania. How was it?

Roxy: It was intense! We not only faced the Dark Maze Card, but we also faced Selene Slytherin's old bully nemesis bitchass enemies Layla and Noir. We really socked it too them and Selene REALLY laid down the law on them when she told them how they sided with her genocidal evil brother Alecto Slytherin!

Zexion: WHOA! She really tore into their hides!

Heat Man: All that and more! It was awesome!

Dr. Light (JL): It sure was intense and awesome and we sent those two bitches to the Black Abyss forever.

Applejack: Serves those two nasty monsters right!

Emily Douglas: Yeah no kidding there. They deserved it too.

Apple Star: I agree there and they had it coming.

Wolf Moon Bloom: That is for sure.

Apple Bloom: I never liked those monsters one bit.

Flashwing: Me too!

Zexion: That is for sure! Lets do it!

Roxy used Zexion's Ring and they fired waves of energy and earth, rock, mud, boulders, meteors, lava, crystal, dust and apples and smashed them down.

---

Marluxia was next.

Marluxia: (to Layla) The mascots were swimming in the Aquarium. ...I hope they didn't get into any trouble.

Layla Williams: Well yes and no they did. But Homer had a STRONG sense of deja-vu when Bart joined in with them. It reminded him of when Bart did that the first time a long time ago. Deadpool said that episode came out in 1988.

Marluxia: That is funny and coincidental. Funny too.

Layla Williams: Yeah Bart and the mascots all had fun. And it brought back all kinds of fun memories for Homer and Bart and family.

Poof: Yeah that was awesome and silly.

Nathalie: It sure was. Also Fluttershy showed us something really cool there. She is a mermaid for a show at the aquarium to show her powers with fish and marine life. Heidi was amazed herself. Even Lincoln as well. Fluttershy's beautiful singing can have the fish and birds and butterflies and nature come to her too.

Marluxia: WOW! I didn't know Fluttershy had such a beautiful singing voice.

Rarity: Oh her voice is absolutely divine darlings. I tried to get Fluttershy to sing for a fundraiser but she has really bad Stage Fright.

Marluxia: Ah scared to perform. But with Lincoln she can accomplish anything.

Erica Tala: That is for sure and we were amazed ourselves.

Lori: Her name Luna Nightshroud and you would literally be amazed with her.

Hunter Bradley: She is the sister of Halifa the Hel and she is a master of darkness and the forces of the night. She also has a REALLY RARE kind of Rapidash we never have seen before.

Bisca: It's a Nightflame Rapidash. It's a Rapidash that has a mane and tail made of INTENSELY hot black flames of darkness.

Rainbow Dash: That was so awesome! We were amazed to see that.

Comet Thunder: We sure were and it was really awesome too.

Sprite Thunder: She is a powerful force of nature and a powerful master of the night.

Thunder Rainbow Zoom: No kidding there.

Scootaloo: We all were amazed.

Leni: We sure did and man it was so totes amazing!

Amu: Rainbow Dash, Speedy Gonzales, Roadrunner, Flash, Sonic, Quicksilver and the superspeed users outran him in a powerful speed chase and it was fun!

Dustin Brooks: Johnny Quick was no match for the masters of speed who are the fastest members of the team.

Fluttershy: We all thought that was really fast and amazing too.

Lilja: (Icelandic Accent) You got that right and it was so awesome.

Sólrún: (Icelandic Accent) Never underestimate the speed of the fastest of the fast of the team.

Daffodil Bloom: That was a fun thing to see though.

And he also flexed his muscles even more which really aroused his harem even more, and at the same time, Edwin Black began growing weaker as all his powers were being sucked out of him one at a time and was pumped into Lincoln.

Edwin Black: (Groans) He's sucking me dry, I can't take much more of this!

Then, when Lincoln was done and the stingers changed back, nothing was left of Edwin Black, and Lincoln sucked out all of Edwin Black's remaining energy in his soul and banished him to The Black Abyss, and he let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and he flexed his massive muscles as fire burst out of his massive biceps and massive muscles!

We cheered as we holstered our weapons and powered down and Ariana Ardelean Dracula's new body, clothes, weapons, jewelry, Third Eye, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long midnight black wolf tails, large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold crescent moon ring-shaped frame around it with embedded crimson red gems behind the gold halo with four large orbiting gold rings on each corner and four large Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold crescent moon ring-shaped frames around them with embedded crimson red gems behind the gold rings behind her head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large black and crimson red planets orbiting around her legs, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 smaller black and crimson red planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black and crimson red planets orbiting around her wrists and ankles, and enormous midnight black angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large midnight black angel wings underneath her enormous midnight black angel wings are permanent.

Ariana Ardelean Dracula: (Romanian Accent) And this where it ends for you, Edwin Black, and this is goodbye and good riddance. Thanks for helping me get rid of Edwin Black, Lincoln. You too, guys.

Lincoln: (Smiles Warmly) You're welcome, Ariana.

Me and Nico: Our pleasure, Ariana.

Suddenly, Ariana Ardelean Dracula wrapped her arms around Lincoln's waist as he lifted her up to his face as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Ariana Ardelean Dracula's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Ariana Ardelean Dracula sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Igawa Asagi: Lincoln, thank you so much for getting rid of Edwin Black.

Lincoln: Honestly, what he did can never be forgiven.

Me: He got what he deserved. So, Lincoln, who's the next girl we're meeting on your next rescue tomorrow?

Suddenly, we saw the symbol of The Volcanic Laval Masters of Courage and Laval Burner.

Lincoln: (GASPS) The symbol of The Volcanic Laval Masters of Courage and Laval Burner.

Adara Vulcania: There's only one person who fits this: Enya Vulcania, Avatar and Gene-Slammer of Laval Burner, and you guys are going to love meeting her, Enya Vulcania, Avatar and Gene-Slammer of Laval Burner, is Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lava Burner. She's The Volcanic Lava Burn Master and member of The Volcanic Laval Masters of Courage, a group of courageous girls who are the Avatars and Gene-Slammers of The Laval Duel Monsters and they're born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and their goal is to protect and defend Lincoln from his enemies, and they are the bravest, strongest, and courageous of Lincoln's Guardian Angels. No one was able to defeat them in battle, and if they dared to anger them, they were going to get burned in a pretty nasty way. Enya Vulcania came to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Burner, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Pyrokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Burner, and Lincoln was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a

True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a fire greatsword and he also gave her a phoenix tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lynn and Lola a lot with using lava and fire, and Enya Vulcania hates Fifi Dufus with a passion because of everything she'd done to Lincoln and his family along with Myrtle in the past and leaving Lincoln with PTSD, and she swore to kill her if she ever broke out of prison.

WE GASPED!

Me: Oh man, so I wasn't the only one who hated that asshole and the evil members of his family with a blazing passion?!

Lincoln: Nope, and the same went with all of us. But, she's already glad to hear we had that asshole executed along with the evil members of his family, and this time, for good.

Nico: Damn straight. And did she also find out about...?

Lynn: She did, and she really blew a gasket and she threw fire balls and balls of lava all over the place like a maniac!

WE GASPED!

Me: Yikes...!

Lincoln: Hey, thank goodness I put in a lava-proof venting room in her house when I built her lava-proof home whenever she goes on a nasty ranting against Evil Sasuke.

Adara Vulcania: If you thought her temper was nasty, thank goodness you didn't hear her curse like a banshee! (SHUDDERS)

The others shuddered as well.

Calida Vulcania: The things Azar said, that was absolutely nasty!

Me: YIKES!

Lego Batman: Go get the treadmill from S.T.A.R. Labs.

They did so.

Both Lego Flashes did so and ran on it.

ZOOOM!

King Hiss: Any time now!

Lego Reverse-Flash: It needs more power!

Nico: Coming right up!

Nico used Electro's powers to give it more juice and a portal opened up. Atomica, Grid, Sea King, and Deathstorm were the first to be sucked in!

Lego Batman: Send them home!

Ultraman: No, you can't! You don't understand! (falls in portal)

Johnny Quick: There's only four shopping channels! (falls in portal)

Superwoman: Nooooooo! (falls in portal)

Owlman: The Wi-Fi is terrible! (falls in portal)

Power Ring: It's over? Thank goodness. (falls in portal)

As the portal closed, something happened to the Anti Lfie Equation in the Mother Box as it went inside Nico.

Shiv: That's taken care of.

Lego Harley Quinn: Hey, we did it! (realizes what's happening) Boxy? Hey! Whatchadoin', Nico?!

Lego Flash: You don't think that's what the Crime Syndicate was looking for? The Mother Box Johnny Quick mentioned?

Lego Joker: I thought they were looking for the "Aunties" Light Convention'?

Me: Okay that's silly!

Webstor: Wrong name!

Lego Batman: Anti-life Equation!

As soon as Nico was done, the Mother Box fell to the ground

Harley Quinn: Boxy! What did you to do my Boxy?

Lego Cyborg: If that was a Mother Box, I think Nico here just absorbed all of its energy!

Lego Aquaman: So, what does this mean?

Lego Wonder Woman: It means that now we have the power!

Me: To destroy Darkseid.

Vexen: And Darkseid can't use it.

Firefly: Nico? How are you feeling?

Nico: Amazing and now Darkseid is gonna be really in for it.

Me: He sure is.

Nico: Yep. I am the key to destroying Darkseid.

Me: I'll help with that too with the Spirit Bomb.

Nico: Cool. Great job today everyone!

Me: Yeah!

Rarity: (To the viewers) Now this was an amazing adventure darlings.

Me: Yes it was.

We went back home and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We finally did it, Scott, Tim Buktu, Evil Jimmy Neutron, and Evil Sasuke are finally gone forever!

Anna Anyanova: That's for sure, but now, we got to prepare for the truly larger threat, Darkseid, and he's gonna be tough just like Thanos.

?: But, we're more than ready for him.

Anna Anyanova: Caleb's poisonous darkness caused him to split in two, and we took the one with The Curse Mark on him and got him executed, and tomorrow, we're going to kill Team Buktu once and for all, and get ready for when we face off against Darkseid. But, at long last, we are finally rid of Alecto Slytherin once and for all.

?: That's for sure.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters of the now expanded hot springs was Lincoln in the hot waters, but they also saw his towel was on the rack along with his orange speedo, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice) (Flexes his massive arms and his massive biceps bulged even more with more veins forming) (Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Lily the Mermaid: (Rubs Lincoln's massive pecs)(Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fesstertox's

Perfect Gene-Slammer serum and Perfect God serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility and fertility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his towel around his waist about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice)(Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Alexander Avalon: So far so good. We took down The Dark Maze Card, but tomorrow, I got a feeling we're going to take on the dark version of The Return Card, this thing caused trouble for Sakura, but we're ready for it.

Alexander Avalon went back inside: the hunt for The Dark Clow Cards was still on, Lego Owlman and The Crime Syndicate are in The M.O.E., and now, we can focus on getting rid of Darkseid forever, and we would make Darkseid pay for all his crimes when we destroy him and Apokalips forever!

DC SUPERVILLAINS PART 11

Part 11: Steppenwolf

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: he saw a planet of endless chocolate, and protected by powerful omnipotent angels, the males who spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all chocolate, and the ability to grow even stronger, but she was also born with angel wings, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all chocolate, and they were given incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The Reincarnation of

Amaterasu absorbing the males into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all chocolate, and the ability to grow even stronger, but she was also born with angel wings, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all chocolate, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet and its core into his body and their planet's Sun into his body to preserve their legacy.

Lincoln woke up.

Lincoln: Holy moly, what on Earth Omega was that?!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) No way, that world you saw, that was Chocolateyairaira, a planet of endless chocolate and protected by powerful omnipotent angels known as The Chocolateyairairans, the males who spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all chocolate, and the ability to grow even stronger, but she was also born with angel wings, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all chocolate, and the ability to grow even stronger, and they were given incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the male Chocolateyairairans and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the males into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all chocolate, and the ability to grow even stronger, but she was also born with angel wings, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all chocolate, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb Chocolateyairairans and its core into his body and Chocolateyairairans's Sun into his body to preserve their legacy.

Lincoln: That's incredible! And I better get going and fast.

Lincoln got up and got dressed, and he left a note explaining it, and he headed to Chocolateyairaira.

Lincoln landed on Planet Chocolateyairaira, and it was everything he saw in his dream and his rainbow energy aura exploded as he grew stronger.

Lincoln: Whoa! So, this is Chocolateyairaira, it truly is a planet of endless chocolate, but no chocolate is safe from my sisters, they can smell chocolate from miles away.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) It's still as tasty as ever.

?: (Strong Manly Voice)(Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw a strong-looking man who was really tall at 620'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, he was shirtless with a chocolate brown sun and moon on his chest, he has long chocolate brown hair going down to his shoulders, chocolate brown eyes, chocolate brown angel wings, he has on a chocolate brown loincloth, and black sandals, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Cody Chocolateyairaira, King of The Chocolateyairairans of Planet Chocolateyairaira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?!

Lincoln: I do, he's the father of my Guardian Angel, Calhie Chocolateyairaira. (GASPS) Now, I remember, I've been here before to Chocolateyairaira eight years ago.

Then, all of the other male Chocolateyairairans came to Lincoln.

Cody Chocolateyairaira: That's correct, you came here eight years ago when my daughter wanted to introduce me to you. (Smiles) You've grown that much stronger and taller, you're just as tall as me, and you're also even more muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man she and the others had helped you become.

Lincoln had an embarrassed blush on his cheeks and muzzle as Cody Chocolateyairaira chuckled.

Lincoln: And there's something I need to tell you.

Cody Chocolateyairaira: I know. You had the dream, it's time.

Lincoln: Yes, it is.

Suddenly, Cody Chocolateyairaira chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Cody Chocolateyairaira: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Cody Chocolateyairaira and the other septillion male Chocolateyairairans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all chocolate, and the ability to grow even stronger, and incredible godly powers and immense excessive virility and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo with intricate designs and The Sun and Moon made of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs and The Sun and The Moon made of light hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH!

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura was raging like a really massive wildfire and he has a chocolate brown aura with chocolate balls surrounding him as he pounded his chest like a gorilla.

Lincoln: Whoa...! This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed on his massive biceps and the image of cannons firing formed on his massive pecs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome!

Alan Almightairaira: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels, now there's one last thing for you to do, Lincoln.

Lincoln flew deeper and deeper into the planet, and he found it: the core of Planet Chocolateyairaira, the inner and outer cores of the planet and the million other planets consisted primarily of iron and nickel and are extremely infernaly hot with the temperature at more than 999,999,999,999,999,999,999,999,999,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the core of Planet Chocolateyairaira, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core and the planet itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Chocolateyairaira's massive Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Lily the Mermaid: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks)(Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever and full of even more infinite energy.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him, but it suddenly became

even stronger due to the powers of the Eroticairans of Planet Eroticaira he has and his primal urges went wild.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning)(Thinking) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them and they were on his bed.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: That was the surprise you had planned for us. But, you're gonna have to explain it tomorrow.

Lincoln: I will. (Smirks Seductively) Now, then, where were we?

Lincoln and his harem had another intense and passionate lovemaking session, and they went back to sleep a few hours later. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

J.D. 2: This was no ordinary planet. Lincoln, do you have a book about the world you went to?

Lincoln ran to his room and flew to the top of his massive vast collection of libraries and found the very book and brought it to J.D. 2.

J.D. 2: I knew it.

He opened the book, and we saw it: the planet Lincoln saw in his dream.

Me: Whoa! what is that place?

J.D. 2: This, J.D., is Chocolateyairaira, a planet of endless chocolate and protected by powerful omnipotent angels known as The Chocolateyairairans, the males who spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all chocolate, and the ability to grow even stronger, but she was also born with angel wings, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all chocolate, and the ability to grow even stronger, and they were given incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the male Chocolateyairairans and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the males into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all chocolate, and the ability to grow even stronger, but she was also born with angel wings, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all chocolate, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb Chocolateyairaira and its core into his body and Chocolateyairaira's Sun into his body to preserve their legacy.

He finished and returned the book to Lincoln's room, but we were immediately stunned.

Me: WHOA! So, there was a planet of endless chocolate in The Forbidden Zone! Wow!

Cody Chocolateyairaira: (Through the rainbow Thunderbird and animals on Lincoln's forehead) That is correct, J.D., Lincoln came to Hellairaira eight years ago, and years later, I saw the kind of man he would grow up to become.

J.D. 2: Cody Chocolateyairaira! Your Majesty, it's been vast eons since we last met.

Nebula Lanaia: Thank goodness you absorbed Chocolateyairaira, Lincoln, you know our siblings are absolute chocoholics, when they catch the smell of chocolate, they turn into bloodhounds! No supermarket or candy store is safe from them.

Me: Yeah, no kidding.

Mega Moltres went into Zhuqiaomon's room and saw a MASSIVE Altar with a huge flame in it.

Mega Moltres: Morning Zhuqiaomon. It's time to get up and go have breakfast.

Zhuqiaomon took shape from the flame.

Zhuqiaomon: Thank you for that Mega Moltres.

He went and went to the table.

Me: Morning Zhuqiaomon.

Zhuqiaomon: Morning everyone.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his large gold halo and smaller halo with intricate designs made of light and The Sun and The Moon in it in the center and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Nathalie's Akuma, Safari!

Nathalie: It's Safari, my 2nd Akuma!

Adrien: Oh boy. And where is she at?

Lincoln: Oh crud, she's on Volcanonoiraira, the planet of lava, fire, and volcanoes in The Forbidden Zone.

Me: A Volcano Forbidden Zone Planet?! And another Forbidden Zone Planet!?

Lincoln: This means my Guardian Angel is also there, and it also means another Forbidden Zone planet for me to absorb after I meet her dad once again and absorb him and the septillions of male Heavenairairans into my body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of fire, lava, magma, and volcanoes, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, absorb Volcanonoiraira and its core into my body and Volcanonoiraira's Sun into my body to preserve their legacy.

Nico: After we take down Safari, then you can absorb Volcanonoiraira and its' Sun into your body, but we are going to see the rite of you absorbing the septillions of male Heavenairairans into your body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of fire, lava, magma, and volcanoes, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, Lincoln.

Lincoln: And it's gonna be intense, Nico, so you're gonna have to brace yourself. Alright, now let's finish breakfast and head to Volcanonoiraira and hunt down Safari.

Me: That's not a pun, is it, Lincoln?

Lincoln: Oof, I think that was a pun.

Nico: You've been spending too much time listening to Luan's puns, now you're starting to make your own puns!

Me: First we need to figure out what's causing Rolf's pain. So we're going to his house first and then we'll head out.

Nico: Right we said we would do that.

We finished our breakfast and we headed out to Rolf's house.

We got to Rolf's house. Rolf was in a wheelchair with a big back brace on him.

Carmen: Captain Rolf we'll figure out what's going on with your bed.

We knocked on the door and answering it was Rolf's mother.

Me: Good day to you Rolf's mother.

Rolf's mom: Oh hello Team Loud Phoenix Storm. Oh man Rolf! I heard what happened to him

Carmen: That's why we're here. To figure out what's wrong with his mattress.

Rolf's mom: Right this way ja.

We went in and went up to his room and we went in and saw that his mattress looked fine.

Me: This is his mattress? Okay.

Nico: Looks fine to me.

I pressed on it and it was harder than a bunch of rocks.

Me: Man it's harder than a boatload of rocks.

I wondered.

Qin: It must be full of something.

Me: Lets find out.

We got the mattress off and unzipped it and then shook it and then out came A MASSIVE BOATLOAD OF JEWELS, JEWELRY AND DIAMONDS!

WE GASPED!

Me: HOLY WOW!

Rarity: Oh my goodness

I looked at them.

Me: (WHISTLES) Wow look at all this.

Rolf: Rolf had no idea his mattress was all full of this.

Laney: There's billions of dollars of jewels and jewelry here!

Me: WOW! Rolf do you know who put all this here?

Rolf: Rolf was busy with you guys.

Me: Hmm. Let me see.

I used Clockwork's time rewind review powers and saw someone stuffing jewels into the mattress! It was a girl with no eyes!

Nico: (GASP) I can't believe it!

Qin: I didn't expect her!

Poromon: That monster! We know who it is! Her name is Eilene Vagaros.

Me: Wait! The most notorious diamond and jewelry thief of all! She's also known as the Eyeless Bandit! She is called that because she lost her eyes in an accident!

Nico: That was NO accident! Back when we were in school with Qin, me and the mascots got into a fight with her and Qin punched her in the face so hard that she punched out both of her eyes and destroyed her ability to see forever.

THEY GASPED!

Me: HOLY SHIT!

Rolf's mom: Goodness!

Sheila: Yeah. She was wanted by the FBI and police for robbing 7,000 jewelry shops and stores and banks in 31 states.

Me: And she hid billions of dollars in jewels and diamonds and jewelry in Rolf's mattress over the years and no one ever suspected a thing!

Sheila: But me and Tom arrested her last week before she could come and get her loot and she is going to spend the rest of her life in prison.

Me: HOLY COW!

Rolf: Rolf had no idea!

Me: At least we know now what was the source of your back pain Rolf.

Luna Nightshroud: Boy we sure do.

Iormu: Boy that must have been really awful for your back.

Universe 666 May: No kidding! That must've really been painful.

Rolf: Rolf thanks you all for helping me find the source of Rolf's back pain.

Me: You're welcome Rolf.

Eddy: Geez Rolf that was really painful.

Ed: (Petting Rolf's chickens) I love chickens Eddy!

We got Rolf a new mattress and later headed out to Volcanonoiraira to help Cozy Glow unlock her Rainbow Power and take down Safari.

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 14211.2: The U.S.S. Valorous Phoenix is en route to the volcanic Forbidden Planet of Volcanonoiraira and our mission there is to battle Nathalie's second Akuma, Safari. This is going to be a volcanic hunt of intense heat.

Lola: We all are.

Punk Shock: This is gonna be really awesome.

Nico: Punk Shock, what do you like to do in your free time?

Punk Shock: Oh I like teaching future Skylanders how to be like us at the Skylanders Academy. It's quite fun.

Aria Sirenia: I also like helping her too. It's fun for both of us.

Nico: I can see that.

Qin: Yeah.

Punk Shock: Now that Earth Omega has Skylands in it we can do all sorts of things together.

Me: Saves us having to go thousands of lightyears to get there.

Punk Shock: Too true.

Nico: That's a good job to have.

Punk Shock: It puts cheese on the table.

Nico: (DROOLS) Love that line.

We laughed!

Me: Funny!

Lola: Geez Rolf we had no idea all your back pain was from having all that in your mattress!

Rolf was getting a good massage from Marina.

Rolf: Rolf was shocked himself to have all those jewels in his bed.

Marina (Zig and Sharko): Boy that must've been a shocker.

Me: No kidding there.

Eddy: This is the first time we saw your Mom in person.

Deadpool: They never showed your parents except for your brother in the series.

Jamesdean5842: He's right on that. We only saw Eddy's dad's arm and Ed's mothers arm in it and that's it.

Eddy: That doesn't seem fair for the parents never to be shown.

Me: I agree.

Rolf: Ja Rolf is glad you all got to see mama.

Kevin: We are too.

Rolf: (Groans) Rolf feeling great to get a massage.

Me: That's good.

Lana: And Marina gives amazing massages like the mascots do.

Poromon: Yeah we're amazed on that.

Camie: Yeah no kidding there.

Ymir: Yeah.

Eddy: How do you feel now, Stretch?

Rolf: Rolf feels so much better than yesterday.

Marina: You just need to rest and you'll be fine tomorrow.

Me: Awesome.

LOUD SNEEZE!

Sam sneezed bad. Sam had red puffy eyes, her nose was dripping snot and she was sneezing bad.

Me: Sam are you okay? You look awful.

Sam S.L.: (SNEEZING) Sorry guys. I have REALLY Bad hay fever.

Luna: Allergy season is in full swing dudes. Sam has been sneezing up a storm since last night.

Me: Oh man.

Nico: Geez!

Me: Man Allegies are no fun. And I've never been sick a day in my life.

Qin: Yeah no kidding.

Twilight Sparkle: Yeah they are no fun.

Sam sneezed.

Me: Bless you.

Sam S.L.: (Sniffs) Thank you.

Luna gave Sam a hanky and she blew in it.

SHIP HORN BLOW!

Me: Boy first back problems and now allergies. But we've gotten through tougher hardships than this.

Nico: I agree there. Also our plan is now fully done.

Me: Yep. We exposed both Team Buktu and now The Lego Crime Syndicate.

Rainbow Dash: We sure did and that was so awesome!

Poromon: How do you feel, Nico?

Nico: Relieved now that we can rest easy that Team Buktu is gone and the Crime Syndicate was stopped.

Me: And now we can focus on Eliminating Darkseid and ending the terror of Apokolips in the Prime Universe forever.

Lego Superman: I agree there. And I had no idea Harley Quinn had the Mother Box that contained the Anti-Life Equation.

Nico: Yeah. Okay guys here's my new plan.

Me: Lay it on us.

Nico: Okay. I'm going to alter the Anti-Life Equation so it will weaken Darkseid and then Darkseid will absorb it from me and it will be easier for us to defeat him.

Me: That's genius!

Nico: Yep.

Poromon: That's what I meant. Do you feel different with the Anti Life Equation in you?

Nico: Oh. Not at all. Still the same.

Me: Good.

Nico: Yeah.

Me: Good.

Nico: Rest assured that I'm not keeping it. Just until tomorrow

Me: That's good. We didn't want you keep it anyway. The Anti-Life Equation is far too dangerous for everyone.

Nico: Yeah.

Me: I was hoping we would destroy it. But it'll serve as the key to Darkseid's downfall.

Nico: But for some reason, it's not doing anything bad to me

Me: It's because your powers are so strong that they are containing it and making sure it doesn't hurt you.

Nico: Wow. That could be.

Qin: Amazing.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at a volcanic world.

Lincoln: There is it is. Volcanonoiraira.

Me: Wow!

Nico: Lets engage the heat shields and land.

We did so and got to landing.

We arrived on Volcanonoiraira, and it was everything he saw in his dream and his rainbow energy aura exploded as he grew stronger, same with all of us.

Me: Whoa! So, this is Volcanonoiraira, man this place is really intense!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) It's still as intense as ever.

Lincoln: You said it.

Me: WHOA! It's blazing hot!

Qin: WHEW! No kidding!

I looked at the temperature.

Me: HOLY CRUD! 3,127° Fahrenheit!

Nico: WHOA!

Horsea: GEEZ!

Me: This is a truly inhospitable planet!

Lincoln: I know.

Me: It's hotter than Valmorg.

Nico: No kidding. After we deal with Nathalie's Akuma lets get the hell out of here.

Me: Took the words right out of my mouth.

?: (Strong Manly Voice) (Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw a strong-looking man who was really tall at 620'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, he was shirtless with a crimson red sun and moon on his chest, he has long crimson red hair going down to his shoulders with yellow streaks, chocolate brown eyes, crimson red, orange, and yellow fire-colored angel wings, he has on a crimson red loincloth with flames, and black sandals, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Vance Volcanonoiraira, King of The Volcanonoirairans of Planet Volcanonoiraira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?!

Lincoln: I do, he's the father of my Guardian Angel, Valerie Volcanonoiraira, I've been here before to Volcanonoiraira eight years ago.

Then, all of the other male Volcanonoirairans came to Lincoln.

Vance Volcanonoiraira: That's correct, you came here eight years ago when my daughter wanted to introduce me to you. (Smiles) You've grown that much stronger and taller, you're just as tall as me, and you're also even more muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man she and the others had helped you become.

Lincoln had an embarrassed blush on his cheeks and muzzle as Vance Volcanonoiraira chuckled.

?: Oh man, Linky, you're here!

Suddenly, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, tanned skin, long crimson red hair with yellow streaks, red eyes, she was dressed in an orange two-piece bikini, she has massive fire-colored angel wings, and she has a fire greatsword in hand.

Lincoln: (GASPS) Valerie Volcanonoiraira, Queen of The Volcanonoirairans of Planet Volcanonoiraira.

Me: You know her, Lincoln?

Lincoln: Indeed I do, J.D.

Anna Anyanova: And so do we, everyone, this is Valerie Volcanonoiraira, Queen of The Volcanonoirairans of Planet Volcanonoiraira, she's Lincoln's Guardian Angel from the volcano planet Volcanonoiraira in The Forbidden Zone, she's The Queen of The Volcanonoirairans who rules Volcanonoiraira, a very intense volcano planet of lava, magma, and fire, and she's also far more powerful than her own people: in addition to being a natural born fighter and having immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of fire, lava, magma, and volcanoes, and the ability to grow even stronger, but she was also born with angel wings, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of volcanoes, lava, fire, magma, and the ability to grow even stronger, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to Volcanonoiraira where he would meet The Volcanonoirairans and when he'd arrived, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the male Heavenairairans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of fire, lava, magma, and volcanoes, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb Volcanonoiraira and its core into his body and Volcanonoiraira's Sun into his body to preserve their legacy. Valerie Volcanonoiraira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the immense powers of immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of fire, lava, magma, volcanoes, and the ability to grow even stronger, and all the powers of her people, and over time, Lincoln gained even more immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, and immense superhuman endurance, omnipotent power, immense omnipotent powers of fire, lava, magma, volcanoes, and the ability to grow even stronger, and all the powers of The Volcanonoirairans times infinity, and he was already born with immortality and invincibility and his powers also grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger and she also knew of his ability to suck in and absorb lava into his body which makes him even stronger than ever, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility and male fertility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln had undergone the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of male Volcanonoirairans gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of fire, lava, magma, volcanoes, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, Lincoln absorbing Volcanonoiraira and its core and Volcanonoiraira's Sun into his body to preserve their legacy. Lincoln made her an awesome fire greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to have them incinerated by the lava and fire of Volcanonoiraira and banished forever to The Black Abyss with the power of Volcanonoiraira.

Lincoln: And there's something I need to tell you.

Vance Volcanonoiraira: I know. You had the dream, it's time.

Lincoln: Yes, it is.

Suddenly, Vance Volcanonoiraira chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Vance Volcanonoiraira: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Vance Volcanonoiraira and the other septillion male Volcanonoirairans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of fire, lava, magma, and volcanoes, and the ability to grow even stronger, and incredible godly powers and immense excessive virility and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo with intricate designs and The Sun and Moon made of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs and The Sun and The Moon made of light hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH!

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura was raging like a really massive wildfire and he has a neon orange aura with lava drops surrounding him as he pounded his chest like a gorilla.

Lincoln: Whoa...! This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed and volcanoes erupting on his massive biceps and the image of cannons firing and volcanoes erupting formed on his massive pecs.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome!

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) (Thinking) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Vance Volcanonoiraira: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels.

Nico: That's for certain, and the girls in his harem wind up getting driven wild and wind up getting aroused even more from every single act of manliness Lincoln displays.

Me: And all that's left is for him to absorb your planet and its core along with its Sun into his body, and wait, you also included immense virility and fertility as well? That means...!

Valerie Volcanonoiraira: We knew Lincoln's quite the virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever.

Rita: We had no idea about it before. But, during Lincoln's check-ups with Dr. Feinstein, he did show us all of what you just told us, Valerie.

Nico: Wow...!

Valerie Volcanonoiraira: I know that shocked you all especially Regina's journal about Lincoln's health reports, but everything I told you is all true, and it's good to see you again, Lincoln, but wow, you've really grown a lot in height and muscle mass since last I saw you.

Suddenly, Lincoln pinned Valerie Volcanonoiraira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Valerie Volcanonoiraira with crimson red gems on the gold lightning bolts and orange crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle and beside his left and right thighs and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more like what happened yesterday.

Valerie Volcanonoiraira: That's my special gift to him: Volcanonoiraira's Blessing of Divine Volcanic Power Justice, and each of the Forbidden Zone Planet Queens have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 620'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Valerie Volcanonoiraira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Volcanonoirairans both males and females were extremely passionate when it came to sex and lovemaking.

Lily the Mermaid: Ooh boy.

Lincoln: That'll be for much later. Okay, guys, we're in for one intense battle, we're here on the volcano planet of Volcanonoiraira to help Cozy Glow unlock her Rainbow Power and take down Safari.

Nico: It's been a long time since I last fought her, but she's in for a much worse surprise if she thinks I'm still the same person from long ago.

Me: That's for sure.

We had all of TLPS and The M.O.E. with us.

Superman heard a Pokemon cry.

Superman: Look guys.

We saw a Mareep.

Me: Whoa a Mareep!

Nico: What's that doing here on a planet like this?

Me: Trying to stay cool.

Superman: Allow me.

He used his ice breath and cooled her down.

Mareep: Ahh! That feels great!

Superman: On a planet this hot you have to stay cool. Here.

He gave her apples.

Mareep: Thanks.

She ate them.

Superman: You're welcome.

Me: A Mareep is perfect for you Kal because you were on a farm before.

Superman: Too true. Want to come with me?

Mareep: I would be honored.

Me: Awesome.

But then a roar was heard!

Me: What the?

Qin: LOOK!

We saw a huge Lizard creature! It was a large green, scaled and muscular lizard/dinosaur/komodo dragon-like monster with glowing yellow eyes and six or seven sail-like bony blade-like sails in it back, opening and closing like a pocket knife or a battle fan.

WE GASPED!

Qin: WHOA! Komodo Blade-Back!

Shanan: WHOA MAN! That's a Komodarian Stegokomodo Lizard from the planet Komodos. They are powerful firegel spitting lizards that fire powerful fire gel that burns anything on contact with intense heat.

Qin: WHOA MAN!

2012 and 2003 Mikey both screamed like little girls!

Ed turned into Edzilla!

Edzilla: ED SMASH!

He jumped and Komodo Blade-Back fired fire gel blasts from her mouth.

He dodged them and the gel hit the ground and exploded into MASSIVE AND INTENSE FIRE BLASTS!

Me: WHOA! That is really deadly!

Nico: No kidding!

Edzilla smashed and punched her all over the place!

I teleported and took a vial and injected her.

Me: There!

She reverted back and was a girl with black hair and forest green eyes.

I wrapped her in a blanket and brought her over.

Me: Wait I've seen this girl before from somewhere.

Nico: Really?

Me: Yeah but I don't remember where.

Edzilla: ED STRONGEST THERE IS! (ROARS)!

Me: YEAH!

Poliwag licked her.

Me: Poliwag.

She woke up and Poliwag kept licking her.

Girl: Hey that tickles.

Poliwag: Sorry.

Girl: Whoa man. Why is it so hot here?

Me: Well you're on the volcanic forbidden planet of Volcanonoiraira. It's over 3,000 degrees here.

Girl: Oh man! No wonder.

Me: What's your name?

Laura Komodo: Laura. Laura Komodo.

Me: (GASP) I remember seeing you before! You're that missing girl that disappeared in a ship crash on an uncharted island in the middle of Indonesia!

Nico: I thought you looked familiar.

Me: That was 10 years ago.

Ymir: How did her ship crash?

Me: It was capsized by a rogue wave.

Laura Komodo: Yes. And I was living and surviving with my animal friends. I have the power to talk and communicate with animals of all kinds and they became my friends.

Fluttershy: You and I have so much in common. I can do the same thing too.

Lilja: (Icelandic Accent) Same with me.

Me: That is amazing. So can Eliza Thornberry too.

Laura Komodo: Wow!

Sydney: We're glad you're okay Laura.

Laura Komodo: I am too Sydney.

Me: How did the Shredder's men find you?

Laura Komodo: They didn't find me. I found them. I found a trap door in the middle of a cave during a storm and I saw the lab they were in and they jumped me. Then everything went dark.

Nico: Yeah, probably should've stayed away

Me: Yeah.

Laura Komodo: I know.

Me: Yeah. Also the High Mage is dead. We didn't kill him unfortunately.

Laura Komodo: I'm glad he's dead.

Me: Yep.

Rarity: Lets get you some new clothes darling.

The Fashion brigade did so and she got dark green clothes.

Laura Komodo: I look awesome.

Me: You sure do. We're here on a mission. But when we get back to Earth we got to cool down.

Lincoln: Yeah.

Then we heard a call.

Laney: LOOK!

We saw the Shiny versions of the Galarian Legendary Birds!

Me: WHOA! Shiny Galarian Articuno, Zapdos and Moltres!

Qin: We saw the Mega Versions of them yesterday! Not the Shiny Ones but the regular ones.

Me: They kind of look like the Kanto Versions of them don't they?

Qin: They sure do.

Nico: Where did they come from?

Me: Must be some of Dark Gale's work.

Sheena: Lets see.

She used her powers.

Sheena: WHOA! The Shiny Galarian Articuno is a girl named Yamiko Yuki.

Haku Yuki: That's my sister! I thought she was dead when the Bloodline Purge was going on!

Sheena: The Shiny Galarian Zapdos is a girl named Tamaki Nii.

Yugito: That's my sister! She disappeared years ago!

Me: WHOA!

Sheena: And the Shiny Galarian Moltres is a girl named Valkyria!

Pakura: That's my sister!

Me: WHOA! Pakura how many sisters do you have?

Pakura: A few.

Me: Wow! Lets go help them out.

We went over to them.

Me: Girls calm down!

Shiny Galarian Articuno used Freezing Glare on Horsea but she put her clone in front of her.

The clone got hit and was frozn solid!

Nico: WHOA! Powerful!

Shiny Galarian Zapdos used Zapper Kick on the clone and bashed her all over.

Then Shiny Galarian Moltres used Fiery Wrath and blasted the Clone with black energy!

Me: WHOA! LETHAL! Okay then!

I fired waves of energy and blasted them all over.

I snapped my fingers and they reverted back.

Yamiko was a girl with black hair and blue eyes and had blue angel wings and had Shiny Galarian Articuno on her forehead and had the Yuki Clan Symbol in the middle of a Snowflake on her arm as a cutie mark.

Tamaki had blonde hair and blue eyes and had yellow cat ears and yellow angel wings and had 6 fiery cat tails coming out of her butt and had Shiny Galarian Zapdos on her forehead and had a flaming ghost cat with a lightning bolt and the Hidden Cloud on her arm as a cutie mark.

And Valkyria had orange hair and orange eyes and had fire angel wings and had Shiny Galarian Moltres on her forehead and had a phoenix with the planet Valmorg in its talons on her arm as a cutie mark.

We wrapped them in blankets and brought them over.

They woke up to see Horsea's smiling face

Yamiko Yuki: (Groans) What happened?

Tamaki Nii: Huh? A Horsea?

Valkyria: What hit me?

Horsea: You attacked my clone!

Maria picked her up.

Me: Are you girls all right?

Yamiko Yuki: J.D.? What happened? Where are we? Why is it so hot?

Me: You're on the volcanic Forbidden Planet of Volcanonoiraira. Long story.

Haku: Sister?

Yugito: You okay?

Pakura: We were worried.

They gasped and hugged them!

Yamiko Yuki: I thought you were dead Haku!

Haku: No I'm not. I was living in the Leaf.

Tamaki: I'm glad you're safe Yugito! I thought the Akatsuki got you.

Yugito: They would have if the Knights of the New Fire hadn't stepped in.

Valkyria: Pakura I'm glad you're safe!

Pakura: Me too sis.

Me: You all were turned into the 3 Shiny Galarian Legendary Birds by Dark Gale.

Valkyria: Oh man! We were sent to infiltrate the Mountain's Graveyard when it happened.

Me: That was the Hideout of the Akatsuki. That was where they were stationed.

Tamaki: Oh man!

Me: Yeah. We destroyed the Akatsuki. Some of them are in the M.O.E. And some are in the Redemption Squad.

Maria: It's true.

Horsea: Are you sweaty?

Valkyria: Yeah it's really hot here.

Me: It's over 3,000 degrees here.

Tamaki: Wow no wonder!

Nico: What can you girls do?

Yamiko: Well I have the strongest and most powerful Ice Style Powers ever and I can make ice just by thought and will and with my hands.

Nico: Wow! That is cool!

Tamaki: I have a rare and ultra powerful bloodline called Hellcat Style. I can use my tails to fire fireballs and blasts of blue fire and even use the spirits of fire.

Nico: Wow! That is amazing!

Valkyria: And I have a REALLY unusual bloodline called Valmorg Wing. I can form wings of pure fire that's hot enough to dry up entire lakes and use fire powers that are 10,000,000 times more powerful than Scorch Style Techniques.

Qin: WHOA! That is powerful!

Me: This is gonna be one helluva story for everyone in the Leaf when we get back.

Nico: No kidding.

Rarity: Lets get you all some new clothes darlings.

The Fashion Brigade gave them new clothes. Yamiko's were blue and she had an ice sword. Tamaki's were purple and she had a hellfire sword and Valkyria's were red and she had a fire sword.

Valkyria: We look great.

Me: You sure do.

Nico: We're not done yet.

Me: The hunt is on.

Kraven: (Russian Accent) Be wary. The hunt begins...now!

Lincoln: (Sensed for Safari) AHA! Gotcha! I just spotted Safari, she's 20 yards away.

Me: And she's in there, but how can we get in? The place is surrounded by three massive pools of lava.

Lincoln: I got this.

Lincoln dipped the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into the three massive pools of lava and he began sucking all of the lava into his body, and Lincoln's abnormally massive and powerful upper and lower body muscles bulged out even more as more veins formed and they glowed neon orange, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

And he also flexed his muscles even more which really aroused his harem even more, and at the same time, steam and sweat was coming off of him like he was in a sauna. Then, when he was done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura was raging like a really massive wildfire and he has a neon orange aura with lava drops surrounding him as he pounded his chest like a gorilla and his veins were still glowing neon orange.

Lincoln: (GROWLS) That felt so good! (MASSIVE AND LOUD WOLF ROAR)

Me: What the?! Damn, I think Lincoln's way too tough! Especially if he's able to absorb lava into his body like a sponge!

Luna: He absorbs anything and anyone into his body like a sponge. Now, for Safari.

We flew in, and Lincoln formed and fired a massive ball of molten rock, lava, and magma at Safari and forced her out of her lair which also got destroyed by the massive ball of molten rock, lava, and magma Lincoln fired at her.

Safari: (Growls) How dare you get in my way, Team Loud Phoenix Storm?!

Nico fired a blast of rainbow energy at Safari, and she got hit!

Safari: What the?! Nico?! (ENRAGED SCREAM)

Me: And me! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

I howled!

Gabriel: (horrified) Nathalie? Is that you?

Safari: You should know that. After all, you did this to me!

Me: Let me guess. Gabriel in Cat Blanc's time made you this way.

Safari: That's right. To hunt down the Miraculous users and kill them.

Me: But why!?

Safari: Because he's insane!

Gabriel: My God. Is that what I could have eventually become?!

Safari: Yes!

Gabriel was shocked! Like how Anakin turned to the dark side of the Force, it was a terrible revelation.

Adrien: I can't believe dad would become like that.

Nico: If we hadn't arrived in time, TONS of shit would have happened!

Me: We dodged a REALLY MASSIVE bullet back in 2019.

Safari: Indeed and I'm glad you all did.

Me: Nathalie, I'm sorry this had to happen to you. But like we told Cat Blanc, we did not do anything there because we don't exist in that time.

Lily: That's right and you lead me to Emile in 2019 and saved her.

Emile: She's right! Lily woke me up and saved Gabriel.

Nathalie: It's true.

Gabriel: Nathalie. I really am sorry that this happened. But that's not the only reason you're angry, is it? It's because you had feelings for me.

Safari: That's right! But I kept them to myself because you loved Emile!

Me: Because he was hurting inside! He was upset because he missed Emile! It was like how Dr. Victor Fries A.K.A. Mr. Freeze was hurting because his wife Nora was in Cryogenic Suspended Animation. He did everything he could to cure her.

Lily: And I cured her too! Just like I cured Emile!

Adrien: That's right! And Nathalie, I would have loved you just as much as my mother. You would have made an amazing mother too as well.

Nathalie: Aww Adrien? You really mean that?

Adrien: I sure do. Second mom.

Nathalie and Emile hugged him.

Me: Aww so adorable.

Safari: Oh Adrien. That is so sweet.

Me: Yeah. Nathalie listen, when Marinette's time to shine comes we'll go on the next rescue and stop Gabriel from your time.

Gabriel: Nathalie, I really am sorry. You've always been a good friend to me even when I was Hawk Moth. But the thing is, you and I can only be friends.

Nathalie: I know Gabriel. I know. But I still care about Adrien too like Emile does.

Gabriel: Good.

Safari: That is sweet.

Me: It is. But Nathalie, Gabriel in your time is REALLY Messed up. When the time comes, we're going to stop him and that wretch Lila Rossi.

Marinette: That's right. And I heard that she is also a villainess named Chrysalis.

Little did we know that someone heard me say that and I heard a scream and it was a REALLY FAMILIAR SCREAM OF RAGE!

Me: I know that scream anywhere. It's Queen Chrysalis!

Rainbow Dash: What's she doing here?

Me: No idea. But we'll have to worry about her another time. For now we got a fight going on.

Safari: Lets dance then!

Me: Okay.

Safari: Time to show you what I can do!

She formed boxes of grenade launchers and pulled them out and fired them at us!

BANG BANG BANG!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOOOMMMM!
KRABBBBBOOOOOOOOOOOOOOMMMMM!

Me: WHOA! Powerful! Two can play that!

I formed an M31 Minigun and fired at her and she ran as I blasted at her!

Mareep charged at her and blasted her with lightning.

Mareep: YEAH!

Me: Weapon forming power! That is cool!

Kraven jumped and grabbed her and threw her and she hit a rock.

Kraven: I am the true hunter around here!

Spiderman: Trust me. He is.

Safari: We'll see about that!

She jumped and hid.

Kraven sniffed and jumped around and then found her with ease and kicked her down.

Kraven: I am Sergei Kravenov. Kraven the Hunter.

She formed guns and he dodged them and ran fast.

Safari: The hunt is on!

She went after him.

Me: The Hunt begins!

I used my thermal vision but everything turned all white!

I groaned!

Nico: You okay?

Me: Yeah. The intense heat of this planet blinds me. Everything here is all white under thermal imaging.

Nico: Wow! Extremely hot!

Poromon: We'll have to find another way!

Nico: We'll have to use another light source.

I then switched to Ultraviolet Light!

I saw Kraven and Safari with it.

Me: There they are! I can see them perfectly in Ultraviolet Light!

Nico: Wow!

Me: Lets get them!

We went after them.

Kraven sniffed her out.

Safari fired bullets and he dodged them.

Safari kicked and punched at him and he dodged her strikes.

Kraven: You are a great huntress. But I am better.

Safari: We'll see.

I jumped and used my targeting triangle and locked it on her arm.

WHOOOSH! BEEP!

I fired and blasted her arm!

Nico: BULLSEYE!

Poromon: Found you!

Safari: You did!

Qin: Nice shot!

Me: Thanks!

Valkyria: That was cool!

Me: Yeah it was!

Poromon pecked her.

POINK POINK POINK POINK POINK!

Me: YEAH!

Safari: How come your infrared vision couldn't see me?

Me: It's over 3,100 Degrees Fahrenheit here! In a planet this hot thermal imaging would be intensely overloaded and all white would appear. So I used Ultraviolet Light to find you.

Safari: Very clever.

Nico: Yep!

Volcana got out her Sentai Ring

Erza got out her Sentai Ring.

Layla Williams got out her Sentai Ring

Roxy got out her Sentai Ring

Lori got out her Sentai Rings.

Leni got out her Sentai Ring

Lynn got out her Sentai Ring

Lucy got out her Sentai Ring

Lana got out her Sentai Ring

Lola got out her Sentai Ring.

They fired waves of elements and blasted Safari all over the place!

Me: YEAH!

Poliwag: Take that!

Poliwag slapped her with his tail!

WHAP WHAP WHAP WHAP WHAP WHAP WHAP!

Horsea squirted ink and blinded her.

Yamiko Yuki: Watch what I can do. ABSOLUTE ZERO ICE STYLE NINJA ART: ICE FLASHFREEZE DRAGON!

She fired a massive and intense wave of intensely cold ice and it formed into a powerful dragon of ice and it slammed into Safari and froze her solid!

Me: HOLY COW!

Nico: THAT WAS AWESOME!

Qin: WOW!

Me: Absolute Zero Ice Style!? Wow I've never heard of that power!

Nico: Me neither!

Me: It must be a super powerful advanced variant of the Ice Style power.

The intense heat of the planet thawed her out and a huge cloud of steam came off her.

Nico: That could be.

Tamaki Nii: Watch me. HELLCAT STYLE NINJA ART: WRAITH CAT SWARM OF HELL!

She fired a massive blast of blue fire and it formed into a ghostly version of the Alley Cats of Great Lakes City and they went and mauled and burned Safari all over!

Bart: AY CARAMBA!

Rosa: (Spanish Accent) Took the words out of my mouth!

Ronnie Anne: WOW! That was amazing!

Yugito Nii: It sure is!

Tamaki: Yeah!

Safari then formed a massive army of henchmen soldiers!

Valkyria: Now watch this one. VALMORG FLAME STYLE NINJA ART: INFERNO HEAT BURST!

She fired a massive beam of intensely hot fire and it hit the soldiers and sucked out all their water instantly and turned them into mummified husks!

Me: WHOA! That was hot!

Valkyria: It sure was!

Nico: YEAH!

Yamiko: Lets show her combo power!

Haku: You got it!

Yamiko and Haku: ABSOLUTE ZERO ICE STYLE: COLD WAVE ICE STORM!

They fired a massive blast of ice and cold!

Tamaki and Yugito: HELLFIRE CAT STYLE: WRAITH FLAME CAT PRIDE!

They fired waves of intense blue fire and it formed into a swarm of cats of fire!

Valkyria and Pakura: VALMORG SCORCHING FLAME STYLE: INFERNAL FIRE METEOR SHOWER!

They fired a massively intense fireball shower and rained down onto Safari and they blasted her all over the place and then...

EXTREMELY MASSIVE AND UNBELIEVABLY POWERFUL FIERY EXPLOSION!

She was blasted down with an explosion of intense and fiery power!

Me: HOLY COW!

Qin: That was powerful!

Mevya hopped towards her.

Mevya: SMELLOGRAM!

LOUD NASTY HORRIBLE BELCH!

He belched in her face and knocked her down!

Gatomon ran and went at her.

Gatomon: (Echoing) LIGHTNING PAW!

She puncher her down with intense strength!

Gatomon: How's that for a catfight!?

Gatomon then poured salt on Mevya

Mevya: HEY! I'm not on the menu!

Kari: Gatomon!

Gatomon: Oh sorry!

Rolf then came!

Me: Rolf?

Rolf: YOU HAVE SQUEEZED AN ORANGE RIND IN THE EYE OF ROLF!

Rolf went at her and he smashed and pulverized her down!

Me: Rolf! You're all better!

Rolf: Yes Rolf is much better and healed! Marina Mermaid girl gave Rolf a much needed and better massage! Rolf is all healed!

Eddy: Test it by using the Hat of Discipline

Rolf: Okie dokie!

He got out the Hat of Discipline!

It was a giant hammer hat!

Safari: What is that?

Rolf: The Hat of Discipline. DO YOU LIVE IN A CAVE!?

KRASPLAT!

He smashed her flat into a pancake!

Nico: I love that one!

Alexander Michaelson went after Safari, and he fired extremely powerful blasts of black and midnight blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, black and midnight blue dark flames, darkness, dark magic, black magic, Satanic Magic, wolves, phoenixes, and angels and they exploded with incredible power as they hit her, then, he attacked her with his massive drill spear and threw bombs at him that exploded.

Suddenly, Lincoln was surrounded by an immense aqua blue aura with water surrounding him and with wolves surrounding him as The Sun shined even brighter and heavenly lights shined down from Heaven.

Eli: He's about to use an elemental variant of The Atavism of The White Wolf of Amaterasu!

Lincoln: (Speaking in Japanese) 荒れ狂う海と天に呼びかけ、この忌まわしき**悪**を滅ぼし、永遠の破滅の地へと送り届けよ！ 祝福された者たちの魂よ、蘇り、強大な狼の姿を取り、罪深き者に永遠の罰を与え、冥界の闇へと永遠に堕ちさせよ！ 我が歌が天の審判を呼び起こし、この忌まわしき**悪**を永遠の安息の地へと送り届けよ！ (I call upon the raging tides of the seas and The Heavens to bring down this terrible abomination of evil and send her to his place of eternal damnation! Let the souls of the blessed rise and take the form of mighty wolves that bring the damned her eternal punishment and send her to the darkness of the Underworld forever! Let my song bring forth the judgement of The Heavens and send this abomination to her eternal resting place!)

Lincoln sang a heavenly song and let out a howl as immense light shined down from the sky, The Sun, and from the Heavens and ocean waves formed behind Lincoln and formed into blue wolves with glowing aqua blue markings on their paws that look like ocean waves and they ran at Safari and attacked her with fierce fury.

Suddenly, I was surrounded by an immense orange and yellow aura with flames and with wolves surrounding me as The Sun shined even brighter and heavenly lights shined down from Heaven.

Eli: Uh oh..!

I sang a heavenly song and let out a howl as immense light shined down from the sky, The Sun, and from the Heavens and flames rose from the ground and they formed into orange wolves with glowing golden yellow markings and they ran at Safari and attacked her with fierce fury.

Then, I held out my left hand and fired 999 massive balls of fire at Safari, and they collided and exploded as they hit her, and I also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team

But one and the same

Like starlight and moonshine

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

'Cause there is nopony quite like you

So let your magic run wild

Let your magic run wild

If you could only see everything you could be

You would spend your whole life shinin'

Let your magic run wild

Let your magic run wild

(Now it's the time to light up the sky)

Let your magic run wild

(Now it's the time)

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

If you could only see everything you could be

You would spend your whole life shinin'

At the same time, the werewolves began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln and Super Brother.

Then, when Lincoln and Super Brother were done and the stingers changed back, nothing was left of the massive army of werewolves and Lincoln and Super Brother drained their souls of energy and sent them to The Black Abyss and they let out a loud and massive roar of dominance and power as they pounded their chests like two Alpha Male Gorillas!

Eli: Seriously, who keeps on sending creatures after us?
